

STATE OF MISSISSIPPI  
PHIL BRYANT  
GOVERNOR  
MISSISSIPPI DEPARTMENT OF ENVIRONMENTAL QUALITY  
GARY C. RIKARD, EXECUTIVE DIRECTOR

May 31, 2017

Mr. Shelton Vance  
Madison County Board of Supervisors  
PO Box 608  
Canton, MS 39046

Dear Mr. Vance:

Our Department has completed a favorable review of the waste tire collection assistance grant application submitted on behalf of the Madison County Board of Supervisors. Based on this review, the County's grant request in the amount of **\$30,000.00** has been preliminarily approved, subject to the full execution of a formal grant agreement. The terms of the grant agreement will include the project proposed by the County.

The formal grant agreement has been enclosed for your review and signature. **Please sign the three copies of the agreement and return these three copies within 15 days from the above date to Ms. Lenora Townsend in our Contracts Department.** Please contact our office at (601) 961-5171 if you have any questions concerning your grant award.

Sincerely,

A handwritten signature in blue ink that reads "Taaka Scott Bailey".

Taaka Scott Bailey, CSM, Administrator  
Grants Management/Support Branch

**SPECIAL TERMS AND CONDITIONS FOR ASSISTANCE AGREEMENT  
(LOCAL GOVERNMENT WASTE TIRE COLLECTION PROGRAM GRANT)**

**1. Method of Payment.**

Reimbursement shall be the preferred method of funding. Recipient shall submit a Request for Payment, as provided in Attachment A, and additional documentation for verification of service/work performed prior to payment being issued by the Mississippi Department of Environmental Quality (MDEQ). Requests for payment and applicable supporting documentation shall be submitted to MDEQ on a quarterly basis. The Recipient shall submit a request for payment for eligible program activities performed through June 30 of each year (the end of the state fiscal year) no later than July 31 of that year. All requests for payment related to this grant agreement shall be submitted to MDEQ no later than forty-five (45) days after the expiration date of the grant agreement after which time, the grant agreement will be considered closed and funds will no longer be available to the recipient. Reimbursement requests pursuant to this agreement shall be limited to those waste tires generated by "small quantity waste tire generators." Small quantity waste tire generators include any individual generating twenty-five (25) or fewer tires annually, a commercial business or governmental entity that generates ten (10) or fewer tires per week, waste tires collected by local government authorities from illegal dumpsites or other forms of improper disposal and waste tires from other sources determined eligible by MDEQ. This clause shall supersede clause 5, Method of Payment.

**2. Waste Tire Collection Program Management**

The Recipient is responsible for establishing and managing waste tire collection sites for the collection and temporary storage of waste tires collected from eligible sources. Recipient is further responsible for applying for and obtaining proper authorization from MDEQ for the waste tire collection sites and for operating the waste tire collection sites in a manner that complies with the conditions of the letter of authorization and the Mississippi Waste Tire Management Regulations.

The Recipient shall also exercise appropriate controls and management over the waste tire collection program. The Recipient is responsible for ensuring that persons who drop off tires through the program are small waste tire quantity generators (as defined in Part 1 above) eligible to participate in the program. The Recipient shall insure that municipalities and other public agencies that are depositing waste tires through the collection program are also only collecting the waste tires from eligible small quantity sources (as defined in Part 1 above).

The Recipient shall insure that appropriate actions are taken to determine the person(s) responsible for any illegally-dumped waste tires cleaned up or collected under this program and for holding that person responsible for covering or reimbursing the costs of the clean-up and/or proper disposal.

**3. Transportation and Disposal of Waste Tires.**

The Recipient must insure that waste tires collected through the program are transported by an MDEQ-approved waste tire hauler, who maintains a current, valid waste tire hauler identification number from MDEQ.

The Recipient shall ensure that waste tires collected through the program are provided for recycling/disposal to a permitted waste tire processing facility which processes the tire and delivers the processed tire material for legitimate recycling or reuse or provides processed tire/tire material to a permitted disposal facility approved to accept waste tires for disposal.

**4. Recordkeeping and Reporting.**

The Recipient shall maintain the following records in conjunction with the waste tire collection program:

- (a) The Recipient shall maintain a log of those individuals and small quantity generators dropping off tires for management through the collection program that shall identify the source of the tires and the number of tires collected from each source. These logs shall be maintained at the collection site or another approved location and shall be made available for inspection by MDEQ upon request.
- (b) The Recipient shall maintain a copy of the waste tire transportation certification forms for each load of waste tires hauled away from the waste tire collection sites for recycling and disposal. These forms shall be maintained at the collection site or another approved location and shall be available for inspection by MDEQ upon request.

As indicated in part 1, the Recipient shall standardly submit requests for payment on a quarterly basis to MDEQ. Such requests for payment must be accompanied by invoices and other documentation to appropriately support payment. The documentation must include the amount of payment for each load of tires collected, the volume/quantity of waste tires collected and disposed and supporting documents for any other costs for which reimbursement is requested.

If a quarterly request for payment is not possible in a particular time period, the local government should submit a brief report summarizing the quarterly activity for that period including quantity of tires collected, activity to clean up any illegally dumped tires, and any other information pertinent to describe the conditions of the waste tire collection program.

## STANDARD TERMS AND CONDITIONS FOR ASSISTANCE AGREEMENTS

1. Workplan.

The workplan (grant application) constitutes the Recipient's and MDEQ's commitment to accomplish the program goals and objectives. MDEQ's review and evaluation of performance under this agreement and MDEQ's response to the findings of oversight will be carried out in accordance with the stated policies.

2. Expenditure Commitment.

The Recipient commits to expend the funds awarded in this agreement and to complete the funded project in accordance with the workplan included in this grant application (workplan) and incorporated into this agreement by reference.

3. Financial Management.

MDEQ requires that Recipients have in place, prior to the receipt of funds, a financial management system that will be able to isolate and trace every grant dollar from receipt to expenditure and have on file appropriate support documentation for each transaction. Examples of documentation are vendor invoices, bills of lading, purchase vouchers, payrolls, bank statements and reconciliations.

4. Audit: Access to Records.

Recipient assures that it will give MDEQ, the Comptroller General of the United States, and the State of Mississippi, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives; and will retain all required records relating to this agreement for three years after project completion and all other pending matters are closed.

5. Method of Payment.

Reimbursement shall be the preferred method of funding. Recipients shall be paid a predetermined sum for services/work performed. Recipient shall submit a Request for Payment, as provided in Attachment A, and additional documentation for verification of service/work performed prior to payment being issued. In special cases, funding advances may be allowed, subject to approval by MDEQ. Requests for Payment and applicable supporting documentation shall be submitted to MDEQ upon project completion.

6. Final Payment.

Pursuant to satisfactory completion of the work performed under this agreement as may be determined by final inspection, and as a condition before final payment under this agreement or as termination settlement under this agreement, the Recipient shall execute and deliver to MDEQ a release of all claims against MDEQ arising under, or by virtue of, this agreement, except claims which are specifically exempted by the Recipient to be set forth therein. Such release is provided in Attachment B. of this agreement. Unless otherwise provided in this agreement, by state law, or expressly agreed to by the parties in this agreement, final payment under this agreement or settlement upon termination of this agreement shall not constitute waiver of MDEQ's claims against the Recipient or his sureties under this agreement or applicable performance and payment of bonds.

7. Procurement.

Recipient shall comply with purchasing guidelines established in 31-7-13 of the Mississippi Code in the procurement of commodities and services.

8. Disadvantaged Businesses.

Recipient will ensure that its best efforts will be used in making available to minority businesses a minimum of 5% of the grant funds that may be expended as necessary in obtaining any supplies, construction, equipment, or services in completing the project detailed in the Workplan.

9. Title to Real Property, Equipment and Supplies.

Unless otherwise agreed to, title to any real property, equipment and supplies that may be acquired under this agreement shall vest upon acquisition in the Recipient. Real property, equipment and supplies shall be used by the Recipient in the program or project for which it was acquired as long as needed, whether or not the project or program continues to be supported by grant funds.

10. Changes and Amendments.

Changes may be made to the agreement in relation to the effective period of the agreement, the total amount of the agreement, budgetary categories associated with the funding of the agreement, and the work to be performed as defined in the work plan. Such changes shall be constructively made by way of a formal agreement amendment, which shall require written approval of the Executive Director of MDEQ prior to any such changes being made. Changes which affect the total amount of the agreement may also require prior approval by the Commission on Environmental Quality.

11. Recycled Paper.

Recipient agrees to use recycled paper for all reports which are prepared as a part of this agreement and delivered to MDEQ.

12. Gratuities.

A. If MDEQ finds, after a notice and hearing, that the Recipient or any of the Recipient's agents or representatives offered or gave gratuities (in the form of entertainment, gifts or otherwise) to any employee, official or agent of MDEQ, the state agency providing funds used in this agreement in an attempt to secure a agreement or favorable treatment in awarding, amending or making any determination related to the performance of this agreement, MDEQ may, by written notice to the Recipient, terminate this agreement. MDEQ may also pursue other rights and remedies that the law or this agreement provides. However, the existence of the facts on which MDEQ bases such findings shall be in issue and may be reviewed in proceedings under the Remedies clause of this agreement.

B. In the event this agreement is terminated as provided in paragraph A., MDEQ may pursue the same remedies against the Recipient as it could pursue in the event of a breach of the agreement by the Recipient, and as a penalty, in addition to any other damages to which it may be entitled by law, be entitled to exemplary damages in an amount (as determined by MDEQ) which shall be not less than three nor more than ten times the costs the Recipient incurs in providing any such gratuities to such officer or employee.

13. Publication and Publicity.

A. Recipient may publish results of its participation pursuant to this agreement after prior review by and consent by MDEQ's Project Manager provided that (1) such publications acknowledge that the program is supported by funds granted by MDEQ, and (2) that one (1) copy of the publication is furnished to MDEQ.

B. Recipient shall use its best efforts to ensure that any publicity received by the Recipient as a result of the work funded by this agreement shall acknowledge that the program is supported by funds granted by MDEQ.

14. Hold Harmless for Personnel Claims.

To the extent permitted by Mississippi law, recipient agrees to indemnify, save and hold harmless the Commission on Environmental Quality, MDEQ and the state of Mississippi, as well as their employees, from and against any and all losses, claims, debts, demands, damages, suits or actions at law, judgments, and costs, including attorney's fees, or expenses

on the part of MDEQ or MDEQ's agents or employees arising out of or attributable to work performed under this agreement or the use of facilities or equipment provided to Recipient under the terms of this agreement.

15. Assurances.

The Recipient certifies that:

- A. It maintains the legal authority to apply for state assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-state share of project costs) to ensure proper planning, management and completion of the project described in the grant application.
- B. It is not presently debarred, suspended, proposed for debarment, declared ineligible from participating in government projects; has not within a three year period preceding this application been convicted of or had a civil judgment rendered against it for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing public transactions; has not within a three year period preceding this proposal been convicted of violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements or receiving stolen property; is not presently indicted or otherwise criminally or civilly charged by a government entity with commission of any of the offenses enumerated herein; and has not within a three year period preceding this application had one or more public transactions terminated for default.
- C. It will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
- D. It will comply with all applicable requirements or State and Federal laws, executive orders, regulations and policies governing this program.
- E. The Recipient shall maintain current permits and approvals necessary from applicable regulatory agencies to carry out the project/program activities.

16. Enforcement.

- A. If a Recipient materially fails to comply with any term of an award, whether stated in Federal and State statute or regulation, an assurance, in a State plan or application, a notice of an award, or elsewhere, MDEQ may take one or more of the following actions, as appropriate in the circumstances:

1. Temporarily withholding payments pending correction of the deficiency by the Recipient or more severe enforcement by MDEQ;
  2. Disallow (that is deny both use of funds and matching credit for) all or part of the cost of the activity of action not in compliance;
  3. Wholly or partly suspend or terminate the current award for the Recipient's program.
  4. Withhold further awards for the program, or
  5. Take other remedies that may be legally available.
- B. In taking an enforcement action, MDEQ will provide the Recipient an opportunity for such hearing, appeal, or other administrative proceeding to which the Recipient is entitled under any statute or regulation applicable to the action involved.
- C. Costs of Recipient resulting from obligations incurred by the Recipient during a suspension or after termination of an award are not allowable unless MDEQ expressly authorizes them in the notice of suspension or termination or subsequently. Other Recipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:
1. The costs result from obligations which were properly incurred by the Recipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are non-cancelable, and
  2. The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

17. Termination for Convenience.

This agreement may be terminated in whole or in part as follows:

- A. By MDEQ with the consent of the Recipient in which case the two parties shall agree upon the termination conditions, including the effective date and in the case of a partial termination, the portion to be terminated; or
- B. By the Recipient upon written notification to MDEQ, setting forth the reasons for such termination, the effective date, and in the case of a partial termination, the portion to be terminated. However, if, in the case of a partial termination, MDEQ determines that the remaining portion of the award will not accomplish the purposes

for which the award was made. MDEQ may terminate the award in its entirety under paragraph A. of this section.

18. Remedies.

Unless otherwise provided in this agreement, all claims, counter-claims, disputes and other matters in question between MDEQ and the Recipient arising out of, or relating to, this agreement or the breach of it will be decided in a court of competent jurisdiction within the State of Mississippi. Before pleading to the Mississippi judicial system at any level, the Recipient must exhaust all administrative remedies in effect on the date the agreement giving rise to the dispute was executed.

The State of Mississippi, acting by and through the Mississippi Department of Environmental Quality, hereby offers assistance/amendment to the Recipient **MADISON COUNTY BOARD OF SUPERVISORS** for all approved costs incurred up to and not exceeding \$30,000.00 for the support of approved budget period effort described in application (including all application modifications) cited in this agreement for the **WASTE TIRE COLLECTION PROGRAM FOR SMALL QUANTITY GENERATORS OF WASTE TIRES.**

**SPECIAL TERMS AND CONDITIONS FOR ASSISTANCE AGREEMENT  
(LOCAL GOVERNMENT WASTE TIRE COLLECTION PROGRAM GRANT)**

**1. Method of Payment.**

Reimbursement shall be the preferred method of funding. Recipient shall submit a Request for Payment, as provided in Attachment A, and additional documentation for verification of service/work performed prior to payment being issued by the Mississippi Department of Environmental Quality (MDEQ). Requests for payment and applicable supporting documentation shall be submitted to MDEQ on a quarterly basis. The Recipient shall submit a request for payment for eligible program activities performed through June 30 of each year (the end of the state fiscal year) no later than July 31 of that year. All requests for payment related to this grant agreement shall be submitted to MDEQ no later than forty-five (45) days after the expiration date of the grant agreement after which time, the grant agreement will be considered closed and funds will no longer be available to the recipient. Reimbursement requests pursuant to this agreement shall be limited to those waste tires generated by "small quantity waste tire generators." Small quantity waste tire generators include any individual generating twenty-five (25) or fewer tires annually, a commercial business or governmental entity that generates ten (10) or fewer tires per week, waste tires collected by local government authorities from illegal dumpsites or other forms of improper disposal and waste tires from other sources determined eligible by MDEQ. This clause shall supersede clause 5, Method of Payment.

**2. Waste Tire Collection Program Management**

The Recipient is responsible for establishing and managing waste tire collection sites for the collection and temporary storage of waste tires collected from eligible sources. Recipient is further responsible for applying for and obtaining proper authorization from MDEQ for the waste tire collection sites and for operating the waste tire collection sites in a manner that complies with the conditions of the letter of authorization and the Mississippi Waste Tire Management Regulations.

The Recipient shall also exercise appropriate controls and management over the waste tire collection program. The Recipient is responsible for ensuring that persons who drop off tires through the program are small waste tire quantity generators (as defined in Part 1 above) eligible to participate in the program. The Recipient shall insure that municipalities and other public agencies that are depositing waste tires through the collection program are also only collecting the waste tires from eligible small quantity sources (as defined in Part 1 above).

The Recipient shall insure that appropriate actions are taken to determine the person(s) responsible for any illegally-dumped waste tires cleaned up or collected under this program and for holding that person responsible for covering or reimbursing the costs of the clean-up and/or proper disposal.

**3. Transportation and Disposal of Waste Tires.**

The Recipient must insure that waste tires collected through the program are transported by an MDEQ-approved waste tire hauler, who maintains a current, valid waste tire hauler identification number from MDEQ.

The Recipient shall ensure that waste tires collected through the program are provided for recycling/disposal to a permitted waste tire processing facility which processes the tire and delivers the processed tire material for legitimate recycling or reuse or provides processed tire/tire material to a permitted disposal facility approved to accept waste tires for disposal.

**4. Recordkeeping and Reporting.**

The Recipient shall maintain the following records in conjunction with the waste tire collection program:

- (a) The Recipient shall maintain a log of those individuals and small quantity generators dropping off tires for management through the collection program that shall identify the source of the tires and the number of tires collected from each source. These logs shall be maintained at the collection site or another approved location and shall be made available for inspection by MDEQ upon request.
- (b) The Recipient shall maintain a copy of the waste tire transportation certification forms for each load of waste tires hauled away from the waste tire collection sites for recycling and disposal. These forms shall be maintained at the collection site or another approved location and shall be available for inspection by MDEQ upon request.

As indicated in part 1, the Recipient shall standardly submit requests for payment on a quarterly basis to MDEQ. Such requests for payment must be accompanied by invoices and other documentation to appropriately support payment. The documentation must include the amount of payment for each load of tires collected, the volume/quantity of waste tires collected and disposed and supporting documents for any other costs for which reimbursement is requested.

If a quarterly request for payment is not possible in a particular time period, the local government should submit a brief report summarizing the quarterly activity for that period including quantity of tires collected, activity to clean up any illegally dumped tires, and any other information pertinent to describe the conditions of the waste tire collection program.

## STANDARD TERMS AND CONDITIONS FOR ASSISTANCE AGREEMENTS

1. Workplan.

The workplan (grant application) constitutes the Recipient's and MDEQ's commitment to accomplish the program goals and objectives. MDEQ's review and evaluation of performance under this agreement and MDEQ's response to the findings of oversight will be carried out in accordance with the stated policies.

2. Expenditure Commitment.

The Recipient commits to expend the funds awarded in this agreement and to complete the funded project in accordance with the workplan included in this grant application (workplan) and incorporated into this agreement by reference.

3. Financial Management.

MDEQ requires that Recipients have in place, prior to the receipt of funds, a financial management system that will be able to isolate and trace every grant dollar from receipt to expenditure and have on file appropriate support documentation for each transaction. Examples of documentation are vendor invoices, bills of lading, purchase vouchers, payrolls, bank statements and reconciliations.

4. Audit: Access to Records.

Recipient assures that it will give MDEQ, the Comptroller General of the United States, and the State of Mississippi, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives; and will retain all required records relating to this agreement for three years after project completion and all other pending matters are closed.

5. Method of Payment.

Reimbursement shall be the preferred method of funding. Recipients shall be paid a predetermined sum for services/work performed. Recipient shall submit a Request for Payment, as provided in Attachment A, and additional documentation for verification of service/work performed prior to payment being issued. In special cases, funding advances may be allowed, subject to approval by MDEQ. Requests for Payment and applicable supporting documentation shall be submitted to MDEQ upon project completion.

6. Final Payment.

Pursuant to satisfactory completion of the work performed under this agreement as may be determined by final inspection, and as a condition before final payment under this agreement or as termination settlement under this agreement, the Recipient shall execute and deliver to MDEQ a release of all claims against MDEQ arising under, or by virtue of, this agreement, except claims which are specifically exempted by the Recipient to be set forth therein. Such release is provided in Attachment B. of this agreement. Unless otherwise provided in this agreement, by state law, or expressly agreed to by the parties in this agreement, final payment under this agreement or settlement upon termination of this agreement shall not constitute waiver of MDEQ's claims against the Recipient or his sureties under this agreement or applicable performance and payment of bonds.

7. Procurement.

Recipient shall comply with purchasing guidelines established in 31-7-13 of the Mississippi Code in the procurement of commodities and services.

8. Disadvantaged Businesses.

Recipient will ensure that its best efforts will be used in making available to minority businesses a minimum of 5% of the grant funds that may be expended as necessary in obtaining any supplies, construction, equipment, or services in completing the project detailed in the Workplan.

9. Title to Real Property, Equipment and Supplies.

Unless otherwise agreed to, title to any real property, equipment and supplies that may be acquired under this agreement shall vest upon acquisition in the Recipient. Real property, equipment and supplies shall be used by the Recipient in the program or project for which it was acquired as long as needed, whether or not the project or program continues to be supported by grant funds.

10. Changes and Amendments.

Changes may be made to the agreement in relation to the effective period of the agreement, the total amount of the agreement, budgetary categories associated with the funding of the agreement, and the work to be performed as defined in the work plan. Such changes shall be constructively made by way of a formal agreement amendment, which shall require written approval of the Executive Director of MDEQ prior to any such changes being made. Changes which affect the total amount of the agreement may also require prior approval by the Commission on Environmental Quality.

11. Recycled Paper.

Recipient agrees to use recycled paper for all reports which are prepared as a part of this agreement and delivered to MDEQ.

12. Gratuities.

A. If MDEQ finds, after a notice and hearing, that the Recipient or any of the Recipient's agents or representatives offered or gave gratuities (in the form of entertainment, gifts or otherwise) to any employee, official or agent of MDEQ, the state agency providing funds used in this agreement in an attempt to secure a agreement or favorable treatment in awarding, amending or making any determination related to the performance of this agreement, MDEQ may, by written notice to the Recipient, terminate this agreement. MDEQ may also pursue other rights and remedies that the law or this agreement provides. However, the existence of the facts on which MDEQ bases such findings shall be in issue and may be reviewed in proceedings under the Remedies clause of this agreement.

B. In the event this agreement is terminated as provided in paragraph A., MDEQ may pursue the same remedies against the Recipient as it could pursue in the event of a breach of the agreement by the Recipient, and as a penalty, in addition to any other damages to which it may be entitled by law, be entitled to exemplary damages in an amount (as determined by MDEQ) which shall be not less than three nor more than ten times the costs the Recipient incurs in providing any such gratuities to such officer or employee.

13. Publication and Publicity.

A. Recipient may publish results of its participation pursuant to this agreement after prior review by and consent by MDEQ's Project Manager provided that (1) such publications acknowledge that the program is supported by funds granted by MDEQ, and (2) that one (1) copy of the publication is furnished to MDEQ.

B. Recipient shall use its best efforts to ensure that any publicity received by the Recipient as a result of the work funded by this agreement shall acknowledge that the program is supported by funds granted by MDEQ.

14. Hold Harmless for Personnel Claims.

To the extent permitted by Mississippi law, recipient agrees to indemnify, save and hold harmless the Commission on Environmental Quality, MDEQ and the state of Mississippi, as well as their employees, from and against any and all losses, claims, debts, demands, damages, suits or actions at law, judgments, and costs, including attorney's fees, or expenses

on the part of MDEQ or MDEQ's agents or employees arising out of or attributable to work performed under this agreement or the use of facilities or equipment provided to Recipient under the terms of this agreement.

15. Assurances.

The Recipient certifies that:

- A. It maintains the legal authority to apply for state assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-state share of project costs) to ensure proper planning, management and completion of the project described in the grant application.
- B. It is not presently debarred, suspended, proposed for debarment, declared ineligible from participating in government projects; has not within a three year period preceding this application been convicted of or had a civil judgment rendered against it for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing public transactions; has not within a three year period preceding this proposal been convicted of violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements or receiving stolen property; is not presently indicted or otherwise criminally or civilly charged by a government entity with commission of any of the offenses enumerated herein; and has not within a three year period preceding this application had one or more public transactions terminated for default.
- C. It will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
- D. It will comply with all applicable requirements or State and Federal laws, executive orders, regulations and policies governing this program.
- E. The Recipient shall maintain current permits and approvals necessary from applicable regulatory agencies to carry out the project/program activities.

16. Enforcement.

- A. If a Recipient materially fails to comply with any term of an award, whether stated in Federal and State statute or regulation, an assurance, in a State plan or application, a notice of an award, or elsewhere, MDEQ may take one or more of the following actions, as appropriate in the circumstances:

1. Temporarily withholding payments pending correction of the deficiency by the Recipient or more severe enforcement by MDEQ;
  2. Disallow (that is deny both use of funds and matching credit for) all or part of the cost of the activity of action not in compliance;
  3. Wholly or partly suspend or terminate the current award for the Recipient's program.
  4. Withhold further awards for the program, or
  5. Take other remedies that may be legally available.
- B. In taking an enforcement action, MDEQ will provide the Recipient an opportunity for such hearing, appeal, or other administrative proceeding to which the Recipient is entitled under any statute or regulation applicable to the action involved.
- C. Costs of Recipient resulting from obligations incurred by the Recipient during a suspension or after termination of an award are not allowable unless MDEQ expressly authorizes them in the notice of suspension or termination or subsequently. Other Recipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:
1. The costs result from obligations which were properly incurred by the Recipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are non-cancelable, and
  2. The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

17. Termination for Convenience.

This agreement may be terminated in whole or in part as follows:

- A. By MDEQ with the consent of the Recipient in which case the two parties shall agree upon the termination conditions, including the effective date and in the case of a partial termination, the portion to be terminated; or
- B. By the Recipient upon written notification to MDEQ, setting forth the reasons for such termination, the effective date, and in the case of a partial termination, the portion to be terminated. However, if, in the case of a partial termination, MDEQ determines that the remaining portion of the award will not accomplish the purposes

for which the award was made. MDEQ may terminate the award in its entirety under paragraph A. of this section.

18. Remedies.

Unless otherwise provided in this agreement, all claims, counter-claims, disputes and other matters in question between MDEQ and the Recipient arising out of, or relating to, this agreement or the breach of it will be decided in a court of competent jurisdiction within the State of Mississippi. Before pleading to the Mississippi judicial system at any level, the Recipient must exhaust all administrative remedies in effect on the date the agreement giving rise to the dispute was executed.

The State of Mississippi, acting by and through the Mississippi Department of Environmental Quality, hereby offers assistance/amendment to the Recipient **MADISON COUNTY BOARD OF SUPERVISORS** for all approved costs incurred up to and not exceeding \$30,000.00 for the support of approved budget period effort described in application (including all application modifications) cited in this agreement for the **WASTE TIRE COLLECTION PROGRAM FOR SMALL QUANTITY GENERATORS OF WASTE TIRES.**

**SPECIAL TERMS AND CONDITIONS FOR ASSISTANCE AGREEMENT  
(LOCAL GOVERNMENT WASTE TIRE COLLECTION PROGRAM GRANT)**

**1. Method of Payment.**

Reimbursement shall be the preferred method of funding. Recipient shall submit a Request for Payment, as provided in Attachment A, and additional documentation for verification of service/work performed prior to payment being issued by the Mississippi Department of Environmental Quality (MDEQ). Requests for payment and applicable supporting documentation shall be submitted to MDEQ on a quarterly basis. The Recipient shall submit a request for payment for eligible program activities performed through June 30 of each year (the end of the state fiscal year) no later than July 31 of that year. All requests for payment related to this grant agreement shall be submitted to MDEQ no later than forty-five (45) days after the expiration date of the grant agreement after which time, the grant agreement will be considered closed and funds will no longer be available to the recipient. Reimbursement requests pursuant to this agreement shall be limited to those waste tires generated by "small quantity waste tire generators." Small quantity waste tire generators include any individual generating twenty-five (25) or fewer tires annually, a commercial business or governmental entity that generates ten (10) or fewer tires per week, waste tires collected by local government authorities from illegal dumpsites or other forms of improper disposal and waste tires from other sources determined eligible by MDEQ. This clause shall supersede clause 5, Method of Payment.

**2. Waste Tire Collection Program Management**

The Recipient is responsible for establishing and managing waste tire collection sites for the collection and temporary storage of waste tires collected from eligible sources. Recipient is further responsible for applying for and obtaining proper authorization from MDEQ for the waste tire collection sites and for operating the waste tire collection sites in a manner that complies with the conditions of the letter of authorization and the Mississippi Waste Tire Management Regulations.

The Recipient shall also exercise appropriate controls and management over the waste tire collection program. The Recipient is responsible for ensuring that persons who drop off tires through the program are small waste tire quantity generators (as defined in Part 1 above) eligible to participate in the program. The Recipient shall insure that municipalities and other public agencies that are depositing waste tires through the collection program are also only collecting the waste tires from eligible small quantity sources (as defined in Part 1 above).

The Recipient shall insure that appropriate actions are taken to determine the person(s) responsible for any illegally-dumped waste tires cleaned up or collected under this program and for holding that person responsible for covering or reimbursing the costs of the clean-up and/or proper disposal.

**3. Transportation and Disposal of Waste Tires.**

The Recipient must insure that waste tires collected through the program are transported by an MDEQ-approved waste tire hauler, who maintains a current, valid waste tire hauler identification number from MDEQ.

The Recipient shall ensure that waste tires collected through the program are provided for recycling/disposal to a permitted waste tire processing facility which processes the tire and delivers the processed tire material for legitimate recycling or reuse or provides processed tire/tire material to a permitted disposal facility approved to accept waste tires for disposal.

**4. Recordkeeping and Reporting.**

The Recipient shall maintain the following records in conjunction with the waste tire collection program:

- (a) The Recipient shall maintain a log of those individuals and small quantity generators dropping off tires for management through the collection program that shall identify the source of the tires and the number of tires collected from each source. These logs shall be maintained at the collection site or another approved location and shall be made available for inspection by MDEQ upon request.
- (b) The Recipient shall maintain a copy of the waste tire transportation certification forms for each load of waste tires hauled away from the waste tire collection sites for recycling and disposal. These forms shall be maintained at the collection site or another approved location and shall be available for inspection by MDEQ upon request.

As indicated in part 1, the Recipient shall standardly submit requests for payment on a quarterly basis to MDEQ. Such requests for payment must be accompanied by invoices and other documentation to appropriately support payment. The documentation must include the amount of payment for each load of tires collected, the volume/quantity of waste tires collected and disposed and supporting documents for any other costs for which reimbursement is requested.

If a quarterly request for payment is not possible in a particular time period, the local government should submit a brief report summarizing the quarterly activity for that period including quantity of tires collected, activity to clean up any illegally dumped tires, and any other information pertinent to describe the conditions of the waste tire collection program.

## STANDARD TERMS AND CONDITIONS FOR ASSISTANCE AGREEMENTS

1. Workplan.

The workplan (grant application) constitutes the Recipient's and MDEQ's commitment to accomplish the program goals and objectives. MDEQ's review and evaluation of performance under this agreement and MDEQ's response to the findings of oversight will be carried out in accordance with the stated policies.

2. Expenditure Commitment.

The Recipient commits to expend the funds awarded in this agreement and to complete the funded project in accordance with the workplan included in this grant application (workplan) and incorporated into this agreement by reference.

3. Financial Management.

MDEQ requires that Recipients have in place, prior to the receipt of funds, a financial management system that will be able to isolate and trace every grant dollar from receipt to expenditure and have on file appropriate support documentation for each transaction. Examples of documentation are vendor invoices, bills of lading, purchase vouchers, payrolls, bank statements and reconciliations.

4. Audit: Access to Records.

Recipient assures that it will give MDEQ, the Comptroller General of the United States, and the State of Mississippi, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives; and will retain all required records relating to this agreement for three years after project completion and all other pending matters are closed.

5. Method of Payment.

Reimbursement shall be the preferred method of funding. Recipients shall be paid a predetermined sum for services/work performed. Recipient shall submit a Request for Payment, as provided in Attachment A, and additional documentation for verification of service/work performed prior to payment being issued. In special cases, funding advances may be allowed, subject to approval by MDEQ. Requests for Payment and applicable supporting documentation shall be submitted to MDEQ upon project completion.

6. Final Payment.

Pursuant to satisfactory completion of the work performed under this agreement as may be determined by final inspection, and as a condition before final payment under this agreement or as termination settlement under this agreement, the Recipient shall execute and deliver to MDEQ a release of all claims against MDEQ arising under, or by virtue of, this agreement, except claims which are specifically exempted by the Recipient to be set forth therein. Such release is provided in Attachment B. of this agreement. Unless otherwise provided in this agreement, by state law, or expressly agreed to by the parties in this agreement, final payment under this agreement or settlement upon termination of this agreement shall not constitute waiver of MDEQ's claims against the Recipient or his sureties under this agreement or applicable performance and payment of bonds.

7. Procurement.

Recipient shall comply with purchasing guidelines established in 31-7-13 of the Mississippi Code in the procurement of commodities and services.

8. Disadvantaged Businesses.

Recipient will ensure that its best efforts will be used in making available to minority businesses a minimum of 5% of the grant funds that may be expended as necessary in obtaining any supplies, construction, equipment, or services in completing the project detailed in the Workplan.

9. Title to Real Property, Equipment and Supplies.

Unless otherwise agreed to, title to any real property, equipment and supplies that may be acquired under this agreement shall vest upon acquisition in the Recipient. Real property, equipment and supplies shall be used by the Recipient in the program or project for which it was acquired as long as needed, whether or not the project or program continues to be supported by grant funds.

10. Changes and Amendments.

Changes may be made to the agreement in relation to the effective period of the agreement, the total amount of the agreement, budgetary categories associated with the funding of the agreement, and the work to be performed as defined in the work plan. Such changes shall be constructively made by way of a formal agreement amendment, which shall require written approval of the Executive Director of MDEQ prior to any such changes being made. Changes which affect the total amount of the agreement may also require prior approval by the Commission on Environmental Quality.

11. Recycled Paper.

Recipient agrees to use recycled paper for all reports which are prepared as a part of this agreement and delivered to MDEQ.

12. Gratuities.

A. If MDEQ finds, after a notice and hearing, that the Recipient or any of the Recipient's agents or representatives offered or gave gratuities (in the form of entertainment, gifts or otherwise) to any employee, official or agent of MDEQ, the state agency providing funds used in this agreement in an attempt to secure a agreement or favorable treatment in awarding, amending or making any determination related to the performance of this agreement, MDEQ may, by written notice to the Recipient, terminate this agreement. MDEQ may also pursue other rights and remedies that the law or this agreement provides. However, the existence of the facts on which MDEQ bases such findings shall be in issue and may be reviewed in proceedings under the Remedies clause of this agreement.

B. In the event this agreement is terminated as provided in paragraph A., MDEQ may pursue the same remedies against the Recipient as it could pursue in the event of a breach of the agreement by the Recipient, and as a penalty, in addition to any other damages to which it may be entitled by law, be entitled to exemplary damages in an amount (as determined by MDEQ) which shall be not less than three nor more than ten times the costs the Recipient incurs in providing any such gratuities to such officer or employee.

13. Publication and Publicity.

A. Recipient may publish results of its participation pursuant to this agreement after prior review by and consent by MDEQ's Project Manager provided that (1) such publications acknowledge that the program is supported by funds granted by MDEQ, and (2) that one (1) copy of the publication is furnished to MDEQ.

B. Recipient shall use its best efforts to ensure that any publicity received by the Recipient as a result of the work funded by this agreement shall acknowledge that the program is supported by funds granted by MDEQ.

14. Hold Harmless for Personnel Claims.

To the extent permitted by Mississippi law, recipient agrees to indemnify, save and hold harmless the Commission on Environmental Quality, MDEQ and the state of Mississippi, as well as their employees, from and against any and all losses, claims, debts, demands, damages, suits or actions at law, judgments, and costs, including attorney's fees, or expenses

on the part of MDEQ or MDEQ's agents or employees arising out of or attributable to work performed under this agreement or the use of facilities or equipment provided to Recipient under the terms of this agreement.

15. Assurances.

The Recipient certifies that:

- A. It maintains the legal authority to apply for state assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-state share of project costs) to ensure proper planning, management and completion of the project described in the grant application.
- B. It is not presently debarred, suspended, proposed for debarment, declared ineligible from participating in government projects; has not within a three year period preceding this application been convicted of or had a civil judgment rendered against it for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing public transactions; has not within a three year period preceding this proposal been convicted of violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements or receiving stolen property; is not presently indicted or otherwise criminally or civilly charged by a government entity with commission of any of the offenses enumerated herein; and has not within a three year period preceding this application had one or more public transactions terminated for default.
- C. It will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
- D. It will comply with all applicable requirements or State and Federal laws, executive orders, regulations and policies governing this program.
- E. The Recipient shall maintain current permits and approvals necessary from applicable regulatory agencies to carry out the project/program activities.

16. Enforcement.

- A. If a Recipient materially fails to comply with any term of an award, whether stated in Federal and State statute or regulation, an assurance, in a State plan or application, a notice of an award, or elsewhere, MDEQ may take one or more of the following actions, as appropriate in the circumstances:

1. Temporarily withholding payments pending correction of the deficiency by the Recipient or more severe enforcement by MDEQ;
  2. Disallow (that is deny both use of funds and matching credit for) all or part of the cost of the activity of action not in compliance;
  3. Wholly or partly suspend or terminate the current award for the Recipient's program.
  4. Withhold further awards for the program, or
  5. Take other remedies that may be legally available.
- B. In taking an enforcement action, MDEQ will provide the Recipient an opportunity for such hearing, appeal, or other administrative proceeding to which the Recipient is entitled under any statute or regulation applicable to the action involved.
- C. Costs of Recipient resulting from obligations incurred by the Recipient during a suspension or after termination of an award are not allowable unless MDEQ expressly authorizes them in the notice of suspension or termination or subsequently. Other Recipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:
1. The costs result from obligations which were properly incurred by the Recipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are non-cancelable, and
  2. The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

17. Termination for Convenience.

This agreement may be terminated in whole or in part as follows:

- A. By MDEQ with the consent of the Recipient in which case the two parties shall agree upon the termination conditions, including the effective date and in the case of a partial termination, the portion to be terminated; or
- B. By the Recipient upon written notification to MDEQ, setting forth the reasons for such termination, the effective date, and in the case of a partial termination, the portion to be terminated. However, if, in the case of a partial termination, MDEQ determines that the remaining portion of the award will not accomplish the purposes

for which the award was made. MDEQ may terminate the award in its entirety under paragraph A. of this section.

18. Remedies.

Unless otherwise provided in this agreement, all claims, counter-claims, disputes and other matters in question between MDEQ and the Recipient arising out of, or relating to, this agreement or the breach of it will be decided in a court of competent jurisdiction within the State of Mississippi. Before pleading to the Mississippi judicial system at any level, the Recipient must exhaust all administrative remedies in effect on the date the agreement giving rise to the dispute was executed.

The State of Mississippi, acting by and through the Mississippi Department of Environmental Quality, hereby offers assistance/amendment to the Recipient **MADISON COUNTY BOARD OF SUPERVISORS** for all approved costs incurred up to and not exceeding \$30,000.00 for the support of approved budget period effort described in application (including all application modifications) cited in this agreement for the **WASTE TIRE COLLECTION PROGRAM FOR SMALL QUANTITY GENERATORS OF WASTE TIRES.**
