Subject: Authority to advertise for bids for a Truck-Mounted Self-Contained Pot-Hole Patching Machine

Dear Board Members:

County Engineer & Road Manager Dan Gaillet is interested in purchasing a Truck-Mounted Self-Contained Pot-Hole Patching Machine, and has asked that I request board authority to advertise for same.

A salesman drove one over from Birmingham on Wednesday for us to look at. My initial impression is that the machine would provide much better and more lasting pot-hole repairs.

After conferring with Mr. Gaillet it is my recommendation that the board authorize advertising for a Truck-Mounted Self-Contained Pot-Hole Patching Machine.

Sincerely,

Hardy Crunk
Purchase Clerk
