

LEGAL NOTICE

The Madison County Board of Supervisors (LPA) intends to employ a consulting engineering firm to provide Engineering Design, Construction Engineering and Inspection, and material testing services utilizing Cost plus Fixed Fee, Labor Hour/Unit Price or Lump Sum/Firm Fixed Price contracts for the construction of Highland Colony Parkway (old Agency Road to County Line Road), Yandell Road (North Old Canton to Highway 43), and Reunion Parkway final asphalt coarse including paving, milling and overlay and rehabilitation services for road, curb and gutter and subgrade under **Project No. STP-0045-00(024) LPA/106482-701000, in Madison County, MS**. The contract will include development of final construction plans which includes profile grades, plan-profile sheets, earthwork quantities, pavement typical sections and details, traffic control, signing plans, traffic signal plans, lighting plans, erosion control plans, field survey, geotechnical analysis, and other specified plan details and plan quantities for all items necessary for the construction of this project. This project will be implemented subject to the policies of the Federal Highway Administration and the Mississippi Department of Transportation.

Consulting engineering firms interested in providing these services may so indicate by furnishing the Local Agency seven (7) copies of an Expression of Interest which should consist of the following:

1. A cover letter specifying the name and complete description of project, the name of the project manager, and the location and address of the office to be assigned the majority of the work;
2. A resume for each principal member; the project manager; and employee(s) of the firm anticipated to be assigned to the project. Also, provide an organizational chart and list each person's experience and qualifications, including proof that the Project Manager is licensed as a Mississippi Professional Engineer and that the firm has met state licensure and certification requirements;
3. Proof the firm has attended and received certification through MDOT for the Project Development Manual Training for Local Public Agencies.
4. A description of similar type work completed during the past five (5) years which qualifies the consultant for this work; the cost and schedule completion (or actual completion) of this work.
5. A response containing the information upon which the consultant will be evaluated; and,
6. Part II of Standard Form (SF) 330, Architect-Engineer Qualifications. This form can be obtained at <http://sp.gomdot.com/Consulting%20Services/Information/LPA%20Consulting%20Services%20Information/Boilerplate%20Of%20A%20Consultant%20Selection%20Legal%20Ad.html>

The LPA will evaluate the Expressions of Interest based on the following factors listed in their relative order of importance:

1. Experience, past performance and qualifications of principal members assigned to the Project.

2. Experience, past performance and qualifications of firm's staff.
3. Firm's knowledge of the project and objectives.
4. Experience, Performance, and Qualifications of the consultant with similar work completed during the past five (5) years.

The LPA reserves the right to select one (1) consultant or select a short list of consultants from whom more information will be required. The LPA reserves the right to reject any and all Proposals, discontinue Contract execution, and/or request additional information with any party at any time prior to final Contract execution.

The DBE goal is 3%.
