David,

Per our conversation this morning I am sending you the road blocks/closures that Lt. Murphy informed me we would need for the March for April 5k that is to be held Saturday, March 30, 2013. The 5k is a Fundraiser for April Deloach who was diagnosed with Acute Lymphoblastic Leukemia (ALL) in September 2012. She is a principal at Camden Elementary in the Madison County School District. The time frame for the race will be approximately 8am until 12pm. The roads we are requesting blocked are Sowell to Hwy 22 and Interstate to Parkway. We will also need the North and South bound closed in front of Germantown High School during those same hours. The race will begin and end at Germantown High School. The Sheriff's department is working with us on everything. Thank you for your consideration in this matter.
