Attn: Madison County Board of Supervisors

Re: Know Gang

Please approve travel for my counselor, Avis Stringer, as a member of the Juvenile Drug Court staff to attend Gang Awareness training at the IP Casino & Resort Spa , 850 Bayview Ave, Biloxi, Mississippi on September 29-30, 2016. The event registration cost \$125.00 to Marc Fomby CPS. This conference offers training for the staff member on her daily interaction with juveniles in the Canton area and will aid our counselors to adequately assist our participants in the program. The staff will stay one night at the IP Casino & Resort . The room rate is \$59.99 plus a \$9 resort fee. The total for the room is \$68.99. The Drug Court budget is able to support this travel. This training is invaluable for our staff and is much needed at this time.

The Juvenile Drug Court is requesting approval for registration fee and room block.

Thank you for your consideration,

Judge Will Longwitz
