Subject: Request by Constable Johnny Sims for County to purchase replacement flashlight lost while rescuing citizens during the recent high water

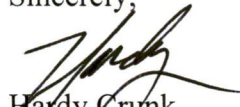

Dear Board Members:

State law requires prior board approval for expenditures for constables except for those items the county is required to furnish. The required items are: (1) two official duty uniforms, (2) a blue light, (3) vehicle identification emblems, and (4) any required training (only once per term).

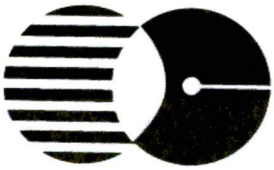

In addition to the required items, the county has in recent years provided constables with radios, a Taser, flashlights, and a laptop computer and associated equipment for the E-ticket system. Additionally, the county has paid for any constables who wished to do so to go to the annual Mississippi Constables Association Convention.

Constable Johnny Sims lost his county-furnished flashlight when he accidentally dropped it in high water while rescuing citizens during the recent high water. Constable Sims is requesting that the county purchase a replacement flashlight for his use. The cost of the flashlight would be \$172.50 (quote attached). The expenditure requires prior board approval. I recommend approval.

Sincerely,

Hardy Crunk
Purchase Clerk
