

**Madison County Board of Supervisors Public Hearing, June 30, 2021: Quick Notes**

- During a scheduled public hearing, the Madison County Board of Supervisors (the Board) created a new fire protection district to provide fire protection services to unincorporated areas of Madison County that surround Canton. The new district excludes the Madison County MegaSite. The Board directed the County Administrator and the County Attorney to present options during the July 19<sup>th</sup> meeting regarding fire protection within the Madison County MegaSite.

***The Madison County Board of Supervisors will meet again Tuesday, July 6, 2021, at 9:00 a.m. in the Administrative Building in Canton.***
