RE: Streets to be paved using excess funds from Davis Crossing Rd and Holmes Hollow Lane

The overlay of Davis Crossing Road was completed at a cost of \$95,811.15, leaving a surplus in the funds authorized for said road of \$54,188. Additionally, in the recently funded 2016 Road Plan, the Board allotted \$85,000 for the overlay of Holmes Hollow Lane. We expect to complete the work on Holmes Hollow Lane well under budget and recommend that the Board authorize using the surplus from the Holmes Hollow Lane allocation to overlay Allen Wood Drive, which is located adjacent to Holmes Hollow Road.

Therefore, I recommend that the Board authorize said surplus of funds to be used to repair and overlay the following roads in the order set forth below:

Allen Wood Drive

Chesser Road
