**CECIL BROWN**  
VICE CHAIRMAN

June 7, 2016

Madison County Board of Supervisors  
P.O. Box 608  
Canton, MS 39046

Dear Supervisors:

My staff and I would appreciate the opportunity to attend and speak before one of your upcoming open meetings to discuss the Mississippi Public Service Commission and how we can be of assistance to you and your constituents.

The Commission has the responsibility of regulating and providing oversight of investor-owned utilities such as Entergy Mississippi, Mississippi Power Company, Atmos Energy, and CenterPoint Energy. Additionally, we work hard to maintain a productive relationship with the electric power associations to help them provide quality service to their members. We also manage the state's No Call list which helps combat annoying telemarketing calls and oversee the safety of natural gas and other pipelines that cross the state.

Our mission is to provide good customer service for ratepayers across the Central District of Mississippi. We want to work with you to ensure that our mutual constituents receive safe and reliable utility service at a reasonable cost.

Please contact our office at 601-961-5430 to arrange a time for us to visit with your board or if you ever have any questions. Thank you, in advance, for the opportunity to meet with you.

Sincerely,

A handwritten signature in black ink, appearing to read "Cecil Brown".

Cecil Brown  
Commissioner
