

The Madison County Board of Supervisors Meeting: November 21, 2022: Quick Notes

- The Madison County Board of Supervisors, the Board, approved supporting the Madison County Business League and Foundation's 2023 Legislative priorities which are as follows:
 - The Bozeman Road and Reunion Crossing Parkway
 - The Broadband Program
 - Storm Water/Drainage/Water/Sewer
 - Widening Interstate 55 between Highway 463 and new Reunion Crossing Interchange
- The Board acknowledged a letter from the Natural Resources Conservation Service approving an additional \$1.6mm for the planning and design of a flood control solution for the entire Bear Creek Watershed.
- The Board approved the final plat of Clarkdell Estates. This is a 5-lot subdivision on 29.55 acres with no public infrastructure.
- The Board approved the final plat of Windy Hill Estates. This is a four-lot subdivision on 14.84 acres with no public infrastructure. It is bordered by existing roads Windy Hill Drive, Willow Way Drive and Stormy Drive.
- The Board approved a \$5,000 contribution to the American Red Cross. From July 1, 2021, to June 31, 2022, the American Red Cross provided almost \$20,000 in direct disaster assistance in Madison County.
- The Board approved allowing MCEDA to construct a pad for the Megasite Fire Station. By having MCEDA construct the pad with on-site material from a road project, the cost to the county is reduced by approximately \$147,000.

**Madison County Board of Supervisors will meet again Monday, December 5, 2022,
at 9:00 a.m. in the Administrative Building in Canton.**
