Subject: Award Term Bids

Board Members:

Attached are tabulations spreadsheets and copies of recently-opened term bids. Asphalt products and services are for the six-month period 1 Oct 2016 – 31 March 2017. All other products and services are for the fiscal-year period 1 Oct 2016 – 30 Sept 2017.

I recommend that the Board take the following action:

1. Award the Term Bid for SC-1 Type II ASPHALT for the period 1 Oct 2016 – 31 March 2017 to APAC-CANTON.

Note: APAC-Canton's price for SC-1 of \$49.50 is higher than APAC-Jackson's bid; however, the round-trip haul distance to Jackson is much greater. When fuel cost, driver pay and benefits, and tires and dump-truck maintenance are calculated into the equation, the total cost to pick-up a ton of SC 1 Type II Asphalt from APAC-Canton is \$49.76 compared to \$53.79 from the next lowest bidder, APAC-Jackson, making APAC-Canton the "lowest and best bid." Detailed calculations are attached and incorporated as part of this letter by reference.

2. Award the First Alternate Term Bid for SC-1 Type II ASPAHLT for the period 1 Oct 2016 – 31 March 2017 to APAC-Jackson.
3. Award the Second Alternate Term Bid for SC-1 Type II ASPAHLT for the period 1 Oct 2016 – 31 March 2017 to D&B.
4. Award the Term Bid for SC-1 Type 8 ASPHALT for the period 1 Oct 2016 – 31 March 2017 to D&B.
5. Award the First Alternate Term Bid for SC-1 Type 8 ASPAHLT for the period 1 Oct 2016 – 31 March 2017 to APAC-Canton.

Note: APAC-Canton's price for SC-1 Type 8 of \$56 is higher than ADCAMP's and APAC-Jackson's bids; however, the round-trip haul distance to Jackson is much greater. When fuel cost, driver pay and benefits, and tires and dump-truck maintenance are calculated into the equation, the total cost to pick-up a ton of SC 1 Type 8 Asphalt from APAC-Canton is \$56.26 compared to \$57.76 from ADCAMP and \$60.19 from APAC-Jackson, making APAC-Canton the "lowest and best" first-alternate bid. Detailed calculations are attached and incorporated as part of this letter by reference.

6. Award the Second Alternate Term Bid for SC-1 Type 8 ASPHALT for the period 1 Oct 2016 – 31 March 2017 to ADCAMP.
7. Award the Term Bid for BB 1 ASPHALT for the period 1 Oct 2016 – 31 March 2017 to APAC-CANTON.

Note: APAC-Canton's bid for BB-1 Asphalt of \$45 is the same as APAC-Jackson's and D&B's bids; however, the round-trip haul distance to APAC-Jackson and D&B is greater. When fuel cost, driver pay and benefits, and tires and dump-truck maintenance are calculated into the equation, the total cost to pick-up a ton of BB-1 Asphalt from APAC-Canton is lower than from D&B or from APAC-Jackson, making APAC-Canton the "lowest and best" term bid. Detailed calculations are attached and incorporated as part of this letter by reference.

8. Award the First Alternate Term Bid for BB 1 ASPHALT for the period 1 Oct 2016 – 31 March 2017 to D&B.

Note: D&B's bid for BB-1 Asphalt of \$45 is the same as APAC-Jackson's bid; however, the round-trip haul distance to APAC-Jackson is greater. When fuel cost, driver pay and benefits, and tires and dump-truck maintenance are calculated into the equation, the total cost to pick-up a ton of BB-1 Asphalt from D&B is less than to pick up from APAC-Jackson, making D&B the "lowest and best." First-alternate term bid. Detailed calculations are attached and incorporated as part of this letter by reference.

9. Award the Second Alternate Term Bid for BB 1 ASPHALT for the period 1 Oct 2016 – 31 March 2017 to APAC-Jackson.
10. Award the Term Bid for LIQUID ASPHALT for the period 1 Oct 2016 – 31 March 2017 to Blackledge.

15. Award the Term Bid for ROAD BASE REPAIRS for the period 1 Oct 2016 – 31 March 15 to ADCAMP. ADCAMP's bid is for up to 10 inch depths is \$68.75 per square yards compared to D&B's bid of \$165. For depths of 11 inches to 24 inches, D&B's bid is \$150 per square yard compared to ADCAMP's \$165. An average of the bids for the two depths results in ADCAMP having an average price of \$116.88 per square yard compared to D&B's average of \$132.50; making ADCAMP the "lowest and best" bid.
16. Award the First Alternate Term Bid for ROAD BASE REPAIRS for the period 1 Oct 2016 – 31 March 15 to D&B.
