Subject: Award Asphalt Term Bids for Period 1 April 2017 – 30 September 2017

Dear Board Members:

Attached is the bid tabulation and copies of the recently-opened term bids for asphalt products and services for the six-month period 1 April 2017 – 30 September 2017.

A few bits of good news:

- The price of SC 1 Type II surface asphalt price only increased 40 cents per ton, from \$49.50 to \$49.90.
- The price of liquid asphalt dropped 11 cents per gallon, from \$1.44 to \$1.33.
- The turnkey price for furnishing, hauling, and laying down SC1 Type II surface asphalt remained steady at \$73.85 per ton.

I recommend that the Board take the following action:

1. Award the Term Bid for SC-1 Type II ASPHALT for the period 1 April 2017 – 30 Sept 2017 to APAC-CANTON.

Note: APAC-Canton's price for SC-1 of \$49.90 is higher than APAC-Jackson's bid; however, the round-trip haul distance from APAC-Jackson's plants is much greater. When fuel cost, driver pay and benefits, and tires and dump-truck maintenance are calculated into the equation, the total cost to pick-up a ton of SC 1 Type II Asphalt from APAC-Canton is \$50.16 compared to \$53.14 from the next lowest bidder, APAC-Jackson, making APAC-Canton the "lowest and best bid."

2. Award the First Alternate Term Bid for SC-1 Type II ASPAHLT for the period 1 April 2017 – 30 Sept 2017 to APAC-Jackson.
3. Award the Second Alternate Term Bid for SC-1 Type II ASPAHLT for the period 1 April 2017 – 30 Sept 2017 to D&B.

4. Award the Term Bid for SC-1 Type 8 ASPHALT for the period 1 April 2017 – 30 Sept 2017 to APAC-CANTON.

Note: APAC-Canton's bid for SC-1 Type 8 of \$54 is higher than D&B's bid of \$51 and ADCAMP's bid of \$53; however, the round-trip haul distances to D&B and ADCAMP are greater. When fuel cost, driver pay and benefits, and tires and dump-truck maintenance are calculated into the equation, the total cost to pick-up a ton of SC 1 Type 8 Asphalt from APAC-Canton is \$54.26 compared to \$55.23 from D&B and \$57.76 from ADACAMP, making APAC-Canton the "lowest and best bid." Detailed calculations are attached and incorporated as part of this letter by reference.

5. Award the First Alternate Term Bid for SC-1 Type 8 ASPAHLT for the period 1 April 2017 – 30 Sept 2017 to D&B.
6. Award the Second Alternate Term Bid for SC-1 Type 8 ASPHALT for the period 1 April 2017 – 30 Sept 2017 to ADCAMP.
7. Award the Term Bid for BB 1 ASPHALT for the period 1 April 2017 – 30 Sept 2017 to APAC-CANTON.

Note: APAC-Canton's bid for BB-1 Asphalt of \$48 is higher than D&B's and APAC-Jackson's bids; however, the round-trip haul distances to D&B and APAC-Jackson areas are much greater. When fuel cost, driver pay and benefits, and tires and dump-truck maintenance are calculated into the equation, the total cost to pick-up a ton of BB-1 Asphalt from APAC-Canton is \$48.26 compared to \$49.05 from D&B and \$51.29 from APAC-Jackson, making APAC-Canton the "lowest and best bid." Detailed calculations are attached and incorporated as part of this letter by reference.

8. Award the First Alternate Term Bid for BB 1 ASPHALT for the period 1 April 2017 – 30 Sept 2017 to D&B.
9. Award the Second Alternate Term Bid for BB 1 ASPHALT for the period 1 April 2017 – 30 Sept 2017 to APAC-Jackson.
10. Award the Term Bid for LIQUID ASPHALT for the period 1 April 2017 – 30 Sept 2017 to ERGON.
11. Award the First Alternate Term Bid for LIQUID ASPHALT for the period 1 April 2017 – 30 Sept 2017 to Blackledge.
12. Award the Term Bid for COLD MIX for the period 1 April 2017 – 30 Sept 2017 to Dickerson & Bowen.
13. Award the First Alternate Term Bid for COLD MIX for the period 1 April 2017 – 30 Sept 2017 to APAC-Jackson.
14. Award the Term Bid for ROAD RECLAMATION (all depths) for the period 1 April 2017 – 30 Sept 2017 to ADCAMP.

15. Award the Term Bid for ROAD BASE REPAIRS (all depths) for the period 1 April 2017 – 30 Sept 2017 to ADCAMP.
16. Award the Term Bid for COLD MILLING for the period 1 April 2017 – 30 Sept 2017 to ADCAMP.
17. Award the First Alternate Term Bid for COLD MILLING for the period 1 April 2017 – 30 Sept 2017 to APAC-Canton.
18. Award the Term Bid for HAULING AND LAYING ASPHALT (county selects and pays asphalt vendor) for the period 1 April 2017 – 30 Sept 2017 to ADCAMP.
19. Award the First Alternate Term Bid for HAULING AND LAYING ASPHALT (county selects and pays asphalt vendor) for the period 1 April 2017 – 30 Sept 2017 to APAC-Canton.
20. Award the Term Bid for FURNISHING, HAULING, AND LAYING ASPHALT (turnkey price; vendor provides asphalt) for the period 1 April 2017 – 30 Sept 2017 to ADCAMP.
21. Award the First Alternate Term Bid for FURNISHING, HAULING, AND LAYING ASPHALT (turnkey price; vendor provides asphalt) for the period 1 April 2017 – 30 Sept 2017 to D&B.
22. Award the Second Alternate Term Bid for FURNISHING, HAULING, AND LAYING ASPHALT (turnkey price; vendor provides asphalt) for the period 1 April 2017 – 30 Sept 2017 to APAC-Canton.

Sincerely,

Hardy Crunk
Purchase Clerk

Furnishing, Hauling, and Laying Asphalt (contractor provides asphalt)

The term bid "Furnishing, Hauling & Laying of Asphalt" is a turn-key term bid for road overlay projects to be determined by the county. It does not apply to advertised road construction projects in which a contractor is purchasing, hauling, and laying asphalt as part of a board-awarded bid for a specific road construction project.

This is a turn-key price that shall include contractor-furnishing SC 1 Type II Asphalt (or equivalent), hauling asphalt for up to 40 miles from contractor's asphalt plant, and laydown by contractor.

Turn-Key Price

\$ 82⁰⁰/₁₄ per ton

Hauling surcharge for distances greater than 40 miles

Furnishing, Hauling, and Laying Asphalt (contractor provides asphalt)

The term bid "Furnishing, Hauling & Laying of Asphalt" is a turn-key term bid for road overlay projects to be determined by the county. It does not apply to advertised road construction projects in which a contractor is purchasing, hauling, and laying asphalt as part of a board-awarded bid for a specific road construction project.

This is a turn-key price that shall include contractor-furnishing SC 1 Type II Asphalt (or equivalent), hauling asphalt for up to 40 miles from contractor's asphalt plant, and laydown by contractor.

Turn-Key Price _____ N/A _____ per ton

Hauling surcharge for distances greater than 40 miles

_____ N/A _____ per ton-mile

Hauling and Laying Asphalt (county selects and pays asphalt vendor)

The term bid "Hauling & Laying of Asphalt (county selects and pays asphalt vendor)" is for road overlay projects to be determined by the county. It does not apply to advertised road construction projects in which a contractor is purchasing, hauling, and laying asphalt as part of a board-awarded bid for a specific road construction project.

Asphalt shall be picked-up by contractor from county's designated asphalt vendor(s), hauled to job site by contractor, and laid-down by contractor. Haul mileage will be paid for the distance from asphalt plant(s) to job site. All asphalt will be paid for by county directly to its chosen asphalt vendor(s).

Hauling _____ N/A _____ per ton-mile

Laying _____ N/A _____ per ton

ROAD BASE REPAIRS

Dig out road to depth of 10 inches and replace with base asphalt
