Ref: Request to be added to the agenda.

Honorable Members of The Board,

This is a special request to be added to the Agenda on April 1<sup>st</sup>, 2013. We had a mobile home on a lot located at 112 Charles Road in Flora, MS. This was the home of Pairlee Wilkerson-Leamon and was aged, dilapidated and in severe need of repair. After close examination, we learned this structure was beyond repair so we chose to replace it with a remodeled and more suitable mobile home. The current mobile home is already connected to the previous treatment and drainage system. During this renovation process, Mrs. Wilkerson whom is 68 years of age and disabled is staying with friends and desperately wants and desires to be back in her own residence. We are requesting permission and approval of this lot and structure so that the utilities can be turned back on. Thank you for your consideration and help in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Nathaniel Johnson', with a long horizontal flourish extending to the right.
