County Engineer and Road Manager

Re: Temporary Construction Easement
Ashbrooke Subdivision

The County is requesting a Temporary Construction Easement along the green space of the Ashbrooke Homeowners Association.

Finding of Fact: The inlet and pipe in Cottonwood Circle is blocked due to the outfall being buried during the construction of the neighborhood. The temporary easement is required to cut a ditch to allow the pipe to drain.

Therefore, it is the recommendation of the Engineering Department to pursue the temporary easement.
