Notice of each such redemption shall be mailed, postage prepaid, not less than two (2) business days prior to the redemption date, to the registered owner of the Note to be redeemed at the address appearing on the registration books of the County maintained by the Paying and Transfer Agent.

If the Note is redeemed in part, amounts paid in connection with such partial redemption shall be applied first to interest to the extent then accrued and the remainder shall be applied to principal installments due thereunder as determined by the Governing Body. In case the Note is to be redeemed in part only, the notice of redemption for the Note shall state the part or portion thereof to be redeemed.

Notice having been given in the manner and under the conditions hereinabove provided, the Note or portions thereof so called for redemption shall, on the date designated for redemption in such notice, become and be due and payable at the redemption price provided for redemption of the Note or portions thereof on such date. On the date so fixed for redemption, provided moneys for payment of the redemption price shall be held in separate accounts by the Paying and Transfer Agent in trust for the holder of the Note or portions thereof to be redeemed, interest on the Note or portions thereof so called for redemption shall cease to accrue, such Note or portions thereof shall cease to be entitled to any lien, benefit or security under this resolution, and the holder of the Note or portions thereof shall have no right in respect thereof except to receive payment of the redemption price thereof.

(6) Should any transfer, assignment or instrument in writing be required by any successor Paying and Transfer Agent from the County to more fully and certainly vest in such successor Paying and Transfer Agent the estates, rights, powers and duties hereby vested or intended to be vested in the predecessor Paying and Transfer Agent, any such transfer, assignment and written instruments shall, on request, be executed, acknowledged and delivered by the County.

SECTION 15. The person in whose name the Note shall be registered in the records of the County kept and maintained by the Paying and Transfer Agent may be deemed the absolute holder thereof for all purposes, and payment of or on account of the principal of or interest on the Note shall be made only to or upon the order of the registered holder thereof, or such registered holder's legal representative, but such registration may be changed as herein provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon the Note to the extent of the sum or sums so paid.

SECTION 16. (a) The County shall maintain with a qualified depository thereof a special fund hereby created in the name of the County designated as the Series 2018 Note Fund (the "Note Fund") for the payment of the principal of and interest on the Note and the payment of the Paying and Transfer Agent's fees in connection therewith. There shall be deposited into the Note Fund as and when received:

SECTION 17. (a) The principal proceeds received upon the sale of the Note shall be deposited with a qualified depository of the County in a special fund hereby created in the name of the County designated as the Series 2018 Note Project Fund from which there shall be first paid by the Clerk all expenses, premiums, fees and commissions incurred and deemed necessary or advantageous in connection with the authorization, sale, issuance, validation and delivery of the Note, including but not limited to, Special Counsel fees and legal expenses, Financial Advisor fees and expenses, County counsel fees and expenses and all claims that may have been incurred to date in connection with the Project, which payments shall subsequently be approved and ratified by the Governing Body.

SECTION 18. The County covenants to comply with each requirement of the Code, necessary to maintain the excludability of interest on the Note from gross income for federal income tax purposes, and in furtherance thereof, to comply with a certificate of the County to be executed and delivered concurrently with the issuance and delivery of the Note, or such other covenants as may, from time to time, be required to be complied with in order to maintain the excludability of interest on the Note from gross income for federal income tax purposes. Notwithstanding any other provisions to the contrary, so long as necessary in order to maintain the excludability of interest on the Note from gross income for federal income tax purposes under the Code, the covenants contained in this Section shall survive the payment of the Note and the interest thereon.
