Subject: Consideration of purchasing and installing maglocks and cameras at Chancery Courthouse/Administration building and cameras at Circuit Courthouse

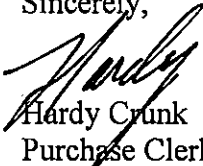

Dear Board Members:

Attached are two written quotes Information Technologies Director Duane Thompson secured for (1) purchase and installation of maglocks and cameras on Chancery Courthouse/Administration building, and (2) purchase and install cameras at rear and side doors of Circuit Courthouse. Security Support Services submitted the low quote of \$31,870.

Mr. Thompson will be present at the board meeting and can answer any technical questions about the proposed equipment. Sufficient funds exist in IT's budget to pay for the expenditure.

If the board wishes to proceed with this purchase, it would be in order to award the job to Security Support Services at the price of \$31,870.

Sincerely,

Hardy Crunk
Purchase Clerk

Subject: Chancery and Circuit Building Access Control and Network CCTV Additions

Dear Duane,

Allow me to express my sincere appreciation for the opportunity to assist you with your security needs. At Security & Integrated Systems Support, Inc. we stand ready to meet those needs. Based on our conversation I am pleased to offer the following access control and CCTV options for your review and consideration:

Admin Side

- (4) Stairwell Single Doors
- (1) Office Complex Single Door
- (1) Reader on Handicap Auto Door
- (2) Single Exterior Doors off of Garage
- (1) I.T. Set-up Room Single Door
- (2) Cameras in Stairwells
- (1) Camera in Main Lobby of Office Complex
- (2) Cameras on Roof Hatches

\$31,870

Chancery Side

- Relocate existing equipment on (2) Doors to (2) New Doors
- (2) Cameras in Rear Hallway
- Add additional single door in upstairs area

Main Square Entrance

- Main Entrance Double Door (Use Add On Board on Existing Panel)
- Camera at Main Entrance

Circuit Building

- (3) Camera on rear and side entrance doors

Security Equipment

- ✓ (2) Honeywell NetAxs four door access control panels

- ✓ (2) Honeywell NetAxs single door access control panels
- ✓ (1) Honeywell NetAxs single door add on board
- ✓ (2) Altronix multi-port fused 8 amp maglock power supplies
- ✓ (11) Essex request to exit buttons
- ✓ (11) Honeywell request to exit motion detectors
- ✓ (12) Securitron MM15 magnetic locks
- ✓ (11) HID proximity readers
- ✓ (1) Interlogix 16- Camera 6TB Network Video Recorder
- ✓ (11) Interior 4MP 1080p HD Dome Network Cameras
- ✓ (11) POE Injectors
 - Relocate (2) doors in IT Area
 - ✓ All necessary wire and connectors
 - ✓ All necessary installation labor
 - ✓ One year parts and labor warranty

Investment: \$31,870.00 plus appropriate taxes

Notes: Owner is to provide fire alarm output relay module from existing fire panel at owner's expense. This will allow the doors to unlock in the event of a fire.

This proposal is based on the doors and door closers being in proper working order.

This proposal is based on running open air wire in garage. Conduit for those runs is not included.

I trust that you will find this proposal complete and acceptable. I look forward to your positive response. If you need any additional assistance, please do not hesitate to contact me. Once again, thank you!

Sincerely,

Patrick Saums

TYCO INTEGRATED SECURITY CONFIDENTIAL AND PROPRIETARY BUSINESS INFORMATION

SCOPE OF WORK FOR Madison County Board Of Supervisor

This proposal presented by Tyco is being provided at the request of Madison County Board Of Supervisor to successfully meet the specifications of the Madison Co. Board of Supervisor-AC-4-27-17 Project at the 125 W North St, , Canton, MS 39046 location.

We propose to install and maintain a Access system which will consist of the following:

Contact Information:	The contact for this location is the IT Director Duane Thompson Cell (601) 421-5255
System Operation:	Tyco will quote the list of parts that are attached to the estimate. We will not upgrade the software. The existing software is Win Pak XE 3.3 Build 670.21
Programming Info:	The IT director will handle all of the programming
Site Conditions:	This is a multi story building but there are data closets on each floor so there will be no need to pull cable between floors and there is drop tile ceiling throughout the building
Existing Equipment:	The existing system is NetAxis and that is what we will be adding the doors and panels to
Customer Expectations:	The customer expects us to work normal business hours and we will work with him when it comes to the programming of all the doors and control panels
Training Expectations:	Tyco will provide any training needed. The customer knows the product and is already trained
General Comments:	The drawings are in the office and if the job is won they will be provided to the installer
Customer Responsibilities / Tyco Exclusions:	The customer will be responsible for any 110 power to control panels and they will be responsible for all programming
Documentation Needs:	There will be no documents needed for this customer because he will list out all the doors
