GERALD STEEN  
District Three

DAVID BISHOP  
District Four

PAUL GRIFFIN  
District Five

The Committee selected the following firms to perform engineering services on these two projects:

- **Bozeman Rd Project**

Neel-Schaffer

- **Reunion Parkway, Phase III Project**

Stantec

Therefore, a recommendation is being made to the Board to initiate contract negotiations with the engineering firms. Once prices are negotiated, etc., the firms will be brought back before the Board for approval of their contract. It is at that point we will be committing to spending money. Again, time is becoming critical since we have two deadlines facing the County in Jan and Feb, '17. The Environmental Review MUST be completed, or we risk losing the funding for the project(s).
