RE: Whisper Ridge Trailer Park Lots 1-84 residential lots.
Project to be on the East side of Sugar Hill Street in Madison County.

Dear Mr. James Ellington

As per our conversation Canton Municipal Utilities will provide gas, sewer and water service to this project. Developer will be responsible for any extension costs to site.

CMU requires a set of plans at least two weeks prior to the pre-construction meeting for review and approval. The pre-construction meeting is required before the beginning of construction to review plans with the developer and his contractor.

CMU looks forward to working with you on this project.

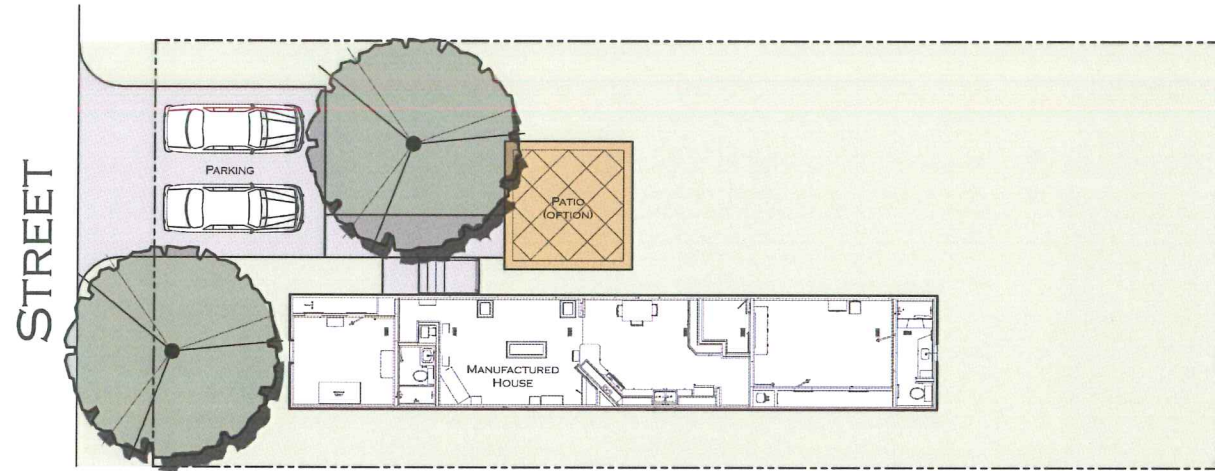

Sincerely,

Don Holtsinger
