It is understood and agreed that said timber shall be cut and removed from said lands within two years from this date and time is of the essence of this contract, so all timber, trees, logs, and lumber remaining on said lands after the expiration of this contract shall revert to the grantors herein or their assigns.

necessary mill sites, camping places, stacking yards, and for its equipment and upon which said Grantee and its assigns may erect such buildings as the Grantee or its assigns may desire, and with the full power to remove the said buildings and improvements which the Grantee or its assigns may erect during the existence of this contract, and it is further agreed that the said Grantee or its assigns may bore wells to obtain water for man and beast and for use in the boilers and may also use the water, if it sees fit, from the creeks that may run through said lands, but Grantee or its assigns must not disturb the farming actions or damage the crops on said place unnecessarily, and the Grantee or its assigns by the acceptance of this deed agrees to the conditions set out hereinbefore and further agrees that in case any fences are broken down by it or its assigns then said fences shall be repaired and put in place by said Grantee or its assigns and at its or its assigns expense.

The Grantors shall pay the taxes on said standing timber for the year 1946 and the Grantee or its assigns shall pay the taxes on said standing timber for the years after the year 1946 that this contract is in force, provided said timber is still on said land.

Emma Mae Trolieo McFerran is identical with and one and the same person as Emma Mae Trolieo McFerrin, the Grantee in that deed executed by Charles Trolieo on October 20, 1941, recorded in Land Record Book 20 on page 31 thereof in the Chancery Clerk's Office for Madison County, Mississippi.
