Re: Speed Limit Change in Ashbrooke

To Whom It May Concern:

The residents of Kenzie Drive in the Ashbrooke Subdivision request the lowering of the standard speed limit from 25 MPH to 10 MPH. An on-line petition began on March 24, 2016 and 75% of Kenzie Drive residents have signed in favor of the reduction of the speed limit as of April 8, 2016. Every household on Kenzie Drive received two notices of the petition and there has been no opposition to date.

Along with the reduction in the speed limit, the residents of Kenzie Drive request that the 10MPH speed limit be posted attached to two "Children at Play" signs (picture attached – these are located on Memory Lane in the Ashbrooke Subdivision). Along with this formal request, you will also find the formal letter of approval from The Home Owner's Association of Ashbrooke President Trey Petro.

Sincerely,

Elizabeth Hancock
