From: Dan Gaillet, P.E.
County Engineer and Road Manager *DG*

Re: Drainage Easement
Tithelo Road

Mr. Jones and the Engineering Department met on-site to discuss the roadway's drainage onto his property. As a result of discussions and the Engineering Department's findings, it is recommended that the roadside ditch be re-graded to a release point at 464 Tithelo Road.

Therefore, it is the recommendation of the Engineering Department that the county acquire a temporary easement to perform the roadside drainage work.
