Subject: Installation of Equipment in Constable Harbour's Vehicle

Dear Board Members:

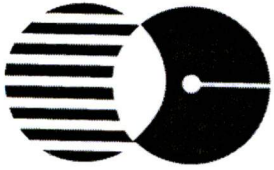

The board has traditionally paid once per board term for the installation of county-owned equipment (radios, lights, and laptop computer) in each constable's private vehicle. First-term constable Brad Harbour recently purchased a vehicle to use for constable purposes and is asking that the county pay to install the aforementioned equipment. The county already owns the equipment.

All constable expenditures except for those mandated by law require prior board approval. I therefore recommend that the board approve an expenditure of \$1,362.50 for the installation of the equipment in Constable Harbour's vehicle.

Sincerely,

Hardy Crunk
Purchasing Clerk
