Subject: Approval for Veterans Service Office to advertise availability of free information and assistance concerning veterans' benefits

Dear Board Members:

The Veterans Service Office budget contains \$275 for advertising. Veterans Service Office Tom Logue has requested spending the funds for advertising in the Madison County Journal and on WMGO radio station to promote the availability from his office of free information and assistance concerning veteran's benefits.

In addition to legal and employment-related ads, state law allows counties to advertise "county resources." I consider the Veterans Service Office a "county resource" and recommend that the board approve said advertising up to the budgeted amount of \$275.

Sincerely,

Hardy Crunk
