Re: Naming of Road(s)
Holmes Community College

Our office received a request from Holmes Community College in Ridgeland, Mississippi to officially name the roads that are located on the campus. The roads are located in the municipality of Ridgeland's city limits. Our office has reviewed the request and made a site visit. It is our office's recommendation to accept the road names as private and these roads be added to the 911 system; therefore we ask for your consent to add the below road name(s) to the Madison County Road Registry.
