The Board of Supervisors of Madison County, Mississippi (the "County"), took up for consideration the matter of refunding certain prior bonds of the County, and after a discussion of the subject matter, Supervisor Paul Griffin offered and moved the adoption of the following resolution:

RESOLUTION OF THE BOARD OF SUPERVISORS OF MADISON COUNTY, MISSISSIPPI AUTHORIZING AND DIRECTING THE ISSUANCE OF NOT TO EXCEED \$11,000,000 MADISON COUNTY, MISSISSIPPI GENERAL OBLIGATION REFUNDING BONDS, SERIES 2015 FOR THE PURPOSE OF ADVANCE REFUNDING AND DEFEASING ALL OR A PORTION OF THE COUNTY'S OUTSTANDING \$33,000,000 (ORIGINAL PRINCIPAL AMOUNT) GENERAL OBLIGATION ROAD AND BRIDGE BONDS, SERIES 2008 (THE "REFUNDED BONDS"); PRESCRIBING THE FORM AND DETAILS OF SAID BONDS; DIRECTING THE PREPARATION, EXECUTION AND DELIVERY OF SAID BONDS; PROVIDING CERTAIN COVENANTS OF SAID COUNTY IN CONNECTION WITH SAID BONDS; AUTHORIZING THE NEGOTIATED SALE OF SAID BONDS; APPROVING THE FORM OF AND THE EXECUTION AND DELIVERY OF A BOND PURCHASE AGREEMENT IN CONNECTION WITH THE SALE OF SAID BONDS; APPROVING THE FORM OF AND THE PREPARATION AND DISTRIBUTION OF A PRELIMINARY OFFICIAL STATEMENT IN CONNECTION WITH SAID BONDS; DIRECTING THE PREPARATION AND DISTRIBUTION OF A FINAL OFFICIAL STATEMENT IN CONNECTION WITH SAID BONDS; APPROVING THE FORM OF AND THE EXECUTION AND DELIVERY OF AN ESCROW TRUST AGREEMENT IN CONNECTION WITH SAID BONDS AND SAID REFUNDED BONDS; AND FOR RELATED PURPOSES.

WHEREAS, the Board of Supervisors of Madison County, Mississippi (the "Governing Body"), acting for and on behalf of Madison County, Mississippi (the "County"), is authorized by the Mississippi Bond Refinancing Act, being Sections 31-27-1 et seq., Mississippi Code of 1972, as amended and supplemented from time to time (the "Refinancing Act"), to issue refunding bonds of the County for the purpose of refinancing outstanding bonds of the County at more favorable interest rates, provided, among other things, that such refinancing results in net present value savings to maturity of not less than two percent (2%) of the bonds being refinanced; and

WHEREAS, the Governing Body, acting for and on behalf of the County, previously authorized the issuance of the County's \$33,000,000 (original principal amount) General Obligation Road and Bridge Bonds, Series 2008, dated March 4, 2008 (the "Prior 2008 Bonds" or the "Prior Bonds"); and

WHEREAS, the Prior Bonds were issued pursuant to Sections 19-9-1 et seq., Mississippi Code of 1972, as amended and supplemented from time to time (the "County Act" and together with the Refinancing Act, the "Act"), and a resolution of the Governing Body adopted January 15, 2008 (the "2008 Bond Resolution"); and

WHEREAS, the County is desirous of refunding all or a portion of the outstanding Prior Bonds for interest rate savings; and

WHEREAS, long-term interest rates in the tax-exempt bond market are presently favorable to such a refunding; and

WHEREAS, the Refinancing Act authorizes such refunding bonds to be secured by a pledge of the same source of security or such other security as the Governing Body may lawfully pledge, or both; and

WHEREAS, it has been determined that all or a portion of the outstanding Prior Bonds (the "Refunded Bonds"), are candidates for being refunded under the Refinancing Act; and

WHEREAS, pursuant to the Refinancing Act, the Refunded Bonds can be legally or economically defeased; and

WHEREAS, the Refinancing Act authorizes the Governing Body, among other things, to provide for the terms and details of such refunding bonds, to sell such refunding bonds at public or private sale (which sale shall be on such terms and in such manner as the Governing Body shall determine to be in the County's best interest), to make arrangements for the retirement of the Refunded Bonds and to make all other arrangements relating to such refunding bonds; and

WHEREAS, the Governing Body has determined that the sale of such refunding bonds through private sale will provide the Governing Body with the greatest degree of flexibility in the marketing of such refunding bonds and will ensure the most favorable long term interest rates and will thereby maximize the interest savings for the County; and

WHEREAS, the Governing Body hereby designates Duncan-Williams, Inc., Memphis, Tennessee, as underwriter (the "Underwriter"), in connection with the sale and issuance of such refunding bonds; and

WHEREAS, such refunding bonds will be sold to the Underwriter pursuant to the terms and provisions of a Bond Purchase Agreement, to be dated as of the date of the sale of such refunding bonds (the "Bond Purchase Agreement"), by and between the Underwriter and the County; and

WHEREAS, there have been submitted to this meeting forms of:

- (a) the Bond Purchase Agreement providing for the terms and conditions of the sale of such refunding bonds to the Underwriter,

WHEREAS, it is proposed that the Governing Body should take all such additional actions, authorize the execution of such documents and certificates and authorize such other actions and proceedings as shall be necessary in connection with the sale and issuance of such refunding bonds and the refunding and defeasance of the Refunded Bonds; and

WHEREAS, the issuance of such refunding bonds does not exceed any statutory or constitutional limitation upon indebtedness which may be incurred by the County.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE COUNTY, ACTING FOR AND ON BEHALF OF THE COUNTY, AS FOLLOWS:

SECTION 1. This resolution is adopted pursuant to the Refinancing Act, the County Act and other applicable laws of the State.

SECTION 2. Proceeding under the authority of the Refinancing Act, there shall be and there are hereby authorized and directed to be issued Madison County, Mississippi General Obligation Refunding Bonds, Series 2015 (the "Bonds") in an aggregate principal amount not to exceed Eleven Million Dollars (\$11,000,000). The Bonds are being issued to advance refund and defease all or a portion of the Refunded Bonds and to pay certain costs incident to the sale, issuance and delivery of the Bonds. Principal and interest on the Bonds shall be payable on such dates, at such rate and in such amounts as provided in the Bond Purchase Agreement, which provisions shall be finalized on the date the Bond Purchase Agreement is executed by the Underwriter and the County.

SECTION 3. The Governing Body hereby finds and determines that (a) the Refinancing Act provides that the Bonds may be secured by a pledge of the same source of security as the Refunded Bonds, or such other security as the Governing Body may lawfully pledge, or both; (b) the net proceeds of the Bonds shall be applied to the refunding and defeasance of the Refunded Bonds and the payment of the costs of issuance related to the Bonds; (c) the Bonds shall not be issued unless all of the requirements of the Refinancing Act and other applicable laws of the State are met, including without limitation, the requirement of at least a two percent (2%) net present value savings for the Refunded Bonds; (d) pursuant to the Refinancing Act and the 2008 Bond Resolution, the Bonds shall be general obligations of the County and the full faith, credit and resources of the County are hereby pledged for the payment of the principal of and interest on the Bonds; (e) the aggregate principal amount of the Bonds shall not exceed Eleven Million Dollars (\$11,000,000); and (f) the Bonds shall not bear a greater overall maximum interest rate to maturity than eleven percent (11%) per annum as allowed by the Refinancing Act.

SECTION 4. Due to the character of the Bonds, the complexity of structuring the Bonds and prevailing market conditions, the Bonds shall be sold to the Underwriter at private sale pursuant to the terms and provisions of the Bond Purchase Agreement in substantially the form attached hereto as Exhibit A. The President of the Governing Body (the "President"), acting for and on behalf of the County, is hereby authorized and directed to negotiate with the Underwriter for the sale of the Bonds and to make the final decisions regarding (a) the aggregate principal amount of the Bonds, (b) the redemption provisions of the Bonds, (c) the interest rates to be borne by the Bonds, (d) the maturity date of the Bonds, (e) the Refunded Bonds to be refinanced with the proceeds of the Bonds, (f) the principal and interest payment dates for the Bonds, and to make all final determinations necessary to structure the Bonds. The Bond Purchase Agreement in substantially such form is hereby approved in all respects and, subject to the provisions of this Section and Sections 3 and 6 hereof, the President is hereby authorized and directed to execute and deliver the Bond Purchase Agreement for and on behalf of and in the name of the County, with such changes, omissions, insertions and revisions, as may be approved by the President, said execution being conclusive evidence of such approval.

SECTION 5. (a) In consideration of the purchase and acceptance of any and all of the Bonds by the registered owners thereof, this resolution shall constitute a contract between the County and the registered owners from time to time of the Bonds. The pledge made herein and the covenants and agreements herein set forth to be performed on behalf of the County shall be for the equal

benefit, protection and security of the registered owners of any and all of the Bonds, all of which, regardless of the time or times of their authentication and delivery or maturity, shall be of equal rank without preference, priority or distinction.

(b) The Bonds shall be general obligations of the County, and the full faith, credit and resources of the County are hereby irrevocably pledged for the payment of the principal of and interest on the Bonds. For the purposes of effectuating and providing for the payment of the principal of and interest on the Bonds, as the same shall respectively mature and accrue, there shall be and is hereby levied a direct, continuing special tax upon all of the taxable property within the geographical limits of the County, adequate and sufficient, after allowance shall have been made for the expenses of collection and delinquencies in the payment of taxes, to produce sums required for the payment of the principal of and the interest on the Bonds, in accordance with the provisions of this resolution. Said tax shall be extended upon the tax rolls and collected in the same manner and at the same time as other taxes of the County are collected, and the rate of tax which shall be so extended shall be sufficient in each year fully to produce the sums required as aforesaid, without limitation as to rate or amount. The avails of said tax are hereby irrevocably pledged for the payment of the principal of and interest on the Bonds as the same shall respectively mature and accrue. Should there be a failure in any year to comply with the requirements of this Section 5(b), such failure shall not impair the right of the registered owners of any of the Bonds in any subsequent year to have adequate taxes levied and collected to meet the obligations of the Bonds, both as to principal and interest.

SECTION 6. The Bonds shall be dated the date of their delivery and shall bear interest from said date at the rates per annum to be set forth in the Bond Purchase Agreement; provided, however, that the Bonds shall not bear a greater overall maximum interest rate to maturity than eleven percent (11%) per annum as allowed by the Refinancing Act, and shall mature no later than March 1, 2028, in the years and in the principal amounts to be set forth in the Bond Purchase Agreement.

SECTION 7. The Bonds shall be initially issued and held under a book-entry system as fully registered bonds issued in the denominations of \$5,000 or any integral multiple thereof and shall be numbered separately from 1 upwards without regard to maturity.

SECTION 8. (a) Notwithstanding anything to the contrary in this resolution, so long as the Bonds are being held under a book-entry system, transfers of beneficial ownership of the Bonds will be effected pursuant to rules and procedures established by the Securities Depository. For purposes of this resolution, "Securities Depository" shall mean a recognized securities depository (or its successor or substitute) selected by the County to act as the securities depository maintaining a book-entry transfer system for the Bonds.

(b) As long as a book-entry system is in effect for the Bonds, the Securities Depository Nominee will be recognized as the registered owner of the Bonds for the purpose of (1) paying the principal of or interest on such Bonds, (2) giving any notice permitted or required to be given to registered owners of the Bonds under this resolution, (3) registering the transfer of such Bonds, and (4) requesting any consent or other action to be taken by the registered owners of such Bonds, and for all other purposes whatsoever, and neither the County nor the Paying and Transfer Agent (as hereinafter defined) shall be affected by any notice to the contrary. For the purposes of this resolution, "Securities Depository Nominee" shall mean, with respect to the Bonds and as to any Securities Depository, such Securities Depository or the nominee of such Securities Depository in whose name the Bonds shall be registered on the registration records of the County maintained by the Paying and Transfer Agent pursuant to Section 16 hereof during the time such Bonds are held under a book-entry system through such Securities Depository.

(c) Neither the County nor the Paying and Transfer Agent shall have any responsibility or obligation to any participant, any beneficial owner or any other person claiming a beneficial ownership in any Bonds which are registered to a Securities Depository Nominee under or through the Securities Depository with respect to any action taken by the Securities Depository as registered owner of such Bonds.

(d) The Paying and Transfer Agent shall pay all principal of and interest on the Bonds issued under the book-entry system, only to the Securities Depository, or the Securities Depository Nominee, as the case may be, for such Bonds, and all such payments shall be valid and effectual

to fully satisfy and discharge the obligations with respect to the principal of and interest on such Bonds.

(e) In the event that the Governing Body determines that it is in the best interest of the County to discontinue the book-entry system of transfer for the Bonds, or that the interests of the beneficial owners of the Bonds may be adversely affected if the book-entry system is continued, then the County shall notify the Securities Depository and the Paying and Transfer Agent of such determination. In such event, the County shall execute and the Paying and Transfer Agent shall, pursuant to subsequent resolution of the Governing Body, authenticate, register and deliver physical certificates for the Bonds in exchange for the Bonds registered in the name of the Securities Depository. Such certificates shall be in fully registered form and transferable only upon the registration records of the County maintained by the Paying and Transfer Agent, by the registered owner thereof or by such registered owner's attorney, duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Paying and Transfer Agent, duly executed by the registered owner or such registered owner's duly authorized attorney in accordance with this resolution.

(f) In the event that the Securities Depository for the Bonds discontinues providing its services, the County shall either engage the services of another Securities Depository or deliver physical certificates in the manner described in subparagraph (e) above.

(g) In connection with any notice or other communication to be provided to the registered owners of the Bonds by the County or by the Paying and Transfer Agent with respect to any consent or other action to be taken by the registered owners, the County or the Paying and Transfer Agent, as the case may be, shall establish a record date for such consent or other action and give the Securities Depository Nominee notice of such record date not less than fifteen (15) days in advance of such record date to the extent possible.

(h) The Bonds shall be issued initially under the book-entry system maintained by The Depository Trust Company, New York, New York ("DTC") and shall be registered in the name of Cede & Co., as the initial Securities Depository Nominee for the Bonds. Notwithstanding any other provisions to the contrary, so long as necessary in order to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes under the Code, the covenants contained in this section shall survive the payment of the Bonds and the interest thereon, including any payment or defeasance thereof.

[END OF BOND FORM]

SECTION 16. The Governing Body hereby adopts, pursuant to the authority granted by the Act and the Registered Bond Act, the following conditions (the "Conditions") which are to apply to the transfer, exchange and replacement of the Bonds, and other similar matters.

**CONDITIONS AS TO THE ISSUANCE, TRANSFER,
EXCHANGE AND REPLACEMENT OF THE BONDS**

"Paying and Transfer Agent" as used in these Conditions means, as to Bonds designated herein, the bank or banks designated by action of the Governing Body as the Paying and Transfer Agent with respect to the Bonds and whose duties and responsibilities shall be as further limited or set forth in the form of Bonds for such issue of Bonds and by Section 8 of this resolution.

The principal of all Bonds shall be payable at the corporate trust office of the Paying and Transfer Agent, and payment of the interest on each Bond shall be made by the Paying and Transfer Agent on each interest payment date to the person appearing on the registration records of the County (hereinafter provided for) as the registered owner thereof as of the close of business on the date which shall be the fifteenth (15th) day (whether or not a business day) of the calendar month next preceding such interest payment date, by check or draft mailed to such registered owner at such registered owner's address as it appears on such registration records. Payment of the principal of all Bonds shall be made upon the presentation and surrender for cancellation of such Bonds as the same shall become due and payable.

Bonds, upon surrender thereof at said corporate trust office of the Paying and Transfer Agent with a written instrument of transfer satisfactory to such Paying and Transfer Agent duly executed by the registered owner or such registered owner's authorized attorney, may be exchanged for Bonds of like series, maturity and interest rate of any other authorized denominations. Each such Bond shall be dated as of the date six (6) months preceding the interest payment date thereon next following the date of delivery of such Bond in registered form, unless such date of delivery shall be an interest payment date in which case it shall be dated as of such date of delivery, and every such Bond in registered form shall bear interest from its date.

So long as the Bonds shall remain outstanding, the County shall cause the Paying and Transfer Agent to maintain and keep, at its corporate trust office, registration records for the registration and transfer of Bonds, and, upon presentation thereof for such purpose at such corporate trust office, the County shall cause the Paying and Transfer Agent to register or cause to be registered thereon, and permit to be transferred thereon, under such reasonable regulations as the Paying and Transfer Agent may prescribe, any Bond. So long as any of the Bonds remain outstanding, the County shall make all necessary provisions to permit the exchange of Bonds at the corporate trust office of the Paying and Transfer Agent.

All Bonds shall be transferable only upon the registration records which shall be kept for that

purpose at the corporate trust office of the Paying and Transfer Agent for the County, by the registered owner thereof in person or such registered owner's authorized attorney, upon surrender thereof, together with a written instrument of transfer satisfactory to the Paying and Transfer Agent, duly executed by the registered owner or such registered owner's authorized attorney, and upon such transfer there shall be issued in the name of the transferee a new Bond or Bonds in registered form of the same series in the same aggregate principal amount and of like maturity and interest rate as the Bond or Bonds surrendered. Bonds issued in connection with transfers shall be dated in the same manner provided above for the dating of Bonds issued in connection with exchanges.

Neither the County nor the Paying and Transfer Agent shall be required (a) to exchange or transfer Bonds for a period of fifteen (15) days next preceding an interest payment date on the Bonds or next preceding any selection of Bonds to be redeemed or thereafter until the first mailing of any notice of redemption, or (b) to transfer or exchange any Bond called for redemption.

All Bonds surrendered in any exchanges or transfers shall forthwith be canceled by the Paying and Transfer Agent and thereafter transmitted to the County.

Prior to the issuance or delivery of any Bond, whether upon original issuance, transfer, exchange or replacement, the Paying and Transfer Agent shall manually execute the certificate of authentication provided thereon. No Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Paying and Transfer Agent. Such certificate of the Paying and Transfer Agent upon any Bond executed on behalf of the County shall be conclusive evidence that the Bond so authenticated has been duly authenticated and delivered.

Bonds bearing the facsimile signature of any person who shall have been the President or Clerk at the time such Bonds were originally dated or delivered by the County shall bind the County notwithstanding the fact that he or she may have ceased to be such officer prior to the delivery of such Bonds or was not such officer at the date of such Bonds.

Except as otherwise required by law, if (a) any mutilated Bond is surrendered to the Paying and Transfer Agent at its corporate trust office, or the Paying and Transfer Agent receives evidence to its satisfaction of the destruction, loss or theft of any Bond and (b) there is delivered to the Paying and Transfer Agent such security and/or indemnity as may be required by it to save harmless the County and the Paying and Transfer Agent, and as otherwise required by law, then, in the absence of notice to the Paying and Transfer Agent that such Bond has been acquired by a bona fide purchaser as such term is defined in the Uniform Commercial Code as it is then in effect in the State, the Paying and Transfer Agent shall authenticate and deliver, in exchange for any such mutilated Bond, or in lieu of any such destroyed, lost or stolen Bond, a new Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding. The Paying and Transfer Agent shall thereupon cancel any Bond so surrendered.

In case any mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the Paying and Transfer Agent in its discretion may, instead of issuing a new Bond, pay such Bond.

Each new Bond issued pursuant to this Section in lieu of any surrendered, destroyed, lost or stolen Bond shall constitute an additional contractual obligation of the County and shall be entitled to all benefits equally and proportionately with any and all other Bonds duly issued. All Bonds shall be held and owed upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen Bonds, and shall preclude (to the extent lawful) all other rights or remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Bonds or securities.

Notwithstanding the foregoing provisions of these Conditions, no Bonds shall be exchanged for

other Bonds or be registered or transferred or issued or delivered by or on behalf of the County or the Paying and Transfer Agent pursuant to this Section at the request of a holder or owner of a Bond, except upon payment to such Paying and Transfer Agent by or on behalf of such holder or owner of a charge sufficient to reimburse the County and such Paying and Transfer Agent for any tax, fee, or other governmental charge required to be paid with respect to the transaction.

The County and the Paying and Transfer Agent may treat and consider the person in whose name any Bond shall be registered upon the registration records as herein provided as the holder and absolute owner thereof, whether such Bond shall be overdue or not, for the purpose of receiving payment of the principal thereof and interest thereon and for all other purposes whatsoever; provided, however, payment of, or on account of, the principal of and interest on such Bond shall be made only to, or upon the order of, such registered owner, and such payment so made shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the County nor any Paying and Transfer Agent shall be affected by any notice to the contrary.

SECTION 17. (a) So long as any of the Bonds shall remain outstanding, the County shall maintain with the Paying and Transfer Agent separate records for the registration and transfer of the Bonds. The Paying and Transfer Agent is hereby appointed registrar for the Bonds, in which the County the Paying and Transfer Agent shall register in such records and permit to be transferred thereon, under such reasonable regulations as may be prescribed, any Bond entitled to registration or transfer.

(b) The County shall pay or reimburse the Paying and Transfer Agent for reasonable fees for the performance of the services normally rendered and the incurring of normal expenses reasonably and necessarily paid as are customarily paid to paying agents, transfer agents and bond registrars, subject to agreement between the County and the Paying and Transfer Agent. Fees and reimbursements for extraordinary services and expenses, so long as not occasioned by the negligence, misconduct or willful default of the Paying and Transfer Agent, shall be made by the County on a case-by-case basis, subject, where not prevented by emergency or other exigent circumstances, to the prior written approval of the Governing Body.

(c) (1) A Paying and Transfer Agent may at any time resign and be discharged of its duties and obligations as Paying and Transfer Agent, by giving at least sixty (60) days written notice to the County, and may be removed as Paying and Transfer Agent at any time by resolution of the Governing Body delivered to the Paying and Transfer Agent. The resolution shall specify the date on which such removal shall take effect and the name and address of the successor Paying and Transfer Agent, and shall be transmitted to the Paying and Transfer Agent being removed within a reasonable time prior to the effective date thereof. Provided, however, that no resignation or removal of a Paying and Transfer Agent shall become effective until a successor Paying and Transfer Agent has been appointed pursuant to this resolution.

(2) Upon receiving notice of the resignation of the Paying and Transfer Agent, the County shall promptly appoint a successor Paying and Transfer Agent by resolution of the Governing Body. Any appointment of a successor Paying and Transfer Agent shall become effective upon acceptance of appointment by the successor Paying and Transfer Agent. If no successor Paying and Transfer Agent shall have been so appointed and have accepted appointment within thirty (30) days after the notice of resignation, the resigning Paying and Transfer Agent may petition any court of competent jurisdiction for the appointment of a successor Paying and Transfer Agent, which court may thereupon, after such notice as it may deem appropriate, appoint a successor Paying and Transfer Agent.

(3) In the event of a change of Paying and Transfer Agents, the predecessor Paying and Transfer Agent shall cease to be custodian of any funds held pursuant to this resolution in connection with its role as such Paying and Transfer Agent, and the successor Paying and Transfer Agent shall become such custodian; provided, however, that before any such delivery is required to be made, all fees, advances and expenses of the retiring or removed Paying and Transfer Agent shall be fully paid. Every predecessor Paying and Transfer Agent shall deliver to its successor Paying and Transfer Agent all records of account, registration records, lists of holders of the Bonds and all other records, documents and instruments relating to its duties as such Paying and Transfer Agent.

(4) Any successor Paying and Transfer Agent appointed under the provisions hereof shall be a bank, trust company or national banking association having Federal Deposit Insurance Corporation insurance of its accounts, duly authorized to exercise corporate trust powers and subject to examination by and in good standing with the federal and/or state regulatory authorities under the jurisdiction of which it falls.

(5) Every successor Paying and Transfer Agent appointed hereunder shall execute, acknowledge and deliver to its predecessor Paying and Transfer Agent and to the County an instrument in writing accepting such appointment hereunder, and thereupon such successor Paying and Transfer Agent, without any further act, shall become fully vested with all the rights, immunities and powers, and be subject to all the duties and obligations, of its predecessor.

(6) Should any transfer, assignment or instrument in writing be required by any successor Paying and Transfer Agent from the County to more fully and certainly vest in such successor Paying and Transfer Agent the estates, rights, powers and duties hereby vested or intended to be vested in the predecessor Paying and Transfer Agent, any such transfer, assignment and written instruments shall, on request, be executed, acknowledged and delivered by the County.

(7) The County will provide any successor Paying and Transfer Agent with certified copies of all resolutions, orders and other proceedings adopted by the Governing Body relating to the Bonds.

(8) All duties and obligations imposed hereby on a Paying and Transfer Agent or successor Paying and Transfer Agent shall terminate upon the accomplishment of all duties, obligations and responsibilities imposed by law or required to be performed by this resolution.

(d) Any corporation or association into which a Paying and Transfer Agent may be converted or merged, or with which it may be consolidated or to which it may sell or transfer its assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, shall be and become successor Paying and Transfer Agent hereunder and vested with all the powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of either the County or the successor Paying and Transfer Agent, anything herein to the contrary notwithstanding, provided only that such successor Paying and Transfer Agent shall be satisfactory to the County and eligible under the provisions of Section 17(c)(4) hereof.

SECTION 18. The Bonds shall be prepared and executed as soon as may be practicable after the adoption of this resolution and shall thereafter be delivered to or as directed by the Underwriter.

SECTION 19. If (a) the County shall pay or cause to be paid to the owners of the Bonds the principal of, and interest to become due thereon at the times and in the manner stipulated therein and herein, (b) all fees and expenses of the Paying and Transfer Agent shall have been paid, and (c) the County shall have kept, performed and observed all and singular the covenants and promises in the Bonds and in this resolution expressed as to be kept, performed and observed by it or on its part, then the Bonds shall cease to be entitled to any lien, benefit or security under this resolution and shall no longer be deemed to be outstanding hereunder. If the County shall pay or cause to be paid to the owners of outstanding Bonds of a particular maturity, the principal of, and interest to become due thereon at the times and in the manner stipulated therein and herein, such Bonds shall cease to be entitled to any lien, benefit or security under this resolution and shall no longer be deemed to be outstanding hereunder.

All Bonds for the payment of which sufficient monies, or, to the extent permitted by the laws of the State, (a) direct obligations of, or obligations the payment of the principal of and interest on which are unconditionally guaranteed by, the United States of America ("Government Obligations"), or (b) certificates of deposit or other securities fully secured by Government Obligations, or (c) evidences of ownership of proportionate interests in future interest or principal payments on Government Obligations held by a bank or trust company as custodian, under which the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor on the Government Obligations and which Government Obligations are not available to satisfy any claim of the custodian or any person claiming through the custodian or to whom the custodian may be obligated, or (d) municipal

Defeasance Securities will be considered sufficient if said investments, with interest, mature and bear interest in such amounts and at such times as will assure sufficient cash to pay currently maturing interest and to pay principal when due on the Bonds. For the purpose of this Section, Defeasance Securities shall mean and include only (a) such Defeasance Securities which shall not be subject to redemption prior to their maturity other than at the option of the holder thereof or (b) Defeasance Securities which, if subject to redemption shall, nevertheless, in all events, regardless of when redeemed, provide sufficient and timely funds for payment of the principal of and interest on the Bonds to be paid thereby.

SECTION 21. (a) The County shall maintain with a qualified depository thereof a fund (the "Bond Fund") in its name for the payment of the principal of and interest on the Bonds and the payment of the Paying and Transfer Agents' fees in connection therewith. There shall be deposited into the Bond Fund as and when received:

- (4) any other funds available to the County which may be lawfully used for payment of the principal of and interest on the Bonds, and which the Governing Body in its discretion, may direct to be deposited into the Bond Fund.

(b) As long as any principal of and interest on the Bonds remains outstanding, the Clerk is hereby irrevocably authorized and directed to withdraw from the Bond Fund sufficient monies to make the payments herein provided for and to transfer same to the account of the Paying and Transfer Agent in time to reach said Paying and Transfer Agent at least five (5) days prior to the date on which said interest or principal and interest shall become due.

SECTION 22. The principal proceeds received upon the sale of the Bonds shall be deposited with the Escrow Trustee as provided in the Escrow Agreement. A portion of the proceeds of the Bonds shall be deposited in the Cost of Issuance Account (as defined in the Escrow Agreement) and used by the Escrow Trustee to pay all legal fees and expenses including those of Bond Counsel and Counsel to the County (as hereinafter defined), Financial Advisor (as hereinafter defined) fees and expenses, Paying and Transfer Agent fees and expenses, premiums, commissions and all other fees and expenses incurred by the County in connection with the authorization, issuance, sale, validation and delivery of the Bonds.
