Comments: This year, CMPDD (Central MS Planing and Development District) is updating its five year EDA (Economic Development Administration) CEDS (Comprehensive Economic Development Strategy) plan. We will meet with all the counties in the CMPDD area and discuss current and future plans for each county with city and county elected officials, economic developers and stakeholders. My reason for contacting you is to see if we can utilize Madison County's boardroom room for the Madison County meeting on Wednesday, August 8th beginning at 2:00 pm. If someone could contact me regarding the space or who I need to speak with in terms of securing a meeting space, I would really appreciate it.
