And the said Grantors, for them selves their heirs, successors and personal representatives, do hereby covenants and agree to and with said Grantee his heirs, successors and assigns, that at the delivery of these present, he is lawfully seized in his own right of an absolute and indefeasible estate of inheritance in fee simple of, in and to all and singular the aforesaid premises and property; that he has good right to sell and convey the same, and warrants the same to be free, clear, discharged and unencumbered of and from all former grants, titles, charges, judgments, taxes, assessments and encumbrances of whatsoever kind and nature, except an oil and gas leasehold estate, hereinafter, referred to, which is recorded in the office of the County Clerk of Madison County, Mississippi.

It is hereby expressly declared that whereas the land, particularly described in this conveyance is understood to be subject to an oil and gas mining lease in favor of record owner it is intended that said outstanding lease is fully embraced in the general terms of this conveyance, so as to pass to, and vest in said Grantee, a one-half interest, not only in the oil and gas, but also all rents and royalties therein reserved to the lessor, precisely as if said Grantee has been at the date of making of said lease the owner in a fee of a one-half interest in and to the lands described, and himself one of the lessors therein.

And it is hereby further expressly declared that it is the true intent and purpose of this conveyance to pass to and vest in the said Grantee an undivided one-half interest in all the mineral and mineral rights in the land first described herein, or that at any time may be found therein or thereunder, and all grantor's rights to operate for said minerals, and deal and contract with regard thereto, including the leasing thereof, as fully to all intent and purpose as if the said Grantee was the absolute owner of the entire title and estate in said lands.
