Mr. Scott Weeks, Administrator  
Planning and Zoning Commission  
Madison County Board of Supervisors  
P. O. Box 608  
Canton, Mississippi 39046

Scott,

At the June 9, 2016 meeting of the Planning and Zoning Commission I received approval to increase the height of the monument sign to 12 feet at our new site located at 1227 Gluckstadt Road.

Attached is a drawing of the new monument sign (see option #2) which has 57.5 square feet per face for a total of 115 square feet.

Also attached is a drawing of a building sign that we want to install which has 23 square feet.

I would like to request a variance of 15 square feet on the monument sign which is calculated as follows:

Square Feet Per Face	57.5
Square Feet Allowed	- <u>50.0</u>
Difference	7.5
Number of Faces	<u>x 2</u>
Additional Square Feet	15.0

I would like to request a variance of 104 square feet for the site which is calculated as follows:

Monument Sign Square Feet (Two Faces)	115.0
Building Signs	+ <u>114.0</u>
Total Square Feet	229.0
Square Feet Allowed	- <u>125.0</u>
Additional Square Feet	104.0

Thank you for your consideration for this request.

Thank you,
