This is a petition to request WASTE MANAGEMENT to provide recycling services to the Fieldstone Subdivision. For this to occur, we need 60% in agreeance; A total of 60 signatures should be suffice. Please do not feel obligated, but if interested, include your name, signature, and address below. After doing so, place in your neighbors mailbox to continue the petition throughout our neighborhood. Once we have reached 60 signatures, please return to 137 Fieldstone and I will submit the petition to the correct authorities to make this happen. Thanks for your help
