5. It has now become necessary to make provision for the preparation, execution and issuance of said Bonds.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY, ACTING FOR AND ON BEHALF OF THE COUNTY, AS FOLLOWS:

SECTION 1. In consideration of the purchase and acceptance of any and all of the Bonds by those who shall hold the same from time to time, this Bond Resolution shall constitute a contract between the County and the Registered Owners from time to time of the Bonds. The pledge made herein and the covenants and agreements herein set forth to be performed on behalf of the County for the benefit of the Registered Owners shall be for the equal benefit, protection and security of the Registered Owners of any and all of the Bonds, all of which, regardless of the time or times of their authentication and delivery or maturity, shall be of equal rank without preference, priority or distinction.

SECTION 2. (a) The Bonds shall initially be issued pursuant to a Book-Entry System administered by the Securities Depository with no physical distribution of Bond certificates to be made except as provided in this Section 2. Any provision of this Bond Resolution or the Bonds requiring physical delivery of the Bonds shall, with respect to any Bonds held under the Book-Entry System, be deemed to be satisfied by a notation on the Registration Records maintained by the Paying Agent that such Bonds are subject to the Book-Entry System.

(b) So long as a Book-Entry System is being used, one Bond in the aggregate principal amount of the Bonds and registered in the name of the Securities Depository, the Securities Depository Nominee and the Participants and Indirect Participants will evidence beneficial ownership of the Bonds in authorized denominations, with transfers of ownership effected on the records of the Securities Depository, the Participants and the Indirect Participants pursuant to rules and procedures established by the Securities Depository, the Participants and the Indirect Participants. The principal of and any premium on each Bond shall be payable to the Securities Depository Nominee or any other person appearing on the Registration Records as the Registered Holder of such Bond or its registered assigns or legal representative at the principal office of the Paying Agent. So long as the Book-Entry System is in effect, the Securities Depository will be recognized as the Holder of the Bonds for all purposes. Transfer of principal, interest and any premium payments or notices to Participants and Indirect Participants will be the responsibility of the Securities Depository and transfer of principal, interest and any premium payments or notices to Beneficial Owners will be the responsibility of the Participants and Indirect Participants. No other party will be responsible or liable for such transfers of payments or notices or for maintaining, supervising or reviewing such records maintained by the Securities Depository, the Participants or the Indirect Participants. While the Securities Depository Nominee or the Securities Depository, as the case may be, is the registered owner of the Bonds, notwithstanding any other provisions set forth herein, payments of principal of, redemption premium, if any, and interest on the Bonds shall be made to the Securities Depository Nominee or the Securities Depository, as the case may be, by wire transfer in immediately available funds to the account of such Holder, without notice to or the consent of the Beneficial Owners, the Paying Agent, with the consent of the County, and the Securities Depository may agree in writing to make payments of principal and interest in a manner

different from that set out herein. In such event, the Paying Agent shall make payments with respect to the Bonds in such manner as if set forth herein.

(c) The Securities Depository may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to County or Agent. Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates are required to be printed and delivered to the Agent.

(d) The County may decide to discontinue use of the system of book-entry-only transfers through the Securities Depository (or a successor securities depository). In that event, Bond certificates will be printed and delivered to the Securities Depository.

(e) Each Securities Depository and the Participants, the Indirect Participants and the Beneficial Owners of the Bonds, by their acceptance of the Bonds, agree that the County and the Paying Agent shall have no liability for the failure of any Securities Depository to perform its obligation to any Participant, Indirect Participant or other nominee of any Beneficial Owner of any Bonds to perform any obligation that such Participant, Indirect Participant or other nominee may incur to any Beneficial Owner of the Bonds.

(f) Notwithstanding any other provision of this Bond Resolution, on or prior to the date of issuance of the Bonds, the Paying Agent shall have executed and delivered to the initial Securities Depository a Letter of Representations governing various matters relating to the Securities Depository and its activities pertaining to the Bonds. The terms and provisions of such Letter of Representations are incorporated herein by reference and in the event there shall exist any inconsistency between the substantive provisions of the said Letter of Representations and any provisions of this Bond Resolution, then, for as long as the initial Securities Depository shall serve with respect to the Bonds, the terms of the Letter of Representations shall govern.

(g) Notwithstanding any provision in this Bond Resolution to the contrary, at all times in which the Book-Entry System is in effect, any references to physical delivery of a Bond shall not be required.

SECTION 3. The Bonds are hereby authorized and ordered to be prepared and issued in the principal amount of not to exceed Eighteen Million Dollars (\$18,000,000) to raise money for the Refunding Project and providing for the costs of issuance of the Bonds, all as authorized by the Act.

SECTION 4. (a) Payments of interest on the Bonds shall be made to the Record Date Registered Owner, and payments of principal shall be made upon presentation and surrender thereof at the principal office of the Paying Agent to the Record Date Registered Owner in lawful money of the United States of America.

(b) The Bonds shall be registered as to both principal and interest; shall be dated the date of delivery thereof; shall be issued in the principal denomination of \$5,000 each, or integral multiples thereof up to the amount of a single maturity; shall be numbered from one upward in the order of issuance; shall bear interest from the date thereof at the rate or rates specified by further order of the Governing Body, payable on June 1 and December 1 of each year (each an "Interest Payment Date"), commencing December 1, 2013; and shall mature and become due and payable on

June 1 in the years and in the principal amounts as set forth in the Bond Purchase Agreement, with the final maturity occurring not later than June 1, 2026.

(c) The Bonds shall be subject to redemption prior to their stated dates of maturity as set forth in the Bond Purchase Agreement.

(d) The Bonds, for which the payment of sufficient moneys or, to the extent permitted by the laws of the State of Mississippi, (i) direct obligations of, or obligations for the payment of the principal of and interest on which are unconditionally guaranteed by, the United States of America (“Government Obligations”), (ii) certificates of deposit or municipal obligations fully secured by Government Obligations or (iii) evidences of ownership of proportionate interests in future interest or principal payments on Government Obligations held by a bank or trust company as custodian, under which the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor on the Government Obligations and which Government Obligations are not available to satisfy any claim of the custodian or any person claiming through the custodian or to whom the custodian may be obligated, (iv) SLGS, and (v) municipal obligations, the payment of the principal of, interest and redemption premium, if any, on which are irrevocably secured by Government Obligations and which Government Obligations are not subject to redemption prior to the date on which the proceeds attributable to the principal of such obligations are to be used and have been deposited in an escrow account which is irrevocably pledged to the payment of the principal of and interest and redemption premium, if any, on such municipal obligations (all of which collectively, with Government Obligations, “Defeasance Securities”), shall have been deposited with an escrow agent appointed for such purpose, which may be the Paying and Transfer Agent, shall be deemed to have been paid, shall cease to be entitled to any lien, benefit or security under this Bond Resolution and shall no longer be deemed to be outstanding hereunder, and the Registered Owners shall have no rights in respect thereof except to receive payment of the principal of and interest on such Bonds from the funds held for that purpose. Defeasance Securities shall be considered sufficient under the Bond Resolution if said investments, with interest, mature and bear interest in such amounts and at such times as will assure sufficient cash to pay currently maturing interest and to pay principal when due on such Bonds.

SECTION 5. (a) When the Bonds shall have been validated and executed as herein provided, they shall be registered as an obligation of the County in the office of the Clerk in a record maintained for that purpose, and the Clerk shall cause to be imprinted upon each of the Bonds, over such officer’s manual or facsimile signature and manual or facsimile seal, such officer’s certificate in substantially the form set out in Section 7.

(b) The Bonds shall be executed by the manual or facsimile signature of the President and countersigned by the manual or facsimile signature of the Clerk, with the seal of the County imprinted or affixed thereto; provided, however all signatures and seals appearing on the Bonds, other than the signature of an authorized officer of the Transfer Agent hereafter provided for, may be facsimile and shall have the same force and effect as if manually signed or impressed. In case any official of the County whose signature or a facsimile of whose signature shall appear on the Bonds shall cease to be such official before the delivery or reissuance thereof, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such official had remained in office until delivery or reissuance.

(c) The Bonds shall be delivered to or as directed by the Underwriter upon payment of the purchase price therefor in accordance with the terms and conditions of their sale and award, together with a complete certified transcript of the proceedings had and done in the matter of the authorization, issuance, sale and validation of the Bonds, and the final, unqualified approving opinion of Bond Counsel, which opinion may be imprinted on each of the Bonds.

(d) Prior to or simultaneously with the delivery by the Transfer Agent of any of the Bonds, the County shall file with the Transfer Agent:

(i) a copy, certified by the Clerk, of the transcript of proceedings of the Governing Body in connection with the authorization, issuance, sale and validation of the Bonds; and

(ii) an authorization to the Transfer Agent, signed by the President, to authenticate and deliver the Bonds to the Underwriter.

(e) At delivery, the Transfer Agent shall authenticate the Bonds and deliver them to or as directed by the Underwriter thereof upon payment of the purchase price of the Bonds to the County.

(f) Bonds, blank as to denomination, rate of interest, date of maturity and CUSIP number and sufficient in quantity in the judgment of the County to meet the reasonable transfer and reissuance needs on the Bonds, shall be printed and delivered to the Transfer Agent in generally-accepted format, and held by the Transfer Agent until needed for transfer or reissuance, whereupon the Transfer Agent shall imprint the appropriate information as to denomination, rate of interest, date of maturity and CUSIP number prior to the registration, authentication and delivery thereof to the transferee holder. The Transfer Agent is hereby authorized upon the approval of the Governing Body to have printed from time to time as necessary additional Bonds bearing the facsimile seal of the County and facsimile signatures of the persons who were the officials of the Governing Body as of the date of original issue of the Bonds.

SECTION 6. (a) The County will appoint a Paying and Transfer Agent for the Bonds prior to the issuance thereof. The Paying and Transfer Agent shall be a bank or trust company with offices located within the State of Mississippi. The County specifically reserves the right to hereafter designate a separate Transfer Agent and/or Paying Agent in its discretion in the manner hereinafter provided.

(b) So long as any of the Bonds shall remain outstanding, the County shall maintain with the Transfer Agent records for the registration and transfer of the Bonds. The Transfer Agent is hereby appointed registrar for the Bonds, in which capacity the Transfer Agent shall register in such records and permit to be transferred thereon, under such reasonable regulations as may be prescribed, any Bond entitled to registration or transfer.

(c) The County shall pay or reimburse the Agent for reasonable fees for the performance of the services normally rendered and the incurring of normal expenses reasonably and necessarily paid as are customarily paid to paying agents, transfer agents and bond registrars, subject to agreement between the County and the Agent. Fees and reimbursements for extraordinary services and expenses, so long as not occasioned by the negligence, misconduct or willful default of the

Agent, shall be made by the County on a case-by-case basis, subject, where not prevented by emergency or other exigent circumstances, to the prior written approval of the Governing Body.

(d) (i) An Agent may at any time resign and be discharged of the duties and obligations of either the function of the Paying Agent or Transfer Agent, or both, by giving at least sixty (60) days' written notice to the County, and may be removed from either or both of said functions at any time by resolution of the Governing Body delivered to the Agent. The resolution shall specify the date on which such removal shall take effect and the name and address of the successor Agent, and shall be transmitted to the Agent being removed within a reasonable time prior to the effective date thereof. Provided, however, that no resignation or removal of an Agent shall become effective until a successor Agent has been appointed pursuant to the Bond Resolution.

(ii) Upon receiving notice of the resignation of an Agent, the County shall promptly appoint a successor Agent by resolution of the Governing Body. Any appointment of a successor Agent shall become effective upon acceptance of appointment by the successor Agent. If no successor Agent shall have been so appointed and have accepted appointment within thirty (30) days after the notice of resignation, the resigning Agent may petition any court of competent jurisdiction for the appointment of a successor Agent, which court may thereupon, after such notice as it may deem appropriate, appoint a successor Agent.

(iii) In the event of a change of Agents, the predecessor Agent shall cease to be custodian of any funds held pursuant to this Bond Resolution in connection with its role as such Agent, and the successor Agent shall become such custodian; provided, however, that before any such delivery is required to be made, all fees, advances and expenses of the retiring or removed Agent shall be fully paid. Every predecessor Agent shall deliver to its successor Agent all records of account, registration records, lists of Registered Owners and all other records, documents and instruments relating to its duties as such Agent.

(iv) Any successor Agent appointed under the provisions hereof shall be a bank, trust company or national banking association having Federal Deposit Insurance Corporation insurance of its accounts, duly authorized to exercise corporate trust powers and subject to examination by and in good standing with the federal and/or state regulatory authorities under the jurisdiction of which it falls.

(v) Every successor Agent appointed hereunder shall execute, acknowledge and deliver to its predecessor Agent and to the County an instrument in writing accepting such appointment hereunder, and thereupon such successor Agent, without any further act, shall become fully vested with all the rights, immunities and powers, and subject to all the duties and obligations, of its predecessor.

(vi) Should any transfer, assignment or instrument in writing be required by any successor Agent from the County to more fully and certainly vest in such successor Agent the estates, rights, powers and duties hereby vested or intended to be vested in the predecessor Agent, any such transfer, assignment and written instruments shall, on request, be executed, acknowledged and delivered by the County.

(vii) The County will provide any successor Agent with certified copies of all resolutions, orders and other proceedings adopted by the Governing Body relating to the Bonds.

(viii) All duties and obligations imposed hereby on an Agent or successor Agent shall terminate upon the accomplishment of all duties, obligations and responsibilities imposed by law or required to be performed by this Bond Resolution.

(e) Any corporation or association into which an Agent may be converted or merged, or with which it may be consolidated or to which it may sell or transfer its assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, shall be and become successor Agent hereunder and vested with all the powers, discretion, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of either the County or the successor Agent, anything herein to the contrary notwithstanding, provided only that such successor Agent shall be satisfactory to the County and eligible under the provisions of Section 6(d)(iv) hereof.

SECTION 7. The Bonds shall be in substantially the following form, with such appropriate variations, omissions and insertions as are permitted or required by this Bond Resolution:

[END OF BOND FORM]

SECTION 8. In case any Bond shall become mutilated or be stolen, destroyed or lost, the County shall, if not then prohibited by law, cause to be authenticated and delivered a new Bond of like date, number, maturity and tenor in exchange and substitution for and upon cancellation of such mutilated Bond, or in lieu of and in substitution for such Bond stolen, destroyed or lost, upon the Registered Owner's paying the reasonable expenses and charges of the County in connection therewith, and in case of a Bond stolen, destroyed or lost, such Registered Owner's filing with the County or Transfer Agent evidence satisfactory to them that such Bond was stolen, destroyed or lost, and of such Registered Owner's ownership thereof, and furnishing the County or Transfer Agent with such security or indemnity as may be required by law or by them to save each of them harmless from all risks, however remote.

SECTION 9. For the purpose of effectuating and providing for the payment of the principal of and interest on the Bonds as the same shall respectively mature and accrue, there shall be and is hereby levied a direct, continuing special tax upon all of the taxable property within the geographical limits of the County, adequate and sufficient, after allowance shall have been made for the expenses of collection and delinquencies in the payment of taxes, to produce sums required for the payment of the principal of and the interest on the Bonds; provided, however, that such tax levy for any year shall be abated pro tanto to the extent the County on or prior to September 1 of that year has transferred money to the 2013 Bond Fund of the Bonds, or has made other provisions for funds, to be applied toward the payment of the principal of and interest on the Bonds due during the ensuing fiscal year of the County, in accordance with the provisions hereof. Said tax shall be extended upon the tax rolls and collected in the same manner and at the same time as other taxes of the County are collected, and the rate of tax which shall be so extended shall be sufficient in each year fully to produce the sums required as aforesaid, without limitation as to time, rate or amount. The avails of said tax are hereby irrevocably pledged for the payment of the principal of and interest on the Bonds as the same shall respectively mature and accrue. Should there be a failure in any year to comply with the requirements of this section, such failure shall not impair the right of the Registered Owners of any of the Bonds in any subsequent year to have adequate taxes levied and collected to meet the obligations of the Bonds, both as to principal and interest.

SECTION 10. Only such of the Bonds as shall have endorsed thereon a certificate of registration and authentication in substantially the form hereinabove set forth, duly executed by the Transfer Agent, shall be entitled to the rights, benefits and security of this Bond Resolution. No Bond shall be valid or obligatory for any purpose unless and until such certificate of registration and authentication shall have been duly executed by the Transfer Agent, which executed certificate shall be conclusive evidence of registration, authentication and delivery under this Bond Resolution. The Transfer Agent's certificate of registration and authentication on any Bond shall be deemed to have been duly executed if signed by an authorized officer of the Transfer Agent, but it shall not be necessary that the same officer sign said certificate on all of the Bonds that may be issued hereunder at any one time.

SECTION 11. (a) In the event the Underwriter shall fail to designate the names, addresses and social security or tax identification numbers of the Registered Owners of the Bonds within thirty (30) days of the date of sale, or at such other later date as may be designated by the County, one Bond registered in the name of the Underwriter may be issued in the full amount for each maturity. Ownership of the Bonds shall be in the Underwriter until the initial Registered Owner has made

timely payment and, upon request of the Underwriter within a reasonable time of the initial delivery of the Bonds, the Transfer Agent shall re-register any such Bond upon its records in the name of the Registered Owner to be designated by the Underwriter in the event timely payment has not been made by the initial Registered Owner.

(b) Except as hereinabove provided, the Person in whose name any Bond shall be registered in the records of the County maintained by the Transfer Agent may be deemed the absolute owner thereof for all purposes, and payment of or on account of the principal of or interest on any Bond shall be made only to or upon the order of the Registered Owner thereof, or his legal representative, but such registration may be changed as hereinafter provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

SECTION 12. (a) Each Bond shall be transferable only in the records of the County, upon surrender thereof at the office of the Transfer Agent, together with a written instrument of transfer satisfactory to the Transfer Agent duly executed by the Registered Owner or such Registered Owner's attorney duly authorized in writing. Upon the transfer of any Bond, the County, acting through its Transfer Agent, shall issue in the name of the transferee a new Bond or Bonds of the same aggregate principal amount and maturity and rate of interest as the surrendered Bond or Bonds.

(b) In all cases in which the privilege of transferring Bonds is exercised, the Transfer Agent shall authenticate and deliver Bonds in accordance with the provisions of this Bond Resolution.

SECTION 13. (a) The County hereby establishes the 2013 Bond Fund which shall be maintained with a qualified depository in its name for the payment of the principal of and interest on the Bonds, and the payment of Agents' fees in connection therewith. There shall be deposited into the 2013 Bond Fund as and when received:

- (i) The accrued interest and premium, if any, received upon delivery of the Bonds;
- (ii) The avails of any of the ad valorem taxes levied and collected pursuant to Section 9 hereof;
- (iii) Any income received from investment of monies in the 2013 Bond Fund; and
- (iv) Any other funds available to the County which may be lawfully used for payment of the principal of and interest on the Bonds, and which the Governing Body, in its discretion, may direct to be deposited into the 2013 Bond Fund.

(b) As long as any principal of and interest on the Bonds remains outstanding, the Clerk is hereby irrevocably authorized and directed to withdraw from the 2013 Bond Fund sufficient monies to make the payments herein provided for and to transfer same to the account of the Paying Agent in time to reach said Paying Agent at least five (5) days prior to the date on which said interest or principal and interest shall become due.

SECTION 14. The County hereby establishes the 2013 Costs of Issuance Fund which shall be held by the Escrow Agent under the Escrow Agreement. A certain portion of the proceeds received upon the sale of the Bonds shall be deposited in the 2013 Costs of Issuance Fund. Any income received from investment of monies in the 2013 Costs of Issuance Fund shall be deposited in the 2013 Costs of Issuance Fund. Funds in the 2013 Costs of Issuance Fund shall be used to pay the costs, fees and expenses incurred by the County in connection with the authorization, issuance, sale, validation and delivery of the Bonds. Any amounts which remain in the 2013 Costs of Issuance Fund after the payment of the costs of issuance for the Bonds shall be transferred by the Escrow Agent to the County for deposit in the 2013 Bond Fund and used as permitted under State law.

SECTION 15. Upon delivery of the Bonds, the County will remit or will direct the remittance of a certain portion of the proceeds received upon the sale of the Bonds directly to the Escrow Agent under the Escrow Agreement for deposit in the Escrow Fund to provide for the Refunding Project, which amount, together with investment income thereon, will be sufficient to effectuate the advanced refunding of the Refunded Bonds and the redemption of the Callable Bonds pursuant to the terms of the Escrow Agreement.

SECTION 16. (a) Payment of principal on the Bonds shall be made, upon presentation and surrender of the Bonds at the principal office of the Paying Agent, to the Record Date Registered Owner thereof who shall appear in the registration records of the County maintained by the Transfer Agent as of the Record Date.

(b) Payment of each installment of interest on the Bonds shall be made to the Record Date Registered Owner thereof whose name shall appear in the registration records of the County maintained by the Transfer Agent as of the Record Date. Interest shall be payable in the aforesaid manner irrespective of any transfer or exchange of such Bond subsequent to the Record Date and prior to the due date of the interest.

(c) Principal of and interest on the Bonds shall be paid by check or draft mailed on the Interest Payment Date to Registered Owners at the addresses appearing in the registration records of the Transfer Agent. Any such address may be changed by written notice from the Registered Owner to the Transfer Agent by certified mail, return receipt requested, or such other method as may be subsequently prescribed by the Transfer Agent, such notice to be received by the Transfer Agent not later than the 15th day of the calendar month preceding the applicable principal or Interest Payment Date to be effective as of such date.

SECTION 17. The Bonds may be submitted to validation as provided by Chapter 13, Title 31, Mississippi Code of 1972, and to that end the Clerk is hereby directed to make up a transcript of all legal papers and proceedings relating to the Bonds and to certify and forward the same to the State's Bond Attorney for the institution of validation proceedings.
