Re: Bus Stop Sign

Dear Mr. Baxter,

With this letter the Canton Housing Authority hereby request for a bus stop sign to be place at 124 Brown Dr., Canton, Ms. 39046. We have received a grant from the Federal Home Loan Bank to complete homeowner repairs up to \$10,000 for individuals that are 60% or below the median income. The grant was written such that the homeowner be within a ½ mile of a bus stop. There are several houses located within this vicinity that have made application for repairs. Thus, we have contacted and been approved by the Madison County Citizens Service Agency, the transportation system for Madison County, to place a bus stop sign there. Now that their approval has been granted, we are at the final step with the Madison County Board of Supervisors. We are requesting your approval of this bus stop sign at 124 Brown Dr., Canton, Ms. to be placed on the consent agenda at the next meeting of the Madison County Board of Supervisors.

Thank you for your consideration in this matter. If you have any questions or concerns, please give me a call at (601) 859-4032.

Sincerely,

Stanford H. Beasley  
Executive Director
