Re: Amendment of Hinds County Solid Waste Management Plan

Dear Sirs and Madams:

The Hinds County Board of Supervisors has received a request from Partridge Sibley Industrial Services, Inc. to amend the local solid waste management plan to include land application sites for biosolids application. Two separate applications for different sites were submitted. The text of the public notice can be found on the next page.

The application packages may be downloaded from

Public Notice
Amendment of Hinds County Solid Waste Management Plan

The Hinds County Board of Supervisors is considering a request from Partridge Sibley Industrial Services, Inc. (4273 I-55 North, Jackson, MS 39047) to amend the Hinds County Solid Waste Management Plan to add land application sites for biosolids. The land application involves disking in biosolids at sites southwest of Raymond, Miss., between Highway 18 and the Natchez Trace Parkway; and at sites in the southeast corner of Hinds County, generally between I-55 and the Pearl River at the border of Hinds County and Copiah County. More specifically, the sites are

(1) 18168 Old Port Gibson Rd; Sections 25 and 26, Township T5N, Range R3W; total area of about 63 acres and disposal area of about 33 acres.

(2) Old Port Gibson Road at intersection with Short Road; Sections 25, 26, 35, and 36, Township T5N, Range R3W; total area of about 388 acres and disposal area of about 200 acres.

(3) Old Port Gibson Road at intersection with Dupree Road; Section 33, Township T5N, Range R3W; total area of about 176 acres and disposal area of about 83 acres.

(4) Moncure Marble Road at the intersection of Jack Johnson Road; Sections 27 and 28, Township T3N, Range R1W; total area of about 400 acres and disposal area of about 170 acres.

(5) Moncure Road, Moncure Marble Road, and Jack Johnson Road; Sections 34, 35, and 36, Township T3N, Range R1W; total area of about 617 acres and disposal area of about 405 acres.

(6) 5000 Moncure Marble Road; Sections 33, 34, and 35, Township T3N, Range R1W; total area of about 503 acres and disposal area of about 350 acres.

The waste to be land applied is biosolids removed from the City of Jackson's Savanna Street and Trahon wastewater treatment plants.

A copy of the draft application is available at the Hinds County Public Works Department at 900 East Main Street, Raymond, MS 39154, or by writing Mr. Charles Sims, Hinds County Public Works Director at the above address or by phone (601-857-8732). Persons wishing to comment are invited to submit comments in writing to Mr. Charles Sims no later than March 18, 2017. All comments received by this date will be considered in the formulation of final determinations regarding the application to amend the local solid waste management plan for land application sites. A public hearing will be held in the Board Room of the Chancery Court Building, 316 S. President St., Jackson, MS 39201 on March 20, 2017 at 9:00 a.m.

Please provide the above information to the attention of persons whom you know will be interested.
