In consideration of \$ 1.00 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property herein-after described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 10 feet in width for the location, construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

Madison, Mississippi, described as follows, to-wit:

Center line of said easement is to be pole line as staked and pointed out to Grantor on Grantor's property. Said property being situated in the NORTHEAST Quarter of Section 26, Township 10 NORTH, Range 2 EAST, Madison County, Mississippi.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

RIGHT OF-WAY INSTRUMENT

In consideration of \$ 1.00 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property hereinafter described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 15 feet in width for the location, construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

Madison, Mississippi, described as follows, to-wit:

A CERTAIN PARCEL OF LAND LYING AND BEING SITUATED IN THE SE QUARTER OF SECTION 36, TOWNSHIP 7N RANGE 2E MADISON COUNTY, MISSISSIPPI, AS STAKED AND POINTED OUT TO GRANTOR

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

RIGHT OF WAY INSTRUMENT

In consideration of \$ 1.00 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property hereinafter described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 10 feet in width for the location, construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

Madison, Mississippi, described as follows, to-wit:

A CERTAIN PARCEL OF LAND LYING AND BEING SITUATED IN THE Northwest QUARTER OF SECTION 4, TOWNSHIP 7 North RANGE 1 East MADISON COUNTY, MISSISSIPPI, AS STAKED AND POINTED OUT TO GRANTOR

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

RIGHT OF WAY INSTRUMENT

In consideration of \$ 100 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property herein after described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 20 feet in width for the location construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

Madison, Mississippi, described as follows, to-wit:

A CERTAIN PARCEL OF LAND LYING AND BEING SITUATED IN THE NE QUARTER OF SECTION 31, TOWNSHIP 7N RANGE 2E MADISON COUNTY, MISSISSIPPI, AS STAKED AND POINTED OUT TO GRANTOR

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

RIGHT OF WAY INSTRUMENT

In consideration of \$ 1.00 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property herein-after described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 30 feet in width for the location construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

Madison, Mississippi, described as follows, to-wit:

A CERTAIN PARCEL OF LAND LYING AND BEING SITUATED IN THE N.W. QUARTER OF SECTION 12, TOWNSHIP 7N RANGE 1E MADISON COUNTY, MISSISSIPPI, AS STAKED AND POINTED OUT TO GRANTOR

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein, created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

In consideration of \$ 1.00 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property herein-after described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 30 feet in width for the location construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

MADISON Mississippi, described as follows, to-wit:

CENTER LINE OF SAID EASEMENT IS TO BE POLE LINE AS STAKED AND POINTED OUT TO GRANTOR ON GRANTOR'S PROPERTY, SAID PROPERTY BEING SITUATED IN THE SOUTHWEST QUARTER OF SECTION 8, TOWNSHIP 8 NORTH, RANGE 2 WEST, MADISON COUNTY, MISSISSIPPI.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

CONSENT AND LICENSE AGREEMENT

This agreement made this day by and between MISSISSIPPI POWER & LIGHT COMPANY a corporation, herein called "Company" and GARY TAYLOR, herein called "Licensee,"

WITNESSETH:

1. The Licensee is the owner of Lot 158, Deerfield, Phase I, a subdivision in and to the County of Madison, State of Mississippi, according to a map or plat thereof recorded in Plat Cabinet "B", Slide 36 thereof, in the office of the Chancery Clerk of Madison County, Mississippi;

2. That, upon the filing of the subdivision plat of Deerfield, Phase I, there were reserved certain utility easements for the servicing of utilities by various utility companies; that, a 5 foot utility easement was reserved along the west side of the above mentioned lot for the servicing of utilities;

3. That the Licensee has constructed and desires to maintain inside said easement for a distance of 1 foot the garage which is attached to the dwelling house constructed thereon, all as shown by survey of Glenn Pilgrim dated 9/8/86, a copy attached hereto marked Exhibit "A";

4. The Company hereby gives its consent to the continued use of the portion of the easement described above by the Licensee as shown by Exhibit "A" attached hereto and grants to the Licensee and/or his successors in title a license to keep and maintain said garage on the Company's said easement, subject to the following conditions, which constitute the consideration for this grant and consent:

(a) Licensee agrees to use that portion of the garage into said easement only for purposes as herein set forth and Company shall not be liable for any damage to Licensee's property caused by the Company's operation as the result of granting this license and consent to Licensee;

(b) Licensee agrees to defend and indemnify the Company and its officers and employees against any and all costs, claims and liability for death, injury

and damage of all kinds arising out of the exercise of Licensee's rights under this agreement, whether or not alleged to be caused or contributed to by negligence of the Company;

5. The Licensee will use the utmost care to avoid damage to the Company's facilities on said easement and will reimburse the Company for any such damage caused by Licensee's use of said premises or exercise of rights hereunder by the Licensee.

6. The rights granted hereunder are not greater than the rights possessed by the Company in said land and/or easement.

7. This agreement is binding on the Licensee, its successors and assigns.

8. Although this easement is not now being used by the Company, the Licensee agrees to warn all persons on said premises claiming under Licensee of any dangers which may arise as a result of the granting of this consent and use by Licensee.

KNOW ALL MEN BY THESE PRESENTS, that I, GLADYS COELA BROWN, the undersigned, of 847 Pine Knoll Court, Jackson, Mississippi 39211; hereby make and constitute HAROLD WESLEY BRIDGES, of 847 Pine Knoll Court, Jackson, Mississippi 39211, my true and lawful attorney in fact for me and in my name, place and stead and on my behalf, and for my use and benefit:

1. To exercise or perform any act, power, duty, right or obligation whatsoever that I now have, or may hereafter acquire the legal right, power or capacity to exercise or perform, in connection with, arising from, or relating to any person, item, transaction, thing, business property, real or personal, tangible or intangible, or matter whatsoever;

2. To request, ask, demand, sue for, recover, collect, receive, and hold and possess all such sums of money, debts, dues, commercial papers, checks, drafts, accounts, deposits, legacies, bequests, devises, notes, interest, stock certificates, bonds, dividends, certificates of deposit, annuities, pension and retirement benefits, insurance benefits, and proceeds, and any and all documents of title, choses in action, personal and real property rights, and demands whatsoever, liquidated or unliquidated, as now are, or shall hereafter become, owned by, or due, owing, payable, or belonging to, me or in which I have or may hereafter acquire interest, to have, use and take all lawful means and equitable and legal remedies, procedures, and writs in my name for the collection and recovery thereof, and to adjust, sell, compromise, and agree for the same, and to make, execute,

deliver for me, on my behalf, and in my name, all endorsements, acquittances, releases, receipts, or other sufficient discharges for the same;

3. To lease, purchase, exchange and acquire, and to agree, bargain, and contract for the lease, purchase, exchange, and acquisition of, and to accept, take, receive and possess any real or personal property whatsoever, tangible or intangible, or interest thereon, on such terms and conditions, and under such covenants, as said attorney in fact shall deem proper;

4. To maintain, repair, improve, manage, insure, rent, lease, sell convey, subject to liens, mortgages, subject to deeds of trust, and hypothecate, and in any way or manner deal with all or any part of any real or personal property whatsoever tangible or intangible, or any interest therein, that I now own or may hereafter acquire, for me, in my behalf, and in my name and under such terms and conditions, and under such covenants, as said attorney in fact shall deem proper;

5. To conduct, engage in, and transact any and all lawful business of whatever nature or kind for me, on my behalf, and in my name;

6. To make, receive, sign, endorse, execute, acknowledge delivery, and possess such applications, contracts, agreements, option, covenants, coveyances, deeds, trust deeds, security agreements, bills of sale, leases, mortgages, assignments, insurance policies, bill of lading, warehouse receipts, documents of title, bills, bonds, debentures, checks, drafts, bills of exchange, letters of credit, notes, stock certificates, proxies, warrants, commercial papers, receipts, withdrawal receipts and deposit instruments relating to accounts or deposits in, or certificates of deposit of, banks, savings and loan or other institutions or associations, proofs
