Dear Madison County Board of Supervisors:

The Board of Trustees of Madison County Nursing Home have been working diligently towards our goal of providing assisted living services to the citizens of Madison County. Working toward that goal, we accepted the lowest and best bid at the Madison County Nursing Home Board of Trustees Meeting yesterday. Commercial Construction and Maintenance from Alabama was awarded the contract.

I have asked to be placed on the agenda of the March 7 Madison County Board of Supervisors Meeting for acknowledgement of this wonderful project.

When we first came to you for this project, we asked only that Madison County help us in resources, not monetarily. To date, the only service that I am aware of that we will need from the county is to assist with the parking area.

Sincerely,
