Re: 17003 Southwest Madison Fire Station Topographic Survey

Our Standard Topo Items:

1. Property information, boundary survey, (already completed by us).
2. 1' Contours unless otherwise specified by Client.
3. T.B.M. for construction. Vertical data to NAVD 1988.
4. Tress, size as indicated by Client.
5. Drainage areas, creeks, ditches, ponds, etc.
6. Improvements, buildings, drives, ponds, etc.
7. Location and size of utilities above ground and any underground utilities as located by "ONE-CALL". Water, sewer, power, TV, communication, etc.
8. Our topo area generally covers from the center line of the road to 25'+/- outside of the boundary or enough to cover any offside drainage issues.
9. Any addition items the Client may require. (may adjust contract cost).

Our estimated cost for this project: \$2,000.00, NTE \$2,500.00

Our hourly rates for this project are:

Professional Engineer	-	\$100.00 hour
Professional Surveyor	-	\$90.00 hour
Field Survey Crew	-	\$125.00 hour

Payment due 30 days from Invoice date.

If you have any questions or need any additional information please contact us.

Thank You
Don F. Garner, P.S.
Professional Surveyor
