6. Madison County certifies that APHIS WS has advised the Madison County that there may be private sector service providers available to provide wildlife management services that the Madison County is seeking from APHIS WS.
7. The performance of wildlife damage management actions by APHIS WS under this agreement is contingent upon a determination by APHIS WS that such actions are in compliance with the National Environmental Policy Act, Endangered Species Act, and any other applicable federal statutes. APHIS WS will not make a final decision to conduct requested wildlife damage management actions until it has made the determination of such compliance.
