Mr. Hardin:

Madison County was approved for a Capital Improvements Revolving Loan with your agency. The Contract number is 15-249-CP-1. It is our understanding that this loan has an expiration date of November 18, 2017.

Due to delays in design and site prep, we have been unable to move forward with actual construction activity on this project. Additionally, significant rainfall during the past few months has delayed progress.

Please grant Madison County until November 18, 2018 to submit cash requests under this loan contract.

Sincerely,

David Bishop, President
Madison County Board of Supervisors
