Re: Reimbursement for Honda Accord tire and rim

Mr. Hammack,

My tire and rim were both damaged beyond repair as a result of hitting a lengthy drop off/pothole at the edge of Catlett Road across from 380 Catlett Rd. The pothole area is approximately 7 feet long and extends over the line into the driving area. This area of damaged road drops off approximately 6 inches. (These are rough estimates; I did not measure.)

The total cost of repairing my car was \$357.80 which includes \$189.00 for the rim, \$140.39 for the tire, \$5.00 charges for tire tax and disposal, and \$23.41 tax.

The damages were incurred on Monday, July 2nd, and repaired on Tuesday, July 3rd. The receipt for repair is attached. Thank you so much for your assistance in this matter.

Sincerely,
Carole Hutchison
