Jennifer Carpenter  
Madison County Emergency Management/ E-911 Admin  
1633 W. Peace Street  
Canton, MS 39046

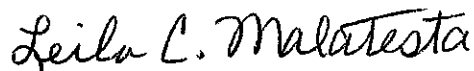

Dear Ms. Carpenter:

Thank you so much for all the assistance you have already provided in advising me on the procedures for obtaining an additional E-911 address. As discussed, we currently have four residences on a private road with similar E-911 addresses and need to obtain a fifth E-911 address for another residence. In addition, there is a possibility additional residences could be built in the future.

In 1996 when my husband and I purchased family land, built a road, and a house, we were assigned 5285 Highway 22, Flora, MS as our E-911 address. My brother and his daughters have since purchased family land, extended the private road, and built houses using the same driveway off Highway 22. They were assigned E-911 addresses 5285A, 5285B, and 5285C.

All current homeowners agree it will be more suitable to name the private road (Hawkins Hill Place) and allow you as E-911 Administrator to assign street numbers to each residence. We understand that all petitioners will be responsible for the maintenance of this road. Hopefully, this request will be approved, and will enable emergency services to better locate a residence in case of an emergency.

Sincerely,

Leila C. Malatesta
