

LAKE LORMAN UTILITY DISTRICT
RIGHT-OF-WAY EASEMENT

13199

KNOW ALL MEN BY THESE PRESENTS:

That in consideration of one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Roy L. Jones, hereinafter referred to as Grantor(s), do(es) hereby grant, bargain, sell, transfer and convey unto the Lake Lorman Utility District, a utility district organized and existing under the laws of the State of Mississippi, its successors and assigns, herein-after referred to as Grantee, a perpetual easement with the right to erect, construct, install, lay and thereafter use, operate, inspect, repair, maintain, replace and remove a wastewater pipeline, manhole, pump station or other appurtenances, including but not limited to underground electrical power lines, over, across and through the land of the Grantor(s) situated in Madison County, State of Mississippi, said land being described as follows:

That property described in deed recorded in Deed Book 201 at page 426 in the records in the office of the Chancery Clerk of Madison over adjacent lands of the Grantor(s), his/their successors and assigns, for the purposes of this easement.

A permanent easement, ten (10) feet in width, five (5) feet each side of, adjacent and parallel to a sanitary sewer pipeline or other appurtenances to be installed by the Lake Lorman Utility District on the property herein described in accordance with the construction plans for EPA Project No. C280641-02, prepared by Diversified Consultants, Inc., and dated March, 1987, a general plat of which is attached hereto as Exhibit "A" and made a part hereof in aid of this description. Also, a temporary construction easement twenty (20) feet in total width, five (5) feet each side of, adjacent and parallel to the previously described permanent easement. The temporary easement herein conveyed is effective for a period of one (1) year after the notice to proceed of a construction contract issued for the construction of the referenced project.

Grantee agrees that it shall manage construction activities to minimize damage to lawns, plants, and permanent structures. Fences and sidewalks shall be restored to existing condition. Reasonable care shall be taken during construction to avoid damage to vegetation. Ornamental shrubbery and tree branches shall be temporarily tied back, where appropriate, to minimize damage. Trees which receive damage to branches shall be trimmed of those branches to improve the appearance thereof. Tree trunks receiving damage from equipment shall be treated with tree dressing.

The consideration hereinabove recited shall constitute payment in full for any damages to the land of the Grantor(s), his/their successors and assigns, by reason of the installation, operation, and maintenance

of the structures or improvements referred to herein. The Grantee covenants to maintain the easement in good repair so that no unreasonable damage will result from its use to the adjacent land of the Grantor(s), his/their successors and assigns.

The Grantor(s) acknowledge(s) receipt of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, Public Law 91-646, and acknowledge that he/they are aware of his/their rights under said Act, including, but not limited to:

- (1) Notification of the Grantee's desire to obtain the property enclosing a copy of the Act; and,
- (2) An opportunity to receive an appraisal and to accompany the appraiser during the initial inspection; and,
- (3) An opportunity to have the value of the property determined by a court of competent jurisdiction and to be compensated therefor.

The Grantor(s) do(es) hereby waive(s) all rights and privileges pursuant to Public Law 91-646, and Grantor(s) further acknowledge(s) that he/they believe(s) the sewage collection system will enhance the Grantor(s) property value and therefore has encouraged its installation.

The Grant and other provisions of this easement shall constitute a covenant running with the land for the benefit of the Grantee, its successors and assigns.

IN WITNESS WHEREOF, the Grantor(s) has/have executed this instrument this 20 day of May, 1987.

A permanent easement, ten (10) feet in width, five (5) feet each side of, adjacent and parallel to a sanitary sewer pipeline or other appurtenances to be installed by the Lake Lorman Utility District on the property herein described in accordance with the construction plans for EPA Project No. C280641-02, prepared by Diversified Consultants, Inc., and dated March, 1987, a general plat of which is attached hereto as Exhibit "A" and made a part hereof in aid of this description. Also, a temporary construction easement twenty (20) feet in total width, five (5) feet each side of, adjacent and parallel to the previously described permanent easement. The temporary easement herein conveyed is effective for a period of one (1) year after the notice to proceed of a construction contract issued for the construction of the referenced project.

Grantee agrees that it shall manage construction activities to minimize damage to lawns, plants, and permanent structures. Fences and sidewalks shall be restored to existing condition. Reasonable care shall be taken during construction to avoid damage to vegetation. Ornamental shrubbery and tree branches shall be temporarily tied back, where appropriate, to minimize damage. Trees which receive damage to branches shall be trimmed of those branches to improve the appearance thereof. Tree trunks receiving damage from equipment shall be treated with tree dressing.

The consideration hereinabove recited shall constitute payment in full for any damages to the land of the Grantor(s), his/their successors and assigns, by reason of the installation, operation, and maintenance

of the structures or improvements referred to herein. The Grantee covenants to maintain the easement in good repair so that no unreasonable damage will result from its use to the adjacent land of the Grantor(s), his/their successors and assigns.

The Grantor(s) acknowledge(s) receipt of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, Public Law 91-646, and acknowledge that he/they are aware of his/their rights under said Act, including, but not limited to:

- (1) Notification of the Grantee's desire to obtain the property enclosing a copy of the Act; and,
- (2) An opportunity to receive an appraisal and to accompany the appraiser during the initial inspection; and,
- (3) An opportunity to have the value of the property determined by a court of competent jurisdiction and to be compensated therefor.

The Grantor(s) do(es) hereby waive(s) all rights and privileges pursuant to Public Law 91-646, and Grantor(s) further acknowledge(s) that he/they believe(s) the sewage collection system will enhance the Grantor(s) property value and therefore has encouraged its installation.

The Grant and other provisions of this easement shall constitute a covenant running with the land for the benefit of the Grantee, its successors and assigns.

IN WITNESS WHEREOF, the Grantor(s) has/have executed this instrument this 20th day of April, 1987.

KNOW ALL MEN BY THESE PRESENTS:

That in consideration of one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Edgar F. & Maude I. Lane, hereinafter referred to as Grantor(s), do(es) hereby grant, bargain, sell, transfer and convey unto the Lake Lorman Utility District, a utility district organized and existing under the laws of the State of Mississippi, its successors and assigns, herein-after referred to as Grantee, a perpetual easement with the right to erect, construct, install, lay and thereafter use, operate, inspect, repair, maintain, replace and remove a wastewater pipeline, manhole, pump station or other appurtenances, including but not limited to underground electrical power lines, over, across and through the land of the Grantor(s) situated in Madison County, State of Mississippi, said land being described as follows:

That property described in deed recorded in Deed Book 145 at page 483 in the records in the office of the Chancery Clerk of Madison over adjacent lands of the Grantor(s), his/their successors and assigns, for the purposes of this easement.

A permanent easement, ten (10) feet in width, five (5) feet each side of, adjacent and parallel to a sanitary sewer pipeline or other appurtenances to be installed by the Lake Lorman Utility District on the property herein described in accordance with the construction plans for EPA Project No. C280641-02, prepared by Diversified Consultants, Inc., and dated March, 1987, a general plat of which is attached hereto as Exhibit "A" and made a part hereof in aid of this description. Also, a temporary construction easement twenty (20) feet in total width, five (5) feet each side of, adjacent and parallel to the previously described permanent easement. The temporary easement herein conveyed is effective for a period of one (1) year after the notice to proceed of a construction contract issued for the construction of the referenced project.

Grantee agrees that it shall manage construction activities to minimize damage to lawns, plants, and permanent structures. Fences and sidewalks shall be restored to existing condition. Reasonable care shall be taken during construction to avoid damage to vegetation. Ornamental shrubbery and tree branches shall be temporarily tied back, where appropriate, to minimize damage. Trees which receive damage to branches shall be trimmed of those branches to improve the appearance thereof. Tree trunks receiving damage from equipment shall be treated with tree dressing.

The consideration hereinabove recited shall constitute payment in full for any damages to the land of the Grantor(s), his/their successors and assigns, by reason of the installation, operation, and maintenance

of the structures or improvements referred to herein. The Grantee cove-
nants to maintain the easement in good repair so that no unreasonable
damage will result from its use to the adjacent land of the Grantor(s),
his/their successors and assigns.

The Grantor(s) acknowledge(s) receipt of the Uniform Relocation
Assistance and Real Property Acquisition Policies Act of 1970, Public
Law 91-646, and acknowledge that he/they are aware of his/their rights
under said Act, including, but not limited to:

- (1) Notification of the Grantee's desire to obtain the property
enclosing a copy of the Act; and,
- (2) An opportunity to receive an appraisal and to accompany the
appraiser during the initial inspection; and,
- (3) An opportunity to have the value of the property determined by
a court of competent jurisdiction and to be compensated therefor.

The Grantor(s) do(es) hereby waive(s) all rights and privileges pur-
suant to Public Law 91-646, and Grantor(s) further acknowledge(s) that
he/they believe(s) the sewage collection system will enhance the
Grantor(s) property value and therefore has encouraged its installation.

The Grant and other provisions of this easement shall constitute a
covenant running with the land for the benefit of the Grantee, its suc-
cessors and assigns.

IN WITNESS WHEREOF, the Grantor(s) has/have executed this instrument

KNOW ALL MEN BY THESE PRESENTS:

That in consideration of one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, R. W. & Shirley J. Little, hereinafter referred to as Grantor(s), do(es) hereby grant, bargain, sell, transfer and convey unto the Lake Lorman Utility District, a utility district organized and existing under the laws of the State of Mississippi, its successors and assigns, herein-after referred to as Grantee, a perpetual easement with the right to erect, construct, install, lay and thereafter use, operate, inspect, repair, maintain, replace and remove a wastewater pipeline, manhole, pump station or other appurtenances, including but not limited to underground electrical power lines, over, across and through the land of the Grantor(s) situated in Madison County, State of Mississippi, said land being described as follows:

That property described in deed recorded in Deed Book 186 at page 495 in the records in the office of the Chancery Clerk of Madison over adjacent lands of the Grantor(s), his/their successors and assigns, for the purposes of this easement.

A permanent easement, ten (10) feet in width, five (5) feet each side of, adjacent and parallel to a sanitary sewer pipeline or other appurtenances to be installed by the Lake Lorman Utility District on the property herein described in accordance with the construction plans for EPA Project No. C280641-02, prepared by Diversified Consultants, Inc., and dated March, 1987, a general plat of which is attached hereto as Exhibit "A" and made a part hereof in aid of this description. Also, a temporary construction easement twenty (20) feet in total width, five (5) feet each side of, adjacent and parallel to the previously described permanent easement. The temporary easement herein conveyed is effective for a period of one (1) year after the notice to proceed of a construction contract issued for the construction of the referenced project.

Grantee agrees that it shall manage construction activities to minimize damage to lawns, plants, and permanent structures. Fences and sidewalks shall be restored to existing condition. Reasonable care shall be taken during construction to avoid damage to vegetation. Ornamental shrubbery and tree branches shall be temporarily tied back, where appropriate, to minimize damage. Trees which receive damage to branches shall be trimmed of those branches to improve the appearance thereof. Tree trunks receiving damage from equipment shall be treated with tree dressing.

The consideration hereinabove recited shall constitute payment in full for any damages to the land of the Grantor(s), his/their successors and assigns, by reason of the installation, operation, and maintenance

of the structures or improvements referred to herein. The Grantee cove-
nants to maintain the easement in good repair so that no unreasonable
damage will result from its use to the adjacent land of the Grantor(s),
his/their successors and assigns.

The Grantor(s) acknowledge(s) receipt of the Uniform Relocation
Assistance and Real Property Acquisition Policies Act of 1970, Public
Law 91-646, and acknowledge that he/they are aware of his/their rights
under said Act, including, but not limited to:

- (1) Notification of the Grantee's desire to obtain the property
enclosing a copy of the Act; and,
- (2) An opportunity to receive an appraisal and to accompany the
appraiser during the initial inspection; and,
- (3) An opportunity to have the value of the property determined by
a court of competent jurisdiction and to be compensated therefor.

The Grantor(s) do(es) hereby waive(s) all rights and privileges pur-
suant to Public Law 91-646, and Grantor(s) further acknowledge(s) that
he/they believe(s) the sewage collection system will enhance the
Grantor(s) property value and therefore has encouraged its installation.

The Grant and other provisions of this easement shall constitute a
covenant running with the land for the benefit of the Grantee, its suc-
cessors and assigns.

KNOW ALL MEN BY THESE PRESENTS:

That in consideration of one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Garling A. & Jean M. Looney, hereinafter referred to as Grantor(s), do(es) hereby grant, bargain, sell, transfer and convey unto the Lake Lorman Utility District, a utility district organized and existing under the laws of the State of Mississippi, its successors and assigns, herein-after referred to as Grantee, a perpetual easement with the right to erect, construct, install, lay and thereafter use, operate, inspect, repair, maintain, replace and remove a wastewater pipeline, manhole, pump station or other appurtenances, including but not limited to underground electrical power lines, over, across and through the land of the Grantor(s) situated in Madison County, State of Mississippi, said land being described as follows:

That property described in deed recorded in Deed Book 207 at page 438 in the records in the office of the Chancery Clerk of Madison over adjacent lands of the Grantor(s), his/their successors and assigns, for the purposes of this easement.

A permanent easement, ten (10) feet in width, five (5) feet each side of, adjacent and parallel to a sanitary sewer pipeline or other appurtenances to be installed by the Lake Lorman Utility District on the property herein described in accordance with the construction plans for EPA Project No. C280641-02, prepared by Diversified Consultants, Inc., and dated March, 1987, a general plat of which is attached hereto as Exhibit "A" and made a part hereof in aid of this description. Also, a temporary construction easement twenty (20) feet in total width, five (5) feet each side of, adjacent and parallel to the previously described permanent easement. The temporary easement herein conveyed is effective for a period of one (1) year after the notice to proceed of a construction contract issued for the construction of the referenced project.

Grantee agrees that it shall manage construction activities to minimize damage to lawns, plants, and permanent structures. Fences and sidewalks shall be restored to existing condition. Reasonable care shall be taken during construction to avoid damage to vegetation. Ornamental shrubbery and tree branches shall be temporarily tied back, where appropriate, to minimize damage. Trees which receive damage to branches shall be trimmed of those branches to improve the appearance thereof. Tree trunks receiving damage from equipment shall be treated with tree dressing.

The consideration hereinabove recited shall constitute payment in full for any damages to the land of the Grantor(s), his/their successors and assigns, by reason of the installation, operation, and maintenance

of the structures or improvements referred to herein. The Grantee covenants to maintain the easement in good repair so that no unreasonable damage will result from its use to the adjacent land of the Grantor(s), his/their successors and assigns.

The Grantor(s) acknowledge(s) receipt of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, Public Law 91-646, and acknowledge that he/they are aware of his/their rights under said Act, including, but not limited to:

- (1) Notification of the Grantee's desire to obtain the property enclosing a copy of the Act; and,
- (2) An opportunity to receive an appraisal and to accompany the appraiser during the initial inspection; and,
- (3) An opportunity to have the value of the property determined by a court of competent jurisdiction and to be compensated therefor.

The Grantor(s) do(es) hereby waive(s) all rights and privileges pursuant to Public Law 91-646, and Grantor(s) further acknowledge(s) that he/they believe(s) the sewage collection system will enhance the Grantor(s) property value and therefore has encouraged its installation.

The Grant and other provisions of this easement shall constitute a covenant running with the land for the benefit of the Grantee, its successors and assigns.

IN WITNESS WHEREOF the Grantor(s) has/have executed this instrument this 4th day of June, 1987.

Also, a temporary construction easement twenty (20) feet in total width, five (5) feet each side of, adjacent and parallel to the previously described permanent easement. The temporary easement herein conveyed is effective for a period of one (1) year after the notice to proceed of a construction contract issued for the construction of the referenced project.

Grantee agrees that it shall manage construction activities to minimize damage to lawns, plants, and permanent structures. Fences and sidewalks shall be restored to existing condition. Reasonable care shall be taken during construction to avoid damage to vegetation. Ornamental shrubbery and tree branches shall be temporarily tied back, where appropriate, to minimize damage. Trees which receive damage to branches shall be trimmed of those branches to improve the appearance thereof. Tree trunks receiving damage from equipment shall be treated with tree dressing.

The consideration hereinabove recited shall constitute payment in full for any damages to the land of the Grantor(s), his/their successors and assigns, by reason of the installation, operation, and maintenance

of the structures or improvements referred to herein. The Grantee covenants to maintain the easement in good repair so that no unreasonable damage will result from its use to the adjacent land of the Grantor(s), his/their successors and assigns.

The Grantor(s) acknowledge(s) receipt of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, Public Law 91-646, and acknowledge that he/they are aware of his/their rights under said Act, including, but not limited to:

- (1) Notification of the Grantee's desire to obtain the property enclosing a copy of the Act; and,
- (2) An opportunity to receive an appraisal and to accompany the appraiser during the initial inspection; and,
- (3) An opportunity to have the value of the property determined by a court of competent jurisdiction and to be compensated therefor.

The Grantor(s) do(es) hereby waive(s) all rights and privileges pursuant to Public Law 91-646, and Grantor(s) further acknowledge(s) that he/they believe(s) the sewage collection system will enhance the Grantor(s) property value and therefore has encouraged its installation.

The Grant and other provisions of this easement shall constitute a covenant running with the land for the benefit of the Grantee, its successors and assigns.

IN WITNESS WHEREOF, the Grantor(s) has/have executed this instrument this 18 day of May, 1987.

LAKE LORMAN UTILITY DISTRICT
RIGHT-OF-WAY EASEMENT

KNOW ALL MEN BY THESE PRESENTS:

That in consideration of one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, William S. & Elizabeth H. McQuirter, hereinafter referred to as Grantor(s), do(es) hereby grant, bargain, sell, transfer and convey unto the Lake Lorman Utility District, a utility district organized and existing under the laws of the State of Mississippi, its successors and assigns, herein-after referred to as Grantee, a perpetual easement with the right to erect, construct, install, lay and thereafter use, operate, inspect, repair, maintain, replace and remove a wastewater pipeline, manhole, pump station or other appurtenances, including but not limited to underground electrical power lines, over, across and through the land of the Grantor(s) situated in Madison County, State of Mississippi, said land being described as follows:

That property described in deed recorded in Deed Book 130 at page 242 in the records in the office of the Chancery Clerk of Madison over adjacent lands of the Grantor(s), his/their successors and assigns, for the purposes of this easement.

A permanent easement, ten (10) feet in width, five (5) feet each side of, adjacent and parallel to a sanitary sewer pipeline or other appurtenances to be installed by the Lake Lorman Utility District on the property herein described in accordance with the construction plans for EPA Project No. C280641-02, prepared by Diversified Consultants, Inc., and dated March, 1987, a general plat of which is attached hereto as Exhibit "A" and made a part hereof in aid of this description. Also, a temporary construction easement twenty (20) feet in total width, five (5) feet each side of, adjacent and parallel to the previously described permanent easement. The temporary easement herein conveyed is effective for a period of one (1) year after the notice to proceed of a construction contract issued for the construction of the referenced project.

Grantee agrees that it shall manage construction activities to minimize damage to lawns, plants, and permanent structures. Fences and sidewalks shall be restored to existing condition. Reasonable care shall be taken during construction to avoid damage to vegetation. Ornamental shrubbery and tree branches shall be temporarily tied back, where appropriate, to minimize damage. Trees which receive damage to branches shall be trimmed of those branches to improve the appearance thereof. Tree trunks receiving damage from equipment shall be treated with tree dressing.

The consideration hereinabove recited shall constitute payment in full for any damages to the land of the Grantor(s), his/their successors and assigns, by reason of the installation, operation, and maintenance

of the structures or improvements referred to herein. The Grantee cove-
nants to maintain the easement in good repair so that no unreasonable
damage will result from its use to the adjacent land of the Grantor(s),
his/their successors and assigns.

The Grantor(s) acknowledge(s) receipt of the Uniform Relocation
Assistance and Real Property Acquisition Policies Act of 1970, Public
Law 91-646, and acknowledge that he/they are aware of his/their rights
under said Act, including, but not limited to:

- (1) Notification of the Grantee's desire to obtain the property
enclosing a copy of the Act; and,
- (2) An opportunity to receive an appraisal and to accompany the
appraiser during the initial inspection; and,
- (3) An opportunity to have the value of the property determined by
a court of competent jurisdiction and to be compensated therefor.

The Grantor(s) do(es) hereby waive(s) all rights and privileges pur-
suant to Public Law 91-646, and Grantor(s) further acknowledge(s) that
he/they believe(s) the sewage collection system will enhance the
Grantor(s) property value and therefore has encouraged its installation.

The Grant and other provisions of this easement shall constitute a
covenant running with the land for the benefit of the Grantee, its suc-
cessors and assigns.

IN WITNESS WHEREOF, the Grantor(s) has/have executed this instrument
this 28 day of Madison, 1987.

KNOW ALL MEN BY THESE PRESENTS:

That in consideration of one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Edmund J. & Ruth F. Marty, hereinafter referred to as Grantor(s), do(es) hereby grant, bargain, sell, transfer and convey unto the Lake Lorman Utility District, a utility district organized and existing under the laws of the State of Mississippi, its successors and assigns, herein-after referred to as Grantee, a perpetual easement with the right to erect, construct, install, lay and thereafter use, operate, inspect, repair, maintain, replace and remove a wastewater pipeline, manhole, pump station or other appurtenances, including but not limited to underground electrical power lines, over, across and through the land of the Grantor(s) situated in Madison County, State of Mississippi, said land being described as follows:

That property described in deed recorded in Deed Book 170 at page 327 in the records in the office of the Chancery Clerk of Madison over adjacent lands of the Grantor(s), his/their successors and assigns, for the purposes of this easement.

A permanent easement, ten (10) feet in width, five (5) feet each side of, adjacent and parallel to a sanitary sewer pipeline or other appurtenances to be installed by the Lake Lorman Utility District on the property herein described in accordance with the construction plans for EPA Project No. C280641-02, prepared by Diversified Consultants, Inc., and dated March, 1987, a general plat of which is attached hereto as Exhibit "A" and made a part hereof in aid of this description. Also, a temporary construction easement twenty (20) feet in total width, five (5) feet each side of, adjacent and parallel to the previously described permanent easement. The temporary easement herein conveyed is effective for a period of one (1) year after the notice to proceed of a construction contract issued for the construction of the referenced project.

Grantee agrees that it shall manage construction activities to minimize damage to lawns, plants, and permanent structures. Fences and sidewalks shall be restored to existing condition. Reasonable care shall be taken during construction to avoid damage to vegetation. Ornamental shrubbery and tree branches shall be temporarily tied back, where appropriate, to minimize damage. Trees which receive damage to branches shall be trimmed of those branches to improve the appearance thereof. Tree trunks receiving damage from equipment shall be treated with tree dressing.

The consideration hereinabove recited shall constitute payment in full for any damages to the land of the Grantor(s), his/their successors and assigns, by reason of the installation, operation, and maintenance

of the structures or improvements referred to herein. The Grantee covenants to maintain the easement in good repair so that no unreasonable damage will result from its use to the adjacent land of the Grantor(s), his/their successors and assigns.

The Grantor(s) acknowledge(s) receipt of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, Public Law 91-646, and acknowledge that he/they are aware of his/their rights under said Act, including, but not limited to:

- (1) Notification of the Grantee's desire to obtain the property enclosing a copy of the Act; and,
- (2) An opportunity to receive an appraisal and to accompany the appraiser during the initial inspection; and,
- (3) An opportunity to have the value of the property determined by a court of competent jurisdiction and to be compensated therefor.

The Grantor(s) do(es) hereby waive(s) all rights and privileges pursuant to Public Law 91-646, and Grantor(s) further acknowledge(s) that he/they believe(s) the sewage collection system will enhance the Grantor(s) property value and therefore has encouraged its installation.

The Grant and other provisions of this easement shall constitute a covenant running with the land for the benefit of the Grantee, its successors and assigns.

LAKE LORMAN UTILITY DISTRICT
RIGHT-OF-WAY EASEMENT

13225

KNOW ALL MEN BY THESE PRESENTS:

That in consideration of one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Robert L. & Johnette G. May, hereinafter referred to as Grantor(s), do(es) hereby grant, bargain, sell, transfer and convey unto the Lake Lorman Utility District, a utility district organized and existing under the laws of the State of Mississippi, its successors and assigns, herein-after referred to as Grantee, a perpetual easement with the right to erect, construct, install, lay and thereafter use, operate, inspect, repair, maintain, replace and remove a wastewater pipeline, manhole, pump station or other appurtenances, including but not limited to underground electrical power lines, over, across and through the land of the Grantor(s) situated in Madison County, State of Mississippi, said land being described as follows:

That property described in deed recorded in Deed Book 206 at page 737 in the records in the office of the Chancery Clerk of Madison over adjacent lands of the Grantor(s), his/their successors and assigns, for the purposes of this easement.

A permanent easement, ten (10) feet in width, five (5) feet each side of, adjacent and parallel to a sanitary sewer pipeline or other appurtenances to be installed by the Lake Lorman Utility District on the property herein described in accordance with the construction plans for EPA Project No. C280641-02, prepared by Diversified Consultants, Inc., and dated March, 1987, a general plat of which is attached hereto as Exhibit "A" and made a part hereof in aid of this description. Also, a temporary construction easement twenty (20) feet in total width, five (5) feet each side of, adjacent and parallel to the previously described permanent easement. The temporary easement herein conveyed is effective for a period of one (1) year after the notice to proceed of a construction contract issued for the construction of the referenced project.

Grantee agrees that it shall manage construction activities to minimize damage to lawns, plants, and permanent structures. Fences and sidewalks shall be restored to existing condition. Reasonable care shall be taken during construction to avoid damage to vegetation. Ornamental shrubbery and tree branches shall be temporarily tied back, where appropriate, to minimize damage. Trees which receive damage to branches shall be trimmed of those branches to improve the appearance thereof. Tree trunks receiving damage from equipment shall be treated with tree dressing.

The consideration hereinabove recited shall constitute payment in full for any damages to the land of the Grantor(s), his/their successors and assigns, by reason of the installation, operation, and maintenance

of the structures or improvements referred to herein. The Grantee covenants to maintain the easement in good repair so that no unreasonable damage will result from its use to the adjacent land of the Grantor(s), his/their successors and assigns.

The Grantor(s) acknowledge(s) receipt of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, Public Law 91-646, and acknowledge that he/they are aware of his/their rights under said Act, including, but not limited to:

- (1) Notification of the Grantee's desire to obtain the property enclosing a copy of the Act; and,
- (2) An opportunity to receive an appraisal and to accompany the appraiser during the initial inspection; and,
- (3) An opportunity to have the value of the property determined by a court of competent jurisdiction and to be compensated therefor.

The Grantor(s) do(es) hereby waive(s) all rights and privileges pursuant to Public Law 91-646, and Grantor(s) further acknowledge(s) that he/they believe(s) the sewage collection system will enhance the Grantor(s) property value and therefore has encouraged its installation.

The Grant and other provisions of this easement shall constitute a covenant running with the land for the benefit of the Grantee, its successors and assigns.

IN WITNESS WHEREOF, the Grantor(s) has/have executed this instrument this 28th day of April, 1987.

That in consideration of one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Robert L. & Frances L. Mize, hereinafter referred to as Grantor(s), do(es) hereby grant, bargain, sell, transfer and convey unto the Lake Lorman Utility District, a utility district organized and existing under the laws of the State of Mississippi, its successors and assigns, herein-after referred to as Grantee, a perpetual easement with the right to erect, construct, install, lay and thereafter use, operate, inspect, repair, maintain, replace and remove a wastewater pipeline, manhole, pump station or other appurtenances, including but not limited to underground electrical power lines, over, across and through the land of the Grantor(s) situated in Madison County, State of Mississippi, said land being described as follows:

That property described in deed recorded in Deed Book 195 at page 319 in the records in the office of the Chancery Clerk of Madison over adjacent lands of the Grantor(s), his/their successors and assigns, for the purposes of this easement.

A permanent easement, ten (10) feet in width, five (5) feet each side of, adjacent and parallel to a sanitary sewer pipeline or other appurtenances to be installed by the Lake Lorman Utility District on the property herein described in accordance with the construction plans for EPA Project No. C280641-02, prepared by Diversified Consultants, Inc., and dated March, 1987, a general plat of which is attached hereto as Exhibit "A" and made a part hereof in aid of this description. Also, a temporary construction easement twenty (20) feet in total width, five (5) feet each side of, adjacent and parallel to the previously described permanent easement. The temporary easement herein conveyed is effective for a period of one (1) year after the notice to proceed of a construction contract issued for the construction of the referenced project.

Grantee agrees that it shall manage construction activities to minimize damage to lawns, plants, and permanent structures. Fences and sidewalks shall be restored to existing condition. Reasonable care shall be taken during construction to avoid damage to vegetation. Ornamental shrubbery and tree branches shall be temporarily tied back, where appropriate, to minimize damage. Trees which receive damage to branches shall be trimmed of those branches to improve the appearance thereof. Tree trunks receiving damage from equipment shall be treated with tree dressing.*

The consideration hereinabove recited shall constitute payment in full for any damages to the land of the Grantor(s), his/their successors and assigns, by reason of the installation, operation, and maintenance

* Existing underground sprinkler/water system and/or electrical cables will be restored to existing condition. If existing 12" pine tree which will be with 5' of sewer line dies within one year after installation of sewer line as a result of sewer line installation, the Lake Lorman Utility District will be responsible for removal and will compensate Grantor \$300.00 for said loss.

of the structures or improvements referred to herein. The Grantee cove-
nants to maintain the easement in good repair so that no unreasonable
damage will result from its use to the adjacent land of the Grantor(s),
his/their successors and assigns.

The Grantor(s) acknowledge(s) receipt of the Uniform Relocation
Assistance and Real Property Acquisition Policies Act of 1970, Public
Law 91-646, and acknowledge that he/they are aware of his/their rights
under said Act, including, but not limited to:

- (1) Notification of the Grantee's desire to obtain the property
enclosing a copy of the Act; and,
- (2) An opportunity to receive an appraisal and to accompany the
appraiser during the initial inspection; and,
- (3) An opportunity to have the value of the property determined by
a court of competent jurisdiction and to be compensated therefor.

The Grantor(s) do(es) hereby waive(s) all rights and privileges pur-
suant to Public Law 91-646, and Grantor(s) further acknowledge(s) that
he/they believe(s) the sewage collection system will enhance the
Grantor(s) property value and therefore has encouraged its installation.

The Grant and other provisions of this easement shall constitute a
covenant running with the land for the benefit of the Grantee, its suc-
cessors and assigns.

IN WITNESS WHEREOF, the Grantor(s) has/have executed this instrument
this 25 day of April, 1987.

Robert Mize
Charles L. Mize

LAKE LORMAN UTILITY DISTRICT
RIGHT-OF-WAY EASEMENT

13232

KNOW ALL MEN BY THESE PRESENTS:

That in consideration of one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, James David & Myrtice J. Moore, hereinafter referred to as Grantor(s), do(es) hereby grant, bargain, sell, transfer and convey unto the Lake Lorman Utility District, a utility district organized and existing under the laws of the State of Mississippi, its successors and assigns, herein-after referred to as Grantee, a perpetual easement with the right to erect, construct, install, lay and thereafter use, operate, inspect, repair, maintain, replace and remove a wastewater pipeline, manhole, pump station or other appurtenances, including but not limited to underground electrical power lines, over, across and through the land of the Grantor(s) situated in Madison County, State of Mississippi, said land being described as follows:

That property described in deed recorded in Deed Book 166 at page 190 in the records in the office of the Chancery Clerk of Madison over adjacent lands of the Grantor(s), his/their successors and assigns, for the purposes of this easement.

A permanent easement, ten (10) feet in width, five (5) feet each side of, adjacent and parallel to a sanitary sewer pipeline or other appurtenances to be installed by the Lake Lorman Utility District on the property herein described in accordance with the construction plans for EPA Project No. C280641-02, prepared by Diversified Consultants, Inc., and dated March, 1987, a general plat of which is attached hereto as Exhibit "A" and made a part hereof in aid of this description. Also, a temporary construction easement twenty (20) feet in total width, five (5) feet each side of, adjacent and parallel to the previously described permanent easement. The temporary easement herein conveyed is effective for a period of one (1) year after the notice to proceed of a construction contract issued for the construction of the referenced project.

Grantee agrees that it shall manage construction activities to minimize damage to lawns, plants, and permanent structures. Fences and sidewalks shall be restored to existing condition. Reasonable care shall be taken during construction to avoid damage to vegetation. Ornamental shrubbery and tree branches shall be temporarily tied back, where appropriate, to minimize damage. Trees which receive damage to branches shall be trimmed of those branches to improve the appearance thereof. Tree trunks receiving damage from equipment shall be treated with tree dressing.

The consideration hereinabove recited shall constitute payment in full for any damages to the land of the Grantor(s), his/their successors and assigns, by reason of the installation, operation, and maintenance

of the structures or improvements referred to herein. The Grantee covenants to maintain the easement in good repair so that no unreasonable damage will result from its use to the adjacent land of the Grantor(s), his/their successors and assigns.

The Grantor(s) acknowledge(s) receipt of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, Public Law 91-646, and acknowledge that he/they are aware of his/their rights under said Act, including, but not limited to:

- (1) Notification of the Grantee's desire to obtain the property enclosing a copy of the Act; and,
- (2) An opportunity to receive an appraisal and to accompany the appraiser during the initial inspection; and,
- (3) An opportunity to have the value of the property determined by a court of competent jurisdiction and to be compensated therefor.

The Grantor(s) do(es) hereby waive(s) all rights and privileges pursuant to Public Law 91-646, and Grantor(s) further acknowledge(s) that he/they believe(s) the sewage collection system will enhance the Grantor(s) property value and therefore has encouraged its installation.

The Grant and other provisions of this easement shall constitute a covenant running with the land for the benefit of the Grantee, its successors and assigns.

IN WITNESS WHEREOF, the Grantor(s) has/have executed this instrument this 30 day of Apr, 1987.
