Subject: Authority to purchase asphalt on state contract for repaving of Stribling and Gluckstadt Roads

Dear Board Members:

ADCAMP is expected to begin repaving Stribling Road this week. The company plans to repave Gluckstadt Road following the completion of Stribling.

ADCAMP is the county's term bidder for hauling and laying asphalt. The county normally purchases the asphalt from APAC, which is our asphalt term bidder.

APAC is currently repaving Highway 463, which puts the county in the position of not having a daily unlimited supply of asphalt available from APAC. So as not to slow down the repaving of Stribling and Gluckstadt roads, I request authority to purchase asphalt for said roads on state contract from ADCAMP. The price will be \$2 per ton higher; however, County Engineer & Road Manager Dan Gaillet and I both feel that the extra expense is necessary complete the two road projects in a timely manner.

Sincerely,

Hardy Crunk  
Purchase Clerk
