Hi Anita,

Attached is the final list of old voting equipment to be disposed. I just wanted to get your approval that the list is ok. Based on our conversation yesterday, the list includes both GEMS Servers (#3929 and #6114) and the three Scanners / Bottom Boxes (#4298, #4299, #4300). Please let me know if it's ok to submit this list to the board for disposal.

Thanks, Jay

Sorry, Jay. I took some time off. My son got married this past weekend and I left early Thursday and Friday. Will work on it today for you so you will have it for the next Board.

Anita,

Have you had a chance to look over the inventory list for any additional voting items? I'm not trying to rush you, but if you could let me know this afternoon or first thing tomorrow morning, we could get the deletions on Monday's board agenda. If not, we'll have to wait until the next meeting.

Thanks, Jay

Hi Anita,

I've attached a spreadsheet comparing your list of deletions to my inventory. When you have a moment, you can open the spreadsheet and give me a call to discuss.

- The spreadsheet contains all active inventory from two departments: Elections & Circuit Clerk.
- The items in green are matches from your list.
- The two items in yellow (#3929 and #4300) are items that may need to be deleted.

I just wanted to let you scan the list and see if there are any additional items that need to be deleted.

Thanks, Jay

These are the SN#'s on the OS Scanners. They do not have Asset numbers. Anita Wray

Hi Anita,

I've received the go-ahead to start the deletion process on the old voting machines. Can you send me your list of items to be deleted? I will compare it to my inventory list and let you know if I have any questions. Then I'll seek board approval for disposal at the next meeting (Sep. 18).

Thanks for your help, Jay
