

MEMO

To: Board of Supervisors

From: Carl Allen

Subject: Code Violations

Date: June 28, 2017

At the last Board meeting, Supervisor Griffin asked the Planning Department to investigate the Saw Mill Quarters in his district. The department has done an extensive investigation of this area and I would like to give a very brief update of our findings and give to the Board my recommendations as to how the County can address these issues in a timely manner.

Carl
