Subject: Award bid for one stretcher (cot) to Stryker (SSC Medical Division)

Dear Board Members:

Madison County receives an annual grant of EMSOF funds from the Mississippi Department of Health for emergency medical equipment and training. The grant funds are derived from a \$5 assessment on all hazardous moving-violation fines.

As part of the county's agreement with Pafford, the ambulance service provider is allowed to select and use the equipment and training. All of the purchased equipment remains the property of Madison County.

The county's allotment of funds to spend by September 30 is \$171,500. To date, purchase orders have been issued totaling \$146,086.13, which leaves a net to spend of \$26,168.86. Pafford would like for the county to purchase one battery-powered hydraulic stretcher with accessories. The cost of the stretchers would be \$21,656.

I therefore recommend that the board award the bid for one stretcher (cot) with accessories to Stryker (SSC Medical Division) in the amount of \$21,656.

Thank you in advance for your consideration of this request,

Hardy Crunk
