it does not look to Special Counsel to obtain such information on its behalf; and
(f) while it has no present intention to resell or otherwise dispose of all or any part of the Note purchased by it, such purchaser assumes responsibility for disclosing all material information in compliance with all applicable federal and state securities laws in the event of its resale or transfer of the Note.

The above limitation shall not prohibit the Purchaser from selling or transferring participation interests in the Note to other national or state banks or similar institutions provided that the holders of such participation interests shall provide a document similar to the one set forth above satisfactory to the County and Special Counsel, and such holders shall have no right to sell or transfer their participation interests without prior approval of the County except to the Purchaser. If the date for payment of the principal of and interest on the Note shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the County are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such day shall have the same force and effect as if made on the normal day of payment.

SECTION 11. (a) So long as the Note shall remain outstanding, the County shall maintain with the Paying and Transfer Agent records for the registration and transfer of the Note. The Paying and Transfer Agent is hereby appointed registrar for the Note, in which capacity the Paying and Transfer Agent shall register in such records and permit to be transferred thereon, under such reasonable regulations as may be prescribed, any Note entitled to registration or transfer.

(b) The County shall pay or reimburse the Paying and Transfer Agent for reasonable fees for the performance of the services normally rendered and the incurring of normal expenses reasonably and necessarily paid as are customarily paid to paying agents, transfer agents and note or bond registrars, subject to agreement between the County and the Paying and Transfer Agent. Fees and reimbursements for extraordinary services and expenses, so long as not occasioned by the negligence, misconduct or willful default of the Paying and Transfer Agent, shall be made by the County on a case-by-case basis, subject, where not prevented by emergency or other exigent circumstances, to the prior written approval of the Governing Body.

(c) (1) A Paying and Transfer Agent may at any time resign and be discharged of its duties and obligations as Paying and Transfer Agent, by giving at least sixty (60) days written notice to the County, and may be removed as Paying and Transfer Agent at any time by resolution of the Governing Body delivered to the Paying and Transfer Agent. The resolution shall specify the date on which such removal shall take effect and the name and address of the successor Paying and Transfer Agent, and shall be transmitted to the Paying and Transfer Agent being removed within a reasonable time prior to the effective date thereof; provided, however, that no resignation or removal of a Paying and Transfer Agent shall become effective until a successor Paying and Transfer Agent has been appointed pursuant to this resolution.

(2) Upon receiving notice of the resignation of the Paying and Transfer Agent, the County shall promptly appoint a successor Paying and Transfer Agent by resolution of the Governing Body. Any appointment of a successor Paying and Transfer Agent shall become effective upon acceptance of appointment by the successor Paying and Transfer Agent. If no successor Paying and Transfer Agent shall have been so appointed and have accepted appointment within thirty (30) days after the notice of resignation, the resigning Paying and Transfer Agent may petition any court of competent jurisdiction for the appointment of a successor Paying and Transfer Agent, which court may thereupon, after such notice as it may deem appropriate, appoint a successor Paying and Transfer Agent.

(3) In the event of a change of Paying and Transfer Agents, the predecessor Paying and Transfer Agent shall cease to be custodian of any funds held pursuant to this resolution in connection with its role as such Paying and Transfer Agent, and the successor Paying and Transfer Agent shall become such custodian; provided, however, that before any such delivery is required to be made, all reasonable fees, advances and expenses of the retiring or removed Paying and Transfer Agent shall be fully paid. Every predecessor Paying and Transfer Agent shall deliver to its successor

Paying and Transfer Agent all books of account, registration records and all other records, documents and instruments relating to its duties as such Paying and Transfer Agent.

(4) Any successor Paying and Transfer Agent appointed under the provisions hereof shall be a bank, trust company or national banking association having Federal Deposit Insurance Corporation insurance of its accounts, duly authorized to exercise corporate trust powers and subject to examination by and in good standing with the federal and/or state regulatory authorities under the jurisdiction of which it falls.

(5) Every successor Paying and Transfer Agent appointed hereunder shall execute, acknowledge and deliver to its predecessor Paying and Transfer Agent and to the County an instrument in writing accepting such appointment hereunder, and thereupon such successor Paying and Transfer Agent, without any further act, shall become fully vested with all the rights, immunities and powers, and be subject to all the duties and obligations, of its predecessor.

(6) Should any transfer, assignment or instrument in writing be required by any successor Paying and Transfer Agent from the County to more fully and certainly vest in such successor Paying and Transfer Agent the estates, rights, powers and duties hereby vested or intended to be vested in the predecessor Paying and Transfer Agent, any such transfer, assignment and written instruments shall, on request, be executed, acknowledged and delivered by the County.

(7) The County will provide any successor Paying and Transfer Agent with certified copies of all resolutions, orders and other proceedings adopted by the Governing Body relating to the Note.

(8) All duties and obligations imposed hereby on a Paying and Transfer Agent or successor Paying and Transfer Agent shall terminate upon the accomplishment of all duties, obligations and responsibilities imposed by law or required to be performed by this resolution.

(d) Any corporation or association into which a Paying and Transfer Agent may be converted or merged, or with which it may be consolidated or to which it may sell or transfer its assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, shall be and become successor Paying and Transfer Agent hereunder and vested with all the powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of either the County or the successor Paying and Transfer Agent, anything herein to the contrary notwithstanding, provided only that such successor Paying and Transfer Agent shall be satisfactory to the County and eligible under the provisions of Section 11(c)(4) hereof.

SECTION 12. In case the Note shall become mutilated or be stolen, destroyed or lost, the County shall, if not then prohibited by law, cause to be delivered a new Note of like date, number, maturity and tenor in exchange and substitution for and upon cancellation of such mutilated Note, or in lieu of and in substitution for such Note stolen, destroyed or lost, upon the registered holder(s) paying the reasonable expenses and charges of the County in connection therewith, and in case of a Note stolen, destroyed or lost, such registered holder's filing with the County or Paying and Transfer Agent evidence satisfactory to it or them that such Note was stolen, destroyed or lost, and of such registered holder's ownership thereof, and furnishing the County or Paying and Transfer Agent with such security or indemnity as may be required by law and by them to save each of them harmless from all risks, however remote.

SECTION 13. The Note shall be prepared and executed as soon as may be practicable after the adoption of this resolution and shall be delivered thereafter to the Purchaser.

SECTION 14. If (a) the County shall pay or cause to be paid to the holder of the Note the principal of, and interest to become due thereon at the times and in the manner stipulated therein and herein, (b) all reasonable fees and expenses of the Paying and Transfer Agent shall have been paid, and (c) the County shall have kept, performed and observed all and singular the covenants and promises in the Note and in this resolution expressed as to be kept, performed and observed by it or on its part, then the Note shall cease to be entitled to any lien, benefit or security under this resolution and shall no longer be deemed to be outstanding hereunder.

SECTION 15. The person in whose name the Note shall be registered in the records of the

County kept and maintained by the Paying and Transfer Agent may be deemed the absolute holder thereof for all purposes, and payment of or on account of the principal of or interest on the Note shall be made only to or upon the order of the registered holder thereof, or such registered holder's legal representative, but such registration may be changed as herein provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon the Note to the extent of the sum or sums so paid.

SECTION 16. (a) The County shall maintain with a qualified depository thereof a special fund hereby created in the name of the County designated as the Series 2018B Note Fund (the "Note Fund") for the payment of the principal of and interest on the Note and the payment of the Paying and Transfer Agent's fees in connection therewith. There shall be deposited into the Note Fund as and when received:

- (1) the avails of any of the ad valorem taxes levied and collected pursuant to Section 5 hereof;
- (2) any income received from investment of monies in the Note Fund; and
- (3) any other funds available to the County which may be lawfully used for payment of the principal of and interest on the Note, and which the Governing Body, in its discretion, may direct to be deposited into the Note Fund.

(b) As long as any principal of and interest on the Note remains outstanding, the Clerk is hereby irrevocably authorized and directed to withdraw from the Note Fund sufficient monies to make the payments herein provided for and to transfer same to the account of the Paying and Transfer Agent in time to reach said Paying and Transfer Agent at least one (1) business day prior to the date on which said principal and interest shall become due.

SECTION 17. (a) The principal proceeds received upon the sale of the Note shall be deposited with a qualified depository of the County in a special fund hereby created in the name of the County designated as the Series 2018B Note Project Fund from which there shall be first paid by the Clerk all expenses, premiums, fees and commissions incurred and deemed necessary or advantageous in connection with the authorization, sale, issuance, validation and delivery of the Note, including but not limited to, Special Counsel fees and legal expenses, Financial Advisor fees and expenses, County counsel fees and expenses and all claims that may have been incurred to date in connection with the Project, which payments shall be paid upon written approval by the President of the Governing Body, without the necessity of providing for such payments on the County claims docket.

(b) The balance of such proceeds shall be used, to the extent permitted by law, (1) for the costs of and costs associated with the Project or to reimburse the County for any expenses in connection with the costs of or costs associated with the Project to the extent permitted by the Internal Revenue Code of 1986, as amended (the "Code"), provided, however, that proceeds shall be used (A) first for the costs of and costs associated with (I) the roads, highways, bridges and related approaches within the County identified on Exhibit D hereto and (ii) building, maintaining and equipping recreational centers, stadiums, lakes, or parks or any one or more of the aforesaid, and (B) second for costs related to any other roads, highways and bridges in the County and for other purposes authorized by the Act; (2) to pay engineering, fiscal, trustee, printing, accounting, construction manager, feasibility consultant, legal expenses and development expenses incurred in connection with the Project or to reimburse the County for any expenses in connection with the Project to the extent permitted by the Code and as limited by clause (1) above, and the issuance of the Note; (3) to pay the premium or premiums on any insurance or any form of guarantee obtained from any source to assure the prompt payment of principal and interest on the Note when due; and (4) to pay costs related to any suits and proceedings in connection with the Project, including any costs of settlement thereof.

SECTION 18. The County covenants to comply with each requirement of the Code, necessary to maintain the excludability of interest on the Note from gross income for federal income tax purposes, and in furtherance thereof, to comply with a certificate of the County to be executed and delivered concurrently with the issuance and delivery of the Note, or such other covenants as may, from time to time, be required to be complied with in order to maintain the excludability of

Notwithstanding any other provisions to the contrary, so long as necessary in order to maintain the excludability of interest on the Note from gross income for federal income tax purposes under the Code, the covenants contained in this Section shall survive the payment of the Note and the interest thereon.

SECTION 19. The County hereby designates the Note as "qualified tax-exempt obligation" as defined in and for the purposes of Section 265(b)(3) of the Code. For purposes of this designation, the County hereby represents that:

(a) the County reasonably anticipates that the amount of tax-exempt obligations to be issued by it during the period from January 1, 2018 to December 31, 2018, and the amount of obligations designated as "qualified tax-exempt obligation" by it, will not exceed \$10,000,000 when added to the aggregate principal amount of the Note; and

(b) for purposes of this Section 19, the following obligations are not taken into account in determining the aggregate principal amount of tax-exempt obligations issued by the County: (I) a private activity bond as defined in Section 141 of the Code (other than a qualified 501(c)(3) bond, as defined in Section 145 of the Code); and (ii) any obligation issued to refund any other tax-exempt obligation (other than to advance refund within the meaning of Section 149(d)(5) of the Code) as provided in Section 265(b)(3)(c) of the Code.

SECTION 20. Each member of the Governing Body, the President and the Clerk are hereby authorized to execute such documents, instruments and papers, and do such acts and things as may be necessary or advisable in connection with the authorization, sale, preparation, validation, execution, issuance and delivery of the Note.

The decisions and determinations made by the President, the Clerk, the Financial Advisor and Special Counsel relating to the Note, and the actions taken by them in connection with the preparation and publication of the Notice and the preparation and distribution of the Bid Memorandum, the Notice, the Proposal, and the documents and materials included therewith, are hereby approved and ratified by the Governing Body.

SECTION 22. Except as otherwise expressly provided herein, nothing in this resolution, express or implied, is intended or shall be construed to confer upon any person or firm or corporation other than the County, the holder of the Note issued under the provisions of this resolution, the Governing Body and the Paying and Transfer Agent, any right, remedy, or claim, legal or equitable, under and by reason of this resolution or any of the provisions hereof. This resolution and all of its provisions are intended to be and shall be for the sole and exclusive benefit of the County, the Governing Body and the holder from time to time of the Note issued under the provisions of this resolution.

SECTION 23. All covenants, stipulations, obligations and agreements of the County contained in this resolution, shall be binding upon the County, and, except as otherwise provided in this resolution, all rights, powers and privileges conferred and duties and liabilities imposed upon the County by the provisions of this resolution, shall be exercised or performed by the County. No stipulation, obligation or agreement herein contained or any other document necessary to conclude the sale and issuance of the Note shall be deemed to be a stipulation, obligation or agreement of any officer, agent or employee of the County, including the Governing Body, in his or her individual capacity, and no such officer, agent or employee shall be personally liable on the Note or be subject to personal liability or accountability by reason of the sale and issuance thereof.

SECTION 24. Community Bank of Mississippi is hereby appointed Paying and Transfer Agent in connection with the Note.
