TO: Sheila Jones, Supervisor, District I

RE: Dobson Avenue Bridge

Through the State-Aid Program, the County constructed a box culvert at Dobson Avenue, City of Canton. Construction was completed in May 2016.

However, the paving and guardrail was not included as part of the project; as a result, the new crossing has not been opened to traffic.

In order to complete the project, non State-Aid funding will be required at an estimated cost of:

Paving	\$5,000.00
Guardrail	<u>\$11,000.00</u>
Total	\$16,000.00

It is anticipated that the excess funds from the Bond Fund will be used to fund this project. If funds are not available, the project will be rolled into next year's road plan.
