RE: **FY2016 Emergency Management Performance Grant (EMPG)**
Grant # EMA-2016-EP-00005, CFDA # 97.042

Dear Mr Hammack:

We are finalizing the local EMPG Allocations for FY2016. Your jurisdiction has been projected to receive EMPG funds in the amount of \$ **68170** to support the level of activities and product outcomes projected in your proposed statement of work. These funds are a part of the EMPG allocation to the State of Mississippi on May 31, 2016 in the amount of \$4,556,932.00 that was awarded on June 6, 2016. The State of Mississippi has allocated sixty percent (60%) of these funds to the 82 counties and the Mississippi Band of Choctaw Indians (MBCI). This is an estimated amount and the final grant award could be lower or higher.

If you should have any questions regarding your EMPG application, please contact Keisha Luckett at 601-933-6880.

Sincerely,

Lee W. Smithson
Executive Director
