Re: SASSI-4 Training

Please approve travel for my counselor, Avis Stringer, as a member of the Juvenile Drug Court staff to attend SASSI-4 training at the Office Complex , 155 Main Street Walnut Grove, Mississippi on Wednesday, July 20, 2016. The event registration cost \$125.00 to Richard Braniff. This conference offers training for the staff member on a mandatory assessment test for our counselors to adequately assist our participants in the program. The Drug Court budget is able to support this travel. This training is invaluable for our staff and is much needed at this time.

The Juvenile Drug Court is requesting approval for registration fee.

Thank you for your consideration,

Judge Will Longwitz
