THIS DAY PERSONALLY appeared before me, the undersigned authority in and for the above County and State, MRS. ALBERTA JONES, whose residence and post office address is Madison, Ms, who, first having been by me duly sworn, on oath did sepose and say as follows:

I am 75 years of age. I was well acquainted with Minervia Crudup and J. H. Taylor. I was and am familiar with the ten (10) acres of land which J. H. Taylor owned at the time of his death. It was the Northwest Quarter of the Southeast Quarter of the Southeast Quarter (NW $\frac{1}{4}$ of SE $\frac{1}{4}$ of SE $\frac{1}{4}$) of Section 7, Township 7 North, Range 2 East. I lived within 3/4 miles of that 10 Acres.

I know that J. H. Taylor bought the 10 acres from Minervia Crudup some where about 1909 or 1910. He used it like everybody else did who owned land. The 10 acres was fenced. Along about 1950 there was some interest in minerals in that area and nearly everybody who owned any mineral interest was giving leases. I know he gave more than one; but there was never any production in the area.

He must have owned that land for approximately 49 years before his death, and I never heard of anybody else making any claim to it.

STATE OF MISSISSIPPI,
MADISON COUNTY.

THIS DAY PERSONALLY appeared before me, the undersigned authority
in and for the above County and State, ETTA B. MATTHEWS,
whose residence and post office address is Madison, Miss.
_____, who, first having been by me duly
sworn, on oath did depose and say as follows:

I am 82 years of age. I was well acquainted with Minervia Crudup
and J. H. Taylor. I was and am familiar with the ten (10) acres of land which
J. H. Taylor owned at the time of his death. It was the Northwest Quarter of
the Southeast Quarter of the Southeast Quarter (NW $\frac{1}{4}$ of SE $\frac{1}{4}$ of SE $\frac{1}{4}$) of Section
7, Township 7 North, Range 2 East. I lived within 1/2 miles of that 10 Acres.

I know that J. H. Taylor bought the 10 acres from Minervia Crudup
some where about 1909 or 1910. He used it like everybody else did who owned
land. The 10 acres was fenced. Along about 1950 there was some interest
in minerals in that area and nearly everybody who owned any mineral interest
was giving leases. I know he gave more than one; but there was never any pro-
duction in the area.

He must have owned that land for approximately 49 years before his
death, and I never heard of anybody else making any claim to it.

This, the 13 day of June, 1977.
