In consideration of \$ 1.00 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property herein- after described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 30 feet in width for the location construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

MADISON, Mississippi, described as follows, to-wit:

A CERTAIN PARCEL OF LAND LYING AND BEING SITUATED IN THE SW QUARTER OF SECTION 14, TOWNSHIP 9N RANGE 3E MADISON COUNTY, MISSISSIPPI, AS STAKED AND POINTED OUT TO GRANTOR

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

In consideration of \$ 1.00 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property herein-after described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee") a right of way and easement 20 feet in width for the location construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

MADISON

Mississippi, described as follows, to-wit:

A CERTAIN PARCEL OF LAND LYING AND BEING SITUATED IN THE NE QUARTER OF SECTION 20, TOWNSHIP 10 N RANGE 2 E MADISON COUNTY, MISSISSIPPI, AS STAKED AND POINTED OUT TO GRANTOR

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

STATE OF MISSISSIPPI
COUNTY OF MADISONRIGHT-OF-WAY AND EASEMENT

FOR AND IN CONSIDERATION of Ten Dollars (\$10.00) cash in hand paid and other good and valuable considerations, the receipt and sufficiency of which is hereby acknowledged and paid to JOHN ENDRIS and EMILY JANE C. ENDRIS, hereinafter referred to as Grantors by Mississippi Power and Light Company, hereinafter referred to as Grantee, Grantors do hereby grant, bargain, sell, transfer, and convey unto Grantee a right-of-way and easement over the following described real estate located in Madison County, Mississippi, together with the right to construct, install, and thereafter use for the purposes limited herein, electrical power lines over and across described property:

A part or parcel of Section 36, Township 9 North, Range 2 East, extending 20 feet northerly of the following described line;

Beginning at the point of intersection of the centerline of a certain gravel road and the West right-of-way line of U.S. Highway 51, said point being 2,032 feet South and 2,545 feet East of the Northwest corner of said Section 36; thence following the centerline of the existing gravel road, run chord bearings and distances along said centerlines as follows:

North 75°12'08" West for 344.24 feet to a point; thence run North 66°46'17" West for 177.16 feet to a point; thence run North 76°58'01" West for 115.89 feet to a point; thence run North 79°55'40" West for 161.86 feet to a point; thence run North 81°41'24" West for 205.56 feet to a point; thence run North 80°52'31" West for 394.73 feet to a point; thence run North 72°39'15" West for 260.41 feet to a point; thence run North 73°52'28" West for 138.30 feet to a point; thence run North 75°25'38" West for 130.11 feet to a point; thence run North 73°40'02" West for 164.64 feet to a point in the centerline of said gravel road, located 60.0 feet Westerly from and parallel to the West right-of-way of the Illinois Central Gulf Railroad.

THE CONVEYANCE OF A RIGHT-OF-WAY AND EASEMENT HEREIN IS SUBJECT TO AND SPECIFICALLY CONDITIONED ON THE FOLLOWING:

1. This right-of-way and easement shall be a limited access right-of-way and easement, for use solely by Mississippi Power and Light Company, for the purpose of using, inspecting, repairing, and maintaining an electrical transmission line from U.S. Highway 51 across the property of Grantors to a nearly constructed sewage lagoon lying west of the Illinois Central Gulf Railway from U.S. Highway 51.

2. This right-of-way and easement shall exist so long as the City of Canton, Mississippi continues to use its property as a sewage lagoon, and shall terminate automatically upon its use for any purpose other than a sewage lagoon.

3. This right-of-way and easement shall be non-assignable and non-transferrable.

4. Grantee affirmatively covenants that it will not disturb the existing fence line running approximately along the northerly boundary of the above described right-of-way and easement, and further that no utility poles will be erected north of the existing fence line.

5. Grantee further affirmatively covenants that it will neither move or disturb the south fence line of Grantors, which runs on the north side of the above described right-of-way and easement.

6. Grantee covenants to maintain the easement in good repair so that no unreasonable damage will result from its use to the adjacent land of the Grantors. Should such damage occur or accrue at the hand of Grantee, Grantee affirmatively covenants that it will restore the damaged property to its condition at the time of execution of this right-of-way and easement.

IN WITNESS WHEREOF, the GRANTORS have executed this instrument this the 6th day of September, 1984.

RIGHT OF WAY INSTRUMENT

In consideration of \$1,000 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property herein-after described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 20 feet in width for the location construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

MADISON Mississippi, described as follows, to-wit:

Center line of said easement is to be pole line as staked and pointed out to Grantor on Grantor's property. Said property being situated in the NE Quarter of Section 4, Township 7N, Range 1E, Madison County, Mississippi.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

RIGHT OF WAY INSTRUMENT

12946

In consideration of \$1.00 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property hereinafter described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 10 feet in width for the location construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

MADISON, Mississippi, described as follows, to-wit:

Center line of said easement is to be pole line as staked and pointed out to Grantor on Grantor's property. Said property, being situated in the SW Quarter of Section 05, Township 7N, Range 1E, Madison County, Mississippi.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.

RIGHT OF WAY INSTRUMENT

12954

In consideration of \$100 cash, and other valuable considerations, receipt of all of which is hereby acknowledged, I/we (acting personally and for and on behalf of our heirs, successors, and assigns and any other person claiming or to claim the property hereinafter described, called collectively "Grantors") do hereby grant, convey and warrant unto MISSISSIPPI POWER & LIGHT COMPANY,

its successors and assigns (herein called "Grantee"), a right of way and easement 20 feet in width for the location construction, reconstruction, operation, maintenance, and removal of electric power and/or communications lines and circuits, including poles, towers, cross arms, insulators, wires, cables, hardware, transformers, switches, guy wires, anchors and all other equipment, structures, material and appliances, now or hereafter used, useful or desired in connection therewith, over, across, under, and on that land in the County of

MADISON, Mississippi, described as follows, to-wit:

Centerline of said easement is to be pole line as staked and pointed out to Grantor on Grantor's property. Said property being situated in the Northeast 1/4 of Section 19, Township 8 North, Range 1 West, Madison County, Mississippi.

together with the right of ingress and egress to and from said right of way across the adjoining land of the Grantors, the passage of vehicles and equipment upon said right of way and the right to install and maintain guy wires and anchors beyond the limits of said right of way.

Grantee shall have the full right, without further compensation, to clear and keep clear said right of way, including the right to cut down, condition, treat or otherwise remove all trees, timber, undergrowth, and other obstruction. Grantee shall have the further right to cut down from time to time all trees that are tall enough to strike the wires in falling, where located beyond the limits of said right of way, (called "danger trees"). Payment for the first cutting of danger trees is included in the above consideration. Grantee shall pay to Grantor, or his successor in title, the reasonable market value of danger trees cut thereafter.

Grantors covenant that they will not construct or permit the construction of any house, barn, well or other structure or hazard on said right of way.

Unless otherwise herein specifically provided, the center line of the electric power line initially constructed on this right of way shall be the center line of said right of way.

Should Grantee, or its successors, remove its facilities from said land and abandon said right of way, the rights herein created in Grantee shall terminate, but with the right to remove therefrom all of Grantee's property thereon.

It is understood that Grantors shall have, at all times the right to use said right of way for any lawful purpose provided it does not interfere with the rights herein created in Grantee, and that Grantee will not enclose said right of way, and Grantor will use the best efforts to protect Grantee's property on said right of way.
